The League of Friends was established for charitable purposes only, and its objectives are as follows:

- To aid the comfort and wellbeing of all patients and to mobilise, encourage, foster and maintain the interest of the public in the patients and the support of the work of the hospital, by means of voluntary service.
- To maintain the relations and associations which exist between voluntary bodies and the hospital; and to provide opportunities for such voluntary bodies to continue their activities for the benefit of the hospital.
- Actively to pursue the raising and provision of the funds for the purpose of supplementing, in such manner as the League thinks fit, the resources of the hospital service.
- The recruitment of voluntary workers for the League of Friends of Warrington Hospital.
- To co-operate with all other bodies for the benefit of the hospital service.
- To encourage inter communication and co-operation with the other League of Hospital Friends or with other similar bodies.
- To do all such other things as are incidental or conducive to the attainment of the above objects or any of them.

The management of the League of Friends is under the control of the Committee.

COMMITTEE AND TRUSTEES

The present membership of the Committee is shown on page 1.

The trustees are the elected officers of the Committee.

VOLUNTEER SUPPORT

In common with many organisations in the voluntary sector, the charity receives much valuable support from its volunteers. We gratefully acknowledge the support and continued contribution of our volunteers with their wide ranging input to our work.

RESERVES POLICY

It is the policy of the charity to hold reserves in its unrestricted fund in order to establish an appropriate level of working capital and protect the future operations of the charity from the effects of any unforeseen and material variations in its income streams, as part of the policy of good financial management practice.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law requires the trustees to prepare the financial statements for each financial year which give a true and fair view of the state of the financial activities of the charity and of its financial position at the year end. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
