REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH SEPTEMBER 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30th September 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims for the Public Benefit

The Society is a Registered Social Landlord and, as such, its principal activity is to provide accommodation for the lonely and active elderly, in accordance with the aims and principles of the Abbeyfield Society Limited. The Society charges residents a minimal rent, which is often supported through local grants to ensure that its service benefits the disadvantaged and needy.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The ultimate aim of the Committee is to achieve full occupancy, though this is not always possible. This year, the Society had one void for the whole year

The financial statements show a deficit on ordinary activities of £12,721 (2020: deficit £6039) in the year ended 30th September 2021.

The trustees are well aware that the losses incurred this year do not bode well for the future. Trustees have cut spending where possible and are holding urgent meetings to discuss the future of the Society. It is likely that Room 3 will remain a void due to its small size; it has only been rented a couple times in the past 30 years and used to be a guest room for visitors. One loss reported this year is a one-off: £5754 the resident in Room 2 refused to take meals beginning in June 2016; the trustees have decided to accept his request and the £30 per week arrears were written off in August 2021.

The society continues to have a very successful core standards review which is assessed by an Abbeyfield inspector.

Committee and staff worked well together and we are very pleased with outcomes both for residents and the continued financial viability of Walter Large House.

FINANCIAL REVIEW

Investment policy and objectives

In accordance with the trust deed, the trustees have the power to invest in such stocks, shares, investments and property in the UK as they see fit. The Trustees have adopted a policy of investing in low risk investments that will allow relatively easy access to the Society's funds at any one time.

Reserves policy

The financial results for the year are set out in the Statement of Financial activities. The financial position at the year-end is shown in the balance sheet.

The Committee members consider the state of affairs of the Society to be at a critical junction, with the future of the Society at risk in 2021/22.

It is the policy of the Executive Committee to maintain the reserves of the charity for current and future charitable purposes, as well as the general upkeep of the property, in keeping with the Society's aims and objectives, not as a hoarding policy.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Society is a Company Limited by guarantee, a Registered Social Landlord and a registered charity governed by its memorandum and articles of association. The Society is registered under the Companies Act 2006 and the Housing Act 1996. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

The Directors of the Company are also charity trustees for the purposes of charity law and under the company's articles are known as members of the executive committee.

The members of the Executive committee who served during the year and since the year-end are set out on the charity information page at the front of these accounts.

In accordance with the rules of the Society, one third of the Committee retire by rotation and offer themselves for re-election:

Ms M P Campbell
Mr G Pratt

Recruitment and appointment of new trustees

Potential new trustees are recruited usually by way of an approach made by existing trustees. The trustees of the society receive no remuneration and so it is important that potential trustees have the time and interest to commit to the Society. Following a formal screening process and subject to DBS checks, the applicant is then formally elected at a board meeting.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE ABBEYFIELD DEPTFORD SOCIETY LIMITED**

Independent examiner's report to the trustees of The Abbeyfield Deptford Society Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30th September 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2021**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Donations

Voluntary income is received by way of donations, gifts and legacies and is included in full in Income and Expenditure Account when receivable.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvement to Property	- 15% on cost
Fixtures and fittings	- 15% on reducing balance

Future Cyclical Repairs and Maintenance

Major repairs and cyclical maintenance reserve is maintained by regular appropriations from the Revenue Reserve. The balance on the reserve represents the amount available to cover cost of such work.

Works to existing housing properties

Improvements to the properties that result in an enhancement of economic benefits are capitalised and works that do not, are written off under Repairs and Garden Maintenance in the Income & Expenditure Account.

Taxation

The Society is not registered for VAT. Accordingly, no VAT is charged to residents and expenditure in the Income and Expenditure Account includes the relevant VAT. The Society is also exempt from Corporation tax on the grounds that it is a Registered Charity. For this reason, deferred tax is also not recognised on gains or carrying values of fixed assets as any funds realised would always be used for charitable purposes.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements. There are no restricted funds.
