

TRUSTEES REPORT NOTES

The Objectives and activities of the Association remain the same.

Members of Council work closely with Swim England, and the NCSS.

Our volunteers continue to work tirelessly for the Association.

The Association were able to send a team able bodied and para athletes to the ISF u.15 games.

Financial restrictions have meant the Association have tailored their activities, and there will be no Diving or Inter Divisional Champs.

The competitions remaining, Secondary Teams, Primary Teams and Water Polo Are all Individual School based, a move that the Trustees support.

In addition the Association run an Open meet, which brings in a considerable amount of money. A new 'schools league' is being developed for the forthcoming years.

Our investments remain stable through prudent work from our Treasurer.

In summing up The Trustees are very happy with the way the Association is being managed and look forward to a year of change and success
