### TRUSTEES' REPORT

#### FOR THE YEAR ENDED 30 SEPTEMBER 2025

---

The trustees present their annual report and financial statements for the year ended 30 September 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

#### OBJECTIVES AND ACTIVITIES

##### Objectives and aims

###### Purposes and aims

The charity's objects and principal activities are to apply the income of the charity to relieve either generally or individually persons resident in the Ancient Parish of Aston and the Ecclesiastical Parish of St Cuthbert, Castle Vale, who are in conditions of need, hardship or distress.

###### Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help. The review also helps us to ensure that our aims, objectives and activities remain focused on our stated purposes.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

###### The focus of our work

The focus of the charity's work remains the relief either generally or individually of persons resident in the Ancient Parish of Aston and the Ecclesiastical Parish of St Cuthbert, Castle Vale, who are in conditions of need, hardship or distress.

To achieve these objectives the charity continues to make grants of money available or provides or pays for items, services or facilities either inside or outside of the Ancient Parish of Aston and the Ecclesiastical Parish of St Cuthbert, Castle Vale, which are designed to reduce the need, hardship or distress of such persons.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

##### Grant making policy

The charity's constitution restricts its grant making to relieve either generally or individually persons resident in the area of the Ancient Parish of Aston and the Ecclesiastical Parish of St Cuthbert, Castle Vale, who are in conditions of need, hardship or distress.

Although many of the grants made by the trustees are repeated, the trustees do not as a matter of policy feel obliged to repeat any particular grant. In considering all applications the trustees wish to be assured that the grant will be spent or the benefit provided in the area of benefit.

#### ACHIEVEMENTS AND PERFORMANCE

##### Charitable activities

During the year, the charity's investments produced a satisfactory level of income enabling the charity to award grants in accordance with its objects and its grant making policy. A total of 19 (2024: 20) grants were made in the year to a variety of applicants from within the Ancient Parish of Aston and the Ecclesiastical Parish of St Cuthbert, Castle Vale.

The Trustees maintained their commitment to funding small, locally based organisations, and to spending annual income rather than accumulating it.

In November 2024, 21 applications were made and 18 granted. Unfortunately, the May 2025 meeting did not take place as there was only one application, which was granted separately.

The Trustees were concerned both that applications were decreasing and that they might fall into a permanent 'bottleneck cycle.' As a result, the Clerk reminded various councillors and vicars of the existence of the charity and representatives also attended a Charities Funders' Fair in Birmingham in September 2025. Both have resulted in increased contact from local groups and organisations in relation to the November 2025 meeting.

The usual wide range of applications was supported in November 2024. Supporting children and young people and families and alleviating food poverty continued to be at the core of the charity's grant-making.

#### FINANCIAL REVIEW

The Statement of Financial Activities for the year ended 30 September 2025 shows incoming resources of £76,367 (2024: £70,301) and resources expended of £65,396 (2024: £55,244), generating net incoming resources of £10,971 (2024: net incoming resources: £15,057), prior to investment gains and losses.

Despite the difficult economic conditions which continue to affect the UK economy during the year, the charity's investment portfolio has produced a satisfactory level of investment income amounting to £76,367 (2024: £70,301).

The trustees have again decided to distribute as much of the charity's funds by way of grants as is possible.

As a result, grants paid by the charity during the year ended 30 September 2025 amounted to £58,764 (2024: £48,955).

The charity's investment portfolio has seen a increase in its valuation during the year ended 30 September 2025 by £84,039 (2024: increase of £71,210). This has contributed towards an overall increase in the charity's assets from £1,296,602 as at 30 September 2024 to £1,391,612 as at 30 September 2025.

##### Reserves policy

It has been the policy of the trustees in recent years to reduce unrestricted reserves to a minimum and to maintain them at this level.

##### Investment policy and objectives

There are no restrictions on the trustees' power to invest.

The trustees seek to maintain a consistent investment strategy based on their view of the medium-term economic situation and their desire to secure the capital value of the investment portfolio whilst maintaining the level of the charity's income in real terms. The trustees receive advice from their investment manager who produces regular reports for consideration by the trustees.

##### Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees discuss both financial and external risks that the charity is exposed to twice per year during normal trustee meetings.

#### PLANS FOR FUTURE PERIODS

The trustees wish to continue the investment policy as set out above with a view to generating sufficient income to meet the objectives of the charity for awarding grants each year with governance costs being maintained at a reasonable level.

**INDEPENDENT EXAMINER'S REPORT**

**TO THE TRUSTEES OF ST THOMAS'S DOLE CHARITY**

---

I report to the trustees on my examination of the financial statements of St Thomas's Dole Charity (the charity) for the year ended 30 September 2025.

**RESPONSIBILITIES AND BASIS OF REPORT**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

**INDEPENDENT EXAMINER'S STATEMENT**

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 30 SEPTEMBER 2025

---

#### 1 ACCOUNTING POLICIES

##### CHARITY INFORMATION

St Thomas's Dole Charity is an unincorporated association governed by a scheme of the Charity Commission dated 19 May 1972 as varied by a scheme dated 25 March 1986 as affected by resolution made under S74 of the Charities Act 1993 on 25 November 2010.

The charity's registered office is at the Diocesan Office, The Church of England, 190 Corporation Street, Birmingham, B4 6QD.

##### 1.1 ACCOUNTING CONVENTION

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), "Accounting and Reporting by Charities" the Statement of Recommended Practice for charities applying FRS 102, the Charities Act 2011 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015. The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £1.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

The charity has taken advantage of the following disclosure exemption in preparing these financial statements as permitted by FRS 102:

- the requirements of Section 7 Statement of Cash Flows.

##### 1.2 GOING CONCERN

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees' continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 CHARITABLE FUNDS

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used.

The purposes and uses of restricted funds are set out in the notes to the financial statements.

##### 1.4 INCOME

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Investment income is earned through holding assets for investment purposes such as shares and consists of income such as interest and dividends receivable. Where it is not practicable to identify investment management costs included within a scheme with reasonable accuracy, investment income is reported net of these costs and is included only when the amount can be measured reliably,

Interest income is recognised using the effective interest rate method and dividend income is recognised as the charity's right to receive payment is established.

**1 ACCOUNTING POLICIES**

(Continued)

**1.5 EXPENDITURE**

All expenditure is accounted for on an accrual basis, has been classified under headings that aggregate all costs to the category and irrecoverable VAT is included in the relevant cost category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

It is recognised under the following headings.

- o Expenditure on charitable activities.
- o Other expenditure representing those items not falling into the above categories.

Grants payable are charged in the year when the offer is conveyed to the recipient except in those cases where the offer is conditional, such grants being recognised as expenditure when conditions are fulfilled. Grants offered subject to conditions which have not been met at the year end are not accrued as expenditure.

Support costs are those that assist with the charity but do not directly represent charitable activities and include office costs, governance costs and other administrative costs.

**1.6 FIXED ASSET INVESTMENTS**

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in "net gains/(losses) on investments" in the Statement of Financial Activities if the investments are publicly traded or their fair value can otherwise be measured reliably,

**1.7 CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include deposits held at call with banks and other third parties.

***Basic financial assets***

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

***Basic financial liabilities***

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price.

***Derecognition of financial liabilities***

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

**1.8 TAXATION**

The charity is exempt from corporation tax on its charitable activities.

2 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

During the year, the charity awarded grants to organisations in which close family members of one or more of the trustees were involved.
