Achievements and performance

Financial review

The Directors and Trustees have had to consider the short, medium and long term priorities for Every Home For Christ UK in light of the ongoing financial difficulties imposed by the long term effects of Coronavirus and the rising cost of living crisis.

Wanting to protect and increase the income of the charity during this financially challenging time, the Directors and Trustees are exploring ways to cut back on operational costs. We continue to share our newsletter bi-monthly to compensate for the rising costs, in particular those of postage. We have also closed down our storage unit and in 2026, negotiated a rent deduction.

The comparative figures for 2024 have been restated to correct an over-accrual of grant expenditure of £13,437, against which £10,849 was actually distributed. The over-accrual has been released, increasing the restricted fund balance brought forward at 1 January 2025. Further details are given in note 15.

Financial Reserves

The Directors have established the level of reserves that the company ought to have. Reserves will be defined as funds that are freely available, separate from those that are designated gifts or those that are set aside and designated for future specific purposes.

Reserves are required to bridge the gap between incoming resources from donations and events and spending on running costs (office and newsletter) and commitments to the international ministry.

The Board of Directors, allowing for 3 months running costs for office and newsletter commitments to international ministries and provision for urgent humanitarian aid, consider that the ideal level of reserves would be £12,000 for 2025.

At times outgoing costs exceed incoming income although EHC Australia continues to offer financial support to Every Home For Christ (EHCUK).

Principal funding sources

Funding is solely from supporters on the EHC database.

Future Developments

A number of projects are in the works for the next financial year (2026) including the International board agreeing to appoint a part-time Ministry Director UK. There will also be conversations around the transition of EHC UK to fall under the EHCI (Eurasia) Banner at some point in the future.
EHC Australia still commit to supporting EHC UK for the time being with reconsideration of the situation in March 2026. Funding options would also be undertaken to support a paid ministry person for EHC UK to try further the potential of EHC UK to grow EHCUK in both evangelism and humanitarian aid.

Together with EHC Australia, EHC UK will be looking at initiatives to increase our presence in the United Kingdom and ways to increase financial support from our donor base.

Structure, governance and management

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

G A Bondar
J D Llewellyn
A G Stone

Recruitment and appointment of new trustees

As a charitable organisation and a limited company, EHCUK needs to ensure that it recruits people to serve on its board with the appropriate skills, aptitude and commitment. Board membership is a chance to learn new, diverse skills and ways of working. Each board member has a role in the charity's operation, and not one trustee is more important or accountable than any other.

Although EHCUK Trustees are not paid for their services, this does not mean they are 'amateurs' or unprofessional. Trustees have an important say in the way the charity supports and provides services.

Trustees have the ultimate responsibility for the management and administration of the organisation. As a limited company, they do not have personal liability for the finances (unless there has been negligence) and they are the 'employers' of all the staff. Trustees must act prudently at all times in the best interests of EHCUK and its users, and are accountable for the proper management of the charity and its assets.

Recruitment & Selection

Trusteeship is a skill that grows over time with experience - and with training where necessary. But the better EHCUK handles the selection, recruitment and induction of new trustees at the outset, the greater the immediate contribution they will be able to make to the quality of EHCUK governance and its work. This is likely to produce, not only better results for those EHCUK is there to help, but also greater confidence and fulfilment for the new trustees themselves.

Identification of potential Trustees

EHCUK currently uses its own networks and contacts to identify potential members. Potential members are approached in person by the Chairman or another Trustee and asked if they are interested. EHCUK may openly recruit Trustees, placing an advertisement in the appropriate press.

Induction and training of new trustees

Information

In addition to the Annual Report and Accounts previously sent, new Trustees will be sent the following information:
a) EHCUK governing document - Memorandum and Articles of Association
b) Mission statement
c) Minutes of the last year of board meetings
d) Companies House Form 288a - appointment of Director
e) A copy of Companies House Director and Secretaries Guide
f) EHCUK appropriate policies
g) The most recent set of management accounts
h) Board schedule
i) Contact details of other Trustees

Training

EHCUK wishes to invest in the training, support and development of its trustees, as with its members of staff, in order to increase the contribution that the board can make to the charity's management.

Courses

If demand is required from the Board, EHCUK will endeavour to hold a training day on a specific topic for all board members on the same day. Alternatively, relevant courses may be appropriate which can be conducted externally or internally.

Briefing at Board Meetings

If demand is required, EHCUK will arrange for a briefing to take place as part of a Board meeting.

Budget for Training

EHCUK will pay reasonable Board Travel and Expenses.

Organisational structure

The charity has its Board of Trustees and one part time office employee.

Wider network

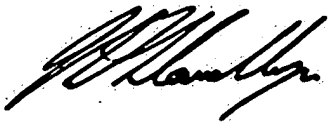

EHCUK works in partnership with other EHC offices around the world and reports activities to the International Office based in Colorado, USA. No financial support for the UK is derived from the International office. EHC worldwide has an International President and Regional Directors.

Related parties

The charity employed Mrs. L. Stone, on a part time basis to deal with administration matters.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.
The trustees' report was approved by the Board of Trustees.

EVERY HOME FOR CHRIST

INDEPENDENT EXAMINER'S REPORT TO TRUSTEES OF EVERY HOME FOR CHRIST

I report to the charity trustees on my examination of the accounts of Every Home for Christ (the charity) for the year ended 31 December 2025.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants of England and Wales.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or

2 the accounts do not accord with those records; or

3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination: or

4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report to enable a proper understanding of the financial statements to be reached.

1. Accounting Policies

Charity information
Every Home for Christ is a private company limited by guarantee incorporated in England and Wales. The registered office is 44 Brick Farm Close, Richmond, TW9 4EG.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Trust Deed, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

The Covid pandemic and ongoing cost of living crisis has impacted on the charity's fundraising income. As a grant making charity with few ongoing commitments, this will impact on new grants that can be made in the short term rather than affecting the ability of the charity to continue as a going concern. Every Home for Christ Australia (Every Home Global Concern Ltd) undertakes to underwrite any financial shortfall in the operations of EHC UK.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

(Continued)

1 Accounting Policies **(continued)**

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time of the friends is not recognised, The Trustees' report should be referred to for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in the period of receipt.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefit will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities and Governance costs are costs incurred on the company's educational operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but accrued as expenditure.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	25% on reducing balance
Computers	25% on reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

In accordance with FRS 102 the prior year figures have been restated retrospectively. The effect is to reduce 2024 restricted fund expenditure by £2,588 and increase the restricted fund balance brought forward at 1 January 2025 from £22,720 to £25,308.There is no effect on the 2025 net movement in funds, and unrestricted funds are unaffected.

16. Related Party Transactions

During the year ended 31 December 2025, Adrian Stone was a director and charity trustee of Every Home For Christ.

The charity purchased video production and advertising services from Stoneworks Productions Limited, a company connected with Adrian Stone, amounting to £8,350 during the year. The charity also paid management fees of £1,500, representing £250 per month for six months from July to December 2025.

The total value of related party transactions during the year was therefore £9,850.
