The trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and Aims

The primary objective of the Military Intelligence Museum (MIM) is to uphold the traditions of the Intelligence Corps and to perpetuate its deeds. To achieve this objective, the role of the Trustees is to direct the staff to conserve, make accessible, interpret and modernise the collection and Corps archives.

The trustees aim to give effect to their vision by establishing a second element of the Museum in bigger and more accessible site. This project is managed by a separate CIO, in order to ensure that the current museum operation continues with its core role.

Activities

During the year to 31 December 2022 the total expenditure was £134,474 (2021: £150,742). The funds were used to continue the management of the collection and archive, and to open the Museum and Archive to the public free of charge. Displays have been updated and work was carried out to improve the fabric of the archive and to better catalogue the collection.

ACHIEVEMENT AND PERFORMANCE

Achievements and Performance

Recovery after the covid pandemic continued and visitor numbers from the public and from serving members of the Armed Forces have returned to average figures seen before 2019. After a short gap, we recruited a new Assistant Curator, who started work in February 2022, and, after successfully completed a probationary period, has taken on increasing responsibility for designing new displays and hosting visitors, as well as managing the website and online presence. A productive campaign to raise funds for a display trailer, resulted in the completion of a MIM-branded mobile exhibition which will be used to spread understanding of military intelligence across the community. This also allows the Museum to reach groups who may not wish to visit a military establishment.

FINANCIAL REVIEW

Financial position

Total income for the year amounted to £113,586 (2021: £138,377). Total expenditure amounted to £134,474 (2021: £150,742). The museum had net outgoing resources for the year of £20,888 (2021: £12,365). Total funds to carry forward at 31 December 2022 were £180,772 (2021: £201,660).

Principal funding sources

The primary sources of income are:

- Donations
- Grants
- Subscriptions from the Friends of the Intelligence Corps Museum (life membership or annual subs)
- MIM staff capitation costs are paid for by the MoD

The Museum also received tax reclaimed under the Gift Aid Scheme.

Reserves policy

The Trustees agreed that there would be no commitment to any expenditure unless sufficient funds were already available. The Trustees have agreed a cash reserve policy of £20,000 to remain in the charity bank account.

FUTURE PLANS

The MIM aims to establish long-term sustainability through the project to a establish second, bigger and more accessible, site and as noted above the museum has established a separate CIO to undertake the project so that the existing museum can continue to operate as normal during the process. The existing Museum site will then be further developed.

Independent examiner's report to the trustees of THE MILITARY INTELLIGENCE MUSEUM
I report to the charity trustees on my examination of the accounts of THE MILITARY INTELLIGENCE MUSEUM (the Trust) for the year ended 31 December 2022.

Responsibilities and basis of report
As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement
I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Depreciation is provided on fixed assets at rates calculated to write off the cost or valuation less estimated residual value, of each assets its expected useful life as follows:
