CUH&H Annual General Meeting

16th March 2026, 6:30pm

Agenda:

1. **Apologies for absence:**
   Milly Dickinson
2. **Financial Update** – *Neil Mathur*

Boundary Run

20 years after it started, the BR was discovered last year by the Council. We increased the entry fee by £2 to anticipate extra expenditure that might have included payment for the use of Coldham's Common, portaloos on Colhams Common, traffic management and medical cover. Simon Cornish (Sports Centre) led a discussion of our event with the local Safety Advisory Group, which includes people from the Council, so we were able to proceed without falling foul of any rules. In the end, the only new expenditure was on medical cover, and even this was not absolutely mandatory. Dan found medical cover for £750 (APC Medical & Training) as opposed to £2.5k (St John's Ambulance).

The income of 20k is second largest ever (25k last year).

Expenditure figures are not yet complete but if 7k like last year then profit is 13k.

Very well done to Dan and everyone else!

Paypal

After a lot of trouble, Cillian got Paypal to recognise our charity status, and therefore we will pay lower rates on all our transactions. He estimates that we will make a saving of £500.

Junior treasurer

Cillian has served a record three years and it has been a pleasure to work with him.

Audit
The accounts for the last financial year that ended on 30 June 2025 passed audit.

Charity declaration
I made annual declaration to the Charity Commission for 2025 in respect of our status as a registered charity.

Reconfirmation of the need for advance payments
Just to make sure everyone knows: any sign-ups involving a payment are only valid if accompanied by either the payment for items of known value (dinners and stash) or a deposit for items of uncertain value (BUCS and training camps).

Overall position
Boundary run profit is down by perhaps £5k.

A net reduction in membership fees (£4.4k → £4.0k) and donations (£1.4k → £1.0k) is balanced by a £1k saving of expense payments to John Eves, who has been on paternity leave.

The net income reduction of £5k represents 10% of total annual income and would eat into our savings if we maintain current levels of expenditure. The new captain and I will look into this when we make the spending plan in Easter Term.

As always, our major costs (several £k each) will be expenses to Phil O'Dell/John Eves, transport to races, subsidising BUCS, and subsidising Training Camps.

If everyone who leaves would please like to donate £10/year via the portal, then that would be much appreciated – Gift Aid will be added for UK taxpayers.

Dear Neil,
I am attaching a signed copy of the CUHH accounts. I have altered my title, as I was promoted last year - sorry to be pompous 🙄 Another great year for the Club with a healthy balance!
All the very best,
Paul
