The Group Scout Council is asked to approve that recommendation with approval from the floor by show of hands.

5. **Review of the year**

   This is the 86th Year of scouting in Harlington, going strong and we're seeing a growth in numbers – fantastic to see. We have had a lot of changes this year including the widening of our former District of Hayes & Harlington. Going forward, this new District will be known as Hillingdon West and will capture the area between Heathrow and Harefield.

Although overall numbers did fall by 2% last year, we have been working on recruitments within local schools, participating in school events, parents days and various school fayres including crafting with young persons. New contacts have been made within the schools and PTAs and early results are proving very beneficial. Lots of new parental interest and higher profile recruitment has increased are young members and steps have been put in place to increase our face of social media

Each of the 3 sectional age groups provided an overview of their key activities and achievements over the past year. There was also news and details regarding a large district camp for all young members over the summer break.

Training and on-going mandatory training continues for all adults involved in Scouting including key categories of first response, safety, safeguarding and GDPR.

The Group Lead Volunteer took the opportunity to thank all the leaders for their time in these volunteering roles. He also thanked the young people for their enthusiasm and keen interests and to the parents for supporting their children.

6. Making appointments

The Chair notes to the Group Scout Council members present that this part of the meeting sets the charity up to be well-led during the period until the next AGM. Particularly, the Group Scout Council appoints a Trustee Board to ensure good governance for the charity over the next year.

6a The Group President Elaine Turner was re-appointed to the role. A show of hands was provided as approval.

6b The Group Chair Ritu Johnson was re-appointed. A show of hands was provided as approval.

6c The Group Secretary Jenny Cook was re-appointed. A show of hands was provided as approval.

6d The 'Group Treasurer, Jackie Callan was re-appointed. A show of hands was provided as approval.

Several parents also registered an interest to support our Trustees.

7. District Commissioner's address

We are now part of a wider district called Hillingdon West, which means there are more people involved in activities, at the camp in a few weeks we will have more than 450 young people in attendance.

It is so good to see such great parent participation and to share in the running of the group. The group always get involved with local events and running their own activities.

The group is in good financial position and although numbers have been low things go in waves and are picking up. It is often a struggle to recruit members but the best form of recruitment is talking to friends and sharing how vibrant the group can be.

Thank you for your time tonight and coming to the AGM.

8. Closing

The Chair thanks all for attending and we finish with a sale of refreshments and plants.

Beaver Section review June 2026

So another fun filled year packed with activities, games and badgework has passed. We have celebrated many events and festivals such as Diwali, Halloween, Easter and Christmas with plenty of opportunities for trying out new things, such as treasure hunts, creative building challenges.

Some of the more enjoyable activities we have been working on as part of our badge work were, making fruit kebabs with many different fruits.
We made cakes and iced them; created pizzas, adding our own toppings we liked.
Our building badge brought out the creative talents as they designed and built their own creations using Lego and clay.
Our air activities badge once again saw us creating our own aeroplanes, flying them and a competition to see who could fly their plane the furthest. We then went on the photography badge, learning how cameras work, having lots of fun and creating our own photobooks.

We also had opportunities to reflect when we looked at the significance of the poppy for Remembrance Day and we learned about our patron saint in preparation for our St Georges day when we proudly marched through Uxbridge in our uniforms. Outside the Civic centre, we renewed our Promises.

As our numbers continue to grow, it has given us the opportunity to try out lots of new badges and look forward to this summer term to try more adventurous activities outside.

We now turn our heads towards are Beaver funday on June 20th when we can try out the many outdoors activities at Paccar camp site and join our Cubs and Scouts at their own camp.

If you have a friend or know someone who would like to join in with our fun. Please let them know where to find us. It's free to try out.

We have a great team however as we all have work and family commitments and sometimes are not able to attend, it would be amazing if any parents or friends could join the team as occasional helpers to assist us in making Beavers the best it can be for our young people.

Finally I would just like to thank everyone who helps and supports us at 2nd Harlington.

Beaver Scout Team Leadership

2nd Harlington Cub Scouts
Annual Report - 2025 - 2026

I would like to begin by thanking all of our Cubs for their enthusiasm, commitment and energy throughout the past year. Their willingness to get involved, try new activities and support one another continues to make Cubs a fun and rewarding section to lead. I would also like to thank all of our parents and carers for their ongoing support, whether through bringing children to meetings, helping at events, or encouraging them to take part in Scouting.

We currently have 14 Cubs attending regularly and have welcomed several new members during the year, both from Beavers and from outside Scouting. It has been fantastic to see the pack continue to grow and develop. With a number of our older Cubs due to move up to Scouts over the coming months, recruitment will remain an important focus as we look to maintain a strong and active Cub pack.

This year we have awarded an impressive 179 badges across a wide range of activities and skills. I am also delighted that two of our Cubs will achieve their Chief Scout's Silver Award this year, the highest award available in the Cub Scout section. Several more Cubs are already making excellent progress towards achieving this award over the coming months.

Our Cubs have enjoyed another busy and varied programme throughout the year. One of the highlights was our visit to Paccar Scout Camp for the FunFest and Circus event. The Cubs enjoyed a wide range of activities, including circus skills, pedal carts, soft-tip archery and axe throwing games, before watching an excellent circus performance under the Big Top. It was a fantastic day enjoyed by everyone who attended.

We were proud to retain our District Bowling title this year, once again finishing in first place. Our Cubs also represented the group brilliantly at the District Dodgeball Tournament, finishing in second place. Having won the competition for the previous two years, there was naturally some disappointment at not retaining the trophy, but I was incredibly proud of the way the Cubs conducted themselves throughout the evening. The tournament was larger than ever before, with significantly more teams taking part, and our Cubs showed excellent teamwork, determination and sportsmanship.

Other highlights included our Halloween and Christmas celebrations, taking part in the Remembrance Day Parade in Harlington, attending the District St George's Day Parade in Uxbridge, and our ever-popular Water Olympics at the end of the summer

term. The water pistol battles left both Cubs and leaders completely soaked and everyone had a fantastic time. We are already looking forward to doing it all again this summer.

I would like to thank Sonia, Meenu and Steve Callan for their continued support throughout the year. A special thank you goes to Steve for his ongoing guidance and assistance, which remains invaluable to both the Cub section and the wider group. I would also like to recognise our Explorer Scout Young Leader, Aasiya, who joined the team this year and has made a fantastic contribution. She has quickly become a valued member of the leadership team and has been extremely popular with the Cubs.

Like many Scout groups, we occasionally feel the pressure when leaders are unavailable due to holidays, illness or other commitments. We would always welcome additional occasional helpers who may be able to assist from time to time. Equally, if anyone has a particular skill, hobby or interest that they would be willing to share with the Cubs, we would be delighted to hear from you.

Looking ahead, we are excited about District Camp and the activities planned for the coming year. Our focus will continue to be helping as many Cubs as possible achieve their Chief Scout's Silver Award, spending more time outdoors, making greater use of our grounds, and continuing to provide a fun, varied and adventurous programme. We are also exploring opportunities for future camping activities closer to home.

Thank you once again to everyone who has supported 2nd Harlington Cubs during the past year. I look forward to another exciting year of Scouting and seeing our Cubs continue to grow in confidence, skills and friendships.

Scout Section Annual Report 2025-2026

As the Troop enters another year, lets recap on the busy year we have just completed.

We have had a busy time during Troop nights, here at HQ. We made use of the light evenings, in May, to polish up on our fire lighting skills and spent one evening enjoying backwoods cooking. This is when food is cooked on an open fire, we cooked eggs in hollowed out potatoes wrapped in foil. We have also taken part in a pioneering exercise, we had several simple knots and lashings tasks to complete before we built a simple rope ladder, then had fun testing it. The Troop were very lucky to have had 3 new tents donated to them from Gilwell Park, National Scout HQ, which were left over from the World Scout Jamboree. We erected them at our H.Q and had our photos taken standing around them.
After the summer break we were back to the evenings drawing in, so we concentrated on skills and badge work, such as packing a rucksack, team building skills, alphabet quiz, clay modelling, map reading skills, fire safety and DIY. I'm delighted to say that Circus Skills, Craft, Environmental Conservation, Sport Enthusiast and Fire Safety badges have been awarded this year, along with two Chief Scout Gold Awards, this is the highest award Scouts can be presented with. These were awarded to Acer Blake and Phoenix West. Acer and Phoenix were also nominated and awarded with the Jack Petchy Foundation Award. They were presented with a Medal and a cheque for £300 each to be used for anything of their choice, that will benefit the Troop , so huge congratulations to you both, on your awards.

The Troop have taken part in 7 District events this year, the first being the Archery Competition, held at 2nd's HQ which I'm delighted to say we won. The Funfest, held at Paccar Scout Camp, this is where we earnt our Circus Skills badges, 3 weeks later we were at St Peter and St Pauls Church in Harlington for the Remembrance Day Parade. Then into 2026, we were at 5th Hayes HQ for the cooking competition, although we unfortunately didn't win, we had a great time and produced a good menu. Next we were off into central London to the Science Museum for the London Adventure. Our next outing was in Uxbridge

for St. George's Day Parade. We marched through the town with the Air Cadet Band and were met by the Mayor at the Civic Centre were we all renewed our promise and remembered our Patron Saint, St George, on the forecourt of the Civic Centre. We have just finished our year with the District hike. This year it took place at the Ridge Way, Buckinghamshire. We left Hayes Saturday morning and travelled to Tring, to commence the hike. We walked to Ellesborough and camped overnight at the Guide Centre. We then continued Sunday morning to Chinnor having completed approximately 20 miles over the weekend. So well done to those who took part.

It now only leaves me to thank you, the parents, for supporting our Scouts and the Scouts themselves for their hard work and dedication. They are a credit to you and the Group.
It now just leaves me to say, a huge thank you to the Scout Leadership Team who give up so much of their spare time volunteering to provide a fantastic, fun and engaging programme of events and activities for the young people, here at 2nd Harlington Scout Troop.

Here's to another great year in Scouting.

Jerry Marriage
Scout Section Leader

Group Lead Volunteer's - Annual Report June 2026

Welcome to our 88th 2nd Harlington Scout Group annual general meeting.
2nd Harlington Scout Group is a well-established group (since 1938), and it continues to serve the Hillingdon West area very well. Our sectional Scout reports (provided within your pack), show what has been happening in our sections and our busy programs highlight the many indoor and outdoor activities, District competitions, visits, and other progressive news.

Hillingdon West Scout District (of which 2nd Harlington is a large unit) continues to grow Our District wide activities and camps provide a great bonding occasion.

Whilst our overall numbers at 2nd Harlington have grown on last year. Our individual sections fluctuate as Beavers grow into Cubs; Cubs grow into Scouts and unfortunately at 14 years, we see Scouts move out to a District based units of Explorers.

Continual recruitment is key to ensuring new members come in and again this year various events have raised the profile of our Group.
District events like St George's day parade (Uxbridge) and Remembrance day parades will always provide a visual opportunity for parents to make enquires.
2nd Harlington had also taken the initiative and provided an afternoons entertainment at Cranford Park academy with crafts and challenges and very useful as our leaders talked to both parents and young people about joining us.

Key Activities – All 3 sections run active weekly programmes, many of which are themed occasions and are fun-based learning opportunities for our young people and earn themselves badges and awards to show off with.

We believe that such activities are the key to success as they offer such different and varied opportunities to gain experience to those life skills Scouting is renowned for.

Leadership & Training - Our leadership team has established itself well with a real enthusiasm for training and personal development. This year Meenu and Sonia renewed their first aid, Karen, Gary and Jerry refreshed their own skills. Steve Turner is also congratulated for earning the Scout District award for his event organisation skills.
All these skills will benefit all our young people, but our leaders have these personal experiences they can transfer into their everyday lives. Well done everyone.

I would like to formerly record my thanks and appreciation to Jerry, Steve and Glenn in Scouts. To Jacq who helps them out between teaching and other Scouting duties across the District. To Gary, Sonia, Meenu and to Aasiya (Young Leader) in Cubs. To Karen and Kim in Beaver Scouts. All of which are volunteers who give up their time and volunteer for the benefit of our young people in the sections.

Over the past few years, we have been lucky to have a steady body of Trustee members who strive to improve our facilities and oversee the management of the Group. These parents have a busy enough time with their own families, so I take this opportunity to thank Ritu our Group President, to Jackie (Secretary) and to Ayisha (Treasurer) and to all members of the Trustee board for their time and efforts.

Funding the costs of running this Group and this hall doesn't come easy, and we remain dependent upon others using the hall to help cover these costs. The tireless efforts of our Parents and Leaders and Trustee Board is very much appreciated to those who help us maintain the site.
Without this support, we may not have been able to offer your children the benefits we are seeing today.
It does however mean a lot of work, time, and effort for our such a small band of volunteers.

If you feel you can support this Group in anyway, be it as a volunteer leader, occasional helper, a valued member of our Scout Council/Trustee or as a friendly face to help keep the hall maintained with just a small amount of time. Why not stand up and be counted.

Roles for leaders, occasional helpers and skill providers are always welcome. Training is provided and includes Safe-Guarding; Safety; First Aid and many other skills and is all provided free of charge.
Of course, much of this training is transferable into your everyday lives and invaluable on your future CV.
Please do speak to me or one of our Leaders. It really does not matter how little. Together we can share in the future of your children.
