Sutton District AGM

Minutes of the Sutton District Scout Council AGM for the year ending 31 December 2024

Thursday 17 June 2025, 8.00 pm at the District HQ

1. **Welcome.** Ian Bowdler, District chair, welcomed attendees to the AGM and introduced Lisa Green, District Lead Volunteer; Janet Cantrill, District treasurer, Owen Purcell, County Lead Volunteer and Julie Findlay, County chair, Board of trustees.
2. **Apologies for Absences.** None.
3. **Governance**

- The Minutes of the 2024 AGM (20 June 2024) meeting were approved as a true and accurate reflection of the meeting.
- The Scout Association model constitution from Policy, Organisation and Rules (POR), was adopted as the constitution for the Sutton District Scout Council by the meeting. A copy has been placed on the Sutton District Scouts website, along with a copy of the AGM report, for easy access.
- The Sutton District Scout Council financial year was noted as being 1 January to 31 December.
- Agreeing the maximum number of appointed members (ex-officio, appointed and co-opted) of the District Trustee Board: The meeting approved the trustee board recommendation of a maximum of 12 persons, in line with POR.
- Agreeing the quorum for future meetings of the Sutton District Scout Council: The meeting approved the trustee board recommendation of a minimum of 15 persons.

4. **Annual Report and Statement of Accounts 2024 for review and consideration**

a. **District Lead Volunteer report:**

- DLV thanked everyone for making her so welcome in the last few months as she took on the role.
- Moving to a new structure following Transformation and over the next few months will be recruiting and moving people into these new teams: programme, volunteer development, support and 14-24 team.

- Programme highlights: three new squirrel dreys and a broad range of events and activities for different sections.
- Thanks to:
    - Paul Goldsmith for the Beaver campfire which Claire is organising again this weekend,
    - Ben Pearcy for running the sailing and night adventures for Scouts
    - Ian Mellor for the annual ski trip.
    - Paul Green and the service crew for the caving and the gorge walking camps.
    - Leslie Button who approves countless nights away applications on the new digital system and along with Ian approving permits.
- Many young people achieved top awards and these are listed in the annual report with over 50 young people achieved Chief Scout Bronze award; over 40 achieved their silver, over 30 their gold; 3 young people from our Explorers have achieved Chief Scout Platinum award.
- Support highlights: our service crew, popped up at many events and activities providing support across the District as well as running the climbing wall; new digital management system – a huge thanks to Ian Mellor, our IT team lead who supports with our website and Microsoft 365; property and equipment team includes Dave Pearcy who looks after all the equipment and stores as well as Harrow Road, and Jim Dimmock looking after the District HQ.
- Volunteer development team highlights: all volunteers should have a welcome conversation and our accredited volunteers Sarah, Ben, Ian and Claire are now working through our backlog. Learning is the new word for training – please check your records to see what learning is outstanding; given out over 50 Long Service Awards, 40 Good service awards and 30 adult wood badges to our volunteers - thank you Susan, for diligently receiving and making sure all the young people and adults get their awards.
- 14-24 team highlights: 127 young people are part of our Explorer section and many are helping as young leaders or undertaking DofE. Membership of Explorers has grown but dropped in Network section – so a priority is to look at how we can enable our young people turning 18 to stay with us and how can we enable our 14-24 provision to work better together so that all young people leaving Scouts can join Explorers irrespective of the Scout group they are leaving.

- Final thanks to everyone who gives their time and energy to support Sutton Scouts – it is really appreciated with a special recognition for Claire Pearcy for sharing her wisdom and knowledge. Claire has agreed to take on the Volunteering Development Lead for Sutton.
- Lets focus on young people can find a safe space to build relationships and grow in confidence and skills, whether that's in Scouts, Girlguiding, cadets or other youth organisation or club. Research shows that if you can engage young people before the age of ten they are more likely to remain engaged when those tough teenage years come along. So for us, our squirrels are growing but cubs and beavers membership has plateaued and the number of Scouts and adult volunteers has dipped. So, let's tell people what we are doing, invite them to join Scouting in Sutton – use your social media – share your stories with the District Facebook – let us know what you are up to.
- A compilation video created by Dave Pearcy was played to showcase the activities undertaken in Sutton District this year.

b. District Treasurer report

Due to a change in accounting practice, whereby some costs are now accounted for in full at the time they are incurred instead of being proportioned across a 12 months period e.g. insurance costs, the District made a technical loss in the year under review. This accounting practice change was undertaken to make the accounts more transparent.

c. Questions from the floor on the report (and those submitted in advance):

- **What is the development plan for District reserves?** The trustee board have been considering the repurposing of the Abbotts Road site to a District store and activity centre. However, there are challenges to doing so, which include dealing with asbestos contained within the site and the amount of other remedial work needed to bring the building and site back into use. Despite the District having a relatively large reserve, the Trustee board do not feel they have the expertise to manage a project to restore the site and are concerned that costs could spiral to the detriment of the future operation of the District. The District has therefore asked the County for assistance and discussions will take place on how to take this project forward.
- **What are we spending our money on?** Currently, funds are mainly spent on maintaining and financially supporting the three sites that are the District's responsibility. Additionally, there is a support fund for young people to attend activities e.g. jamborees and internationals, and to assist Groups with general hardship cases.

- **What is the district plan for explorer units and access to them from groups not "linked" to them. I have had to say goodbye to 8 scouts this year as units are saving places for "their" group?** Explorers is a District provision and although Units may be linked to Groups an Explorer is welcome to attend any of Unit in or out of District. As we look at our vision going forward for Sutton the 14-24 year team is a priority to grow the opportunities for young people in our District.
- **What is the District reserve policy?** Extract from annual report:

Reserves Policy:	The accumulated reserves are represented by the General Fund and are free reserves which have been built up over time to cover future expenditure on projects and meet ongoing running costs. It is considered that the minimum reserve to be held at any one time should equate to twenty-four months running costs for the District's properties excluding associated income, which is approximately £30,000.

- **Who is the district data controller?** This is about the management of personal data and GDPR. This is not a who but a what. Sutton District is the data controller but each Local Scout Group, District and County are their own distinct data controllers and includes everyone who handles personal data. Each District and Group has a Data Lead – that sits automatically with the Lead volunteer. In our District we also have Ian Mellor as the IT lead. Any data handled by the District should be through the membership system, using OMS or for events JotForm. Anyone on the District email list signs up and every email has an unsubscribe button.
- **How optimistic do the Trustees feel about Scouting in Sutton on a scale of 1 to 5 and why?** 4 – the District is continuing to grow and return to pre-covid numbers; it has a full Trustee board and a new District Lead Volunteer. Events like St George's Day demonstrated the desire for adult volunteers and young people to be part of something bigger. Over the next year we will focus on building our District teams and building relationships and opportunities, but it's quite an uphill journey with limited people in District roles and few processes in place.

5. Appointments

- The Chair and Treasurer were appointed for three years in 2024 so remain in role until the 2027 AGM.
- The three trustees whose tenure expired this year – Gavin Merivale, Lisa Watson and Katie Hollis – requested to stand for another year and the trustee board recommend their appointments. The District Scout Council approved the recommendations with a majority vote (one vote against recorded).

- Proposed that Ian Bowdler is appointed as the representative for Sutton at the County Scout Council following Paul Green stepping down. Approval given.
- Appointment of Independent Examiner: Steve Barnes, who undertook the accounts examination, was appointed as the Independent Examiner for a further year was approved.

6. **County Lead Volunteer (CLV) comments:**

- The appointment of a new District Lead Volunteer has boosted the attendance numbers at the AGM.
- The video demonstrated the return of Scouting to normal with fun activities.
- Congratulated the District for being the most active in County with camping which is shared regularly on social media.
- On-line training – the District was reminded that the 14 July deadline was approaching and that 676 people in County still needing to undertake the on-line training – there would be no exemptions or extensions and if not completed by the deadline, then those adults would not be able to attend section meetings or continue as a volunteer in scouting. The CLV asked everyone to help keep the promise to a family who lost a child and help teams to complete this.
- The CLV thanked everyone for all the hours they give every week so that young people can grow, be safe and try new activities.
- Finally, the CLV encouraged the leaders to talk and share knowledge so that they can work across Groups and he looks forward to seeing Sutton District regrow.

7. **Presentations.**

- Caitlin Coleman presented Michaela and JoJo with their Young Leader awards.
- Deputy Lieutenant Certificate presented to Emily, Cheam Aviators.
- Bob Mann was recognised for his 50 years of service to Scouts.
- Jim Dimmock was recognised for his 61 years of service.

8. **Closing remarks.**

- Ian thanked everyone for all that they do in scouting and closed the meeting at 9.00pm.

Meeting closed 9.00pm

Chair of Trustees report

Chair, Board of Trustees report for year ending 31 December 2025

2025 has seen a year of renewal for Sutton scouting as the new District leadership team structure was adopted – this has been overseen by our new District Lead Volunteer (DLV), Lisa Green, - who tasked herself with ensuring positions are filled to ensure that, as a District, we can offer and organise events for all sections, welcome new volunteers and provide necessary support to District and Groups. As we all know, it can be difficult to find volunteers who have the willingness, time and commitment to undertake these roles in scouting, but with enthusiasm from our new DLV, we are getting there and the new teams are being formed and getting to grips with their roles. Thank you to everyone who has stepped up and is helping to deliver priceless experiences to our members.

Of course, there are several experienced District scouters who deliver District led activities year after year, and my particular thanks go to Paul Green for organising the annual caving and gorge walking activities, Ben Pearcy for the Sailing event and Night Adventure, and Ian Mellor for the bi-annual skiing trip. I know there are many others who are involved with these individuals in organising and making these activities happen and you are also very much appreciated!

In my role as District chair, I was pleased to visit a number of groups at their AGMs in 2025 – it is always good to meet the trustee boards, chairs, treasurers, leadership teams and hear about the wonderful scouting they deliver as well as the, almost universal, challenges they face to find long term team volunteers for their sections and Groups' trustee boards. I also attended the Trinity Scout and Guide Group (8th Sutton) bi-annual Gang Show earlier this year and, if any event shows how a leadership team comes together to manage 230 members – squirrels and rainbows through to scout and guide leaders - taking part on a minute-by-minute basis, then this is it! I thoroughly enjoyed the show and talking with Adrian Oliver (Trustee board chair) and David Crabb (Group Lead Volunteer) afterwards, their enthusiasm, despite the exhausting nature of planning and running the show (along with many others, of course), offers a clue as to why scouting provides such rich experiences to members and volunteers alike.

For 2026, the Scout Association's Strategy to 2035 - Place to Belong – will give renewed focus to scouting, its aims and, I hope, encourage volunteers to come forward to ensure that delivering high quality scouting remains achievable in Sutton and that young people truly do have a "Place to Belong".

I've name checked a few District leadership team members above, but as always the District wouldn't exist without the dedication of all volunteers at District and our 22 Groups, eight Explorer units and Network, whether team members delivering weekly meetings, occasional helpers or trustee board members, so thank you so much for your continued support to Sutton scouting.

Finally, I would particularly like to thank Lisa for her energy and commitment to the District Lead Volunteer role in Sutton scouting, which, in my eyes, has been very impressive in her first year and I am so pleased that she volunteered to undertake this important position with us.

Ian Bowdler

District Lead Volunteer's report

One year into my role and it's been a genuine privilege to meet so many dedicated and enthusiastic volunteers and young people across the District as well as building connections at County level.

I am delighted that our District Leadership team is beginning to take shape. We now have Claire as our Volunteering Development Lead, Matt as our Programme Lead and Leah and Cari-Ann as our 14-24 Team Leads. We are still looking for the Support Team Leads. To build strong and thriving Scout community in Sutton we also need people to get involved to support these teams as Team members.

Alongside this, we have also reestablished the District Leadership, Group Lead Volunteers and 14-24 team meetings and started to form a District Events Team, with a particular focus on opportunities for the younger sections. We are taking a measured approach to make sure these events are well planned and sustainable; meaning that these will not happen until later in 2026 to allow enough time for preparation.

One of my first priorities was to introduce a new approvals process. POR rule 9.1 requires the District Lead Volunteer to approve all activities with their Scout District. Some of this responsibility has been delegated to the Group Lead Volunteers to authorise. Oversight of the activities undertaken within the District makes sure that members are delivering safe and high-quality activities.

Over the past year we have also focused on understanding and strengthening our internal processes including developing a series of standard operating procedures. These help to provide clarity and consistency while helping to future proof how we operate as a District.

The Sutton Scouts website has also seen significant updates, and we will continue to expand this resource to make sure volunteers can easily to access information they need to run their groups effectively.

The number of volunteers and young people involved in Sutton Scouts has grown. A highlight being the successful launch of Sutton Network in November 2025, which compliments the existing Wallington Network.

GLSW District Lead Volunteers with Regional Lead Volunteer at the Jack Petchey award ceremony in November 2025.

Looking ahead, in line with the new Scout strategy our key focus in Sutton for the coming year will be: providing high quality programmes across all sections; improving volunteer recognition and strengthing connections to share skills and experience and expand our volunteer base across both District and Group levels. This isnt something a few people can do, lets all work together to create the postive change we want to see.

Finally, a huge thank you to every member of the District, our adult and youth volunteers, and young people, for your continued commitment, enthusiasm and hard work.

Best wishes

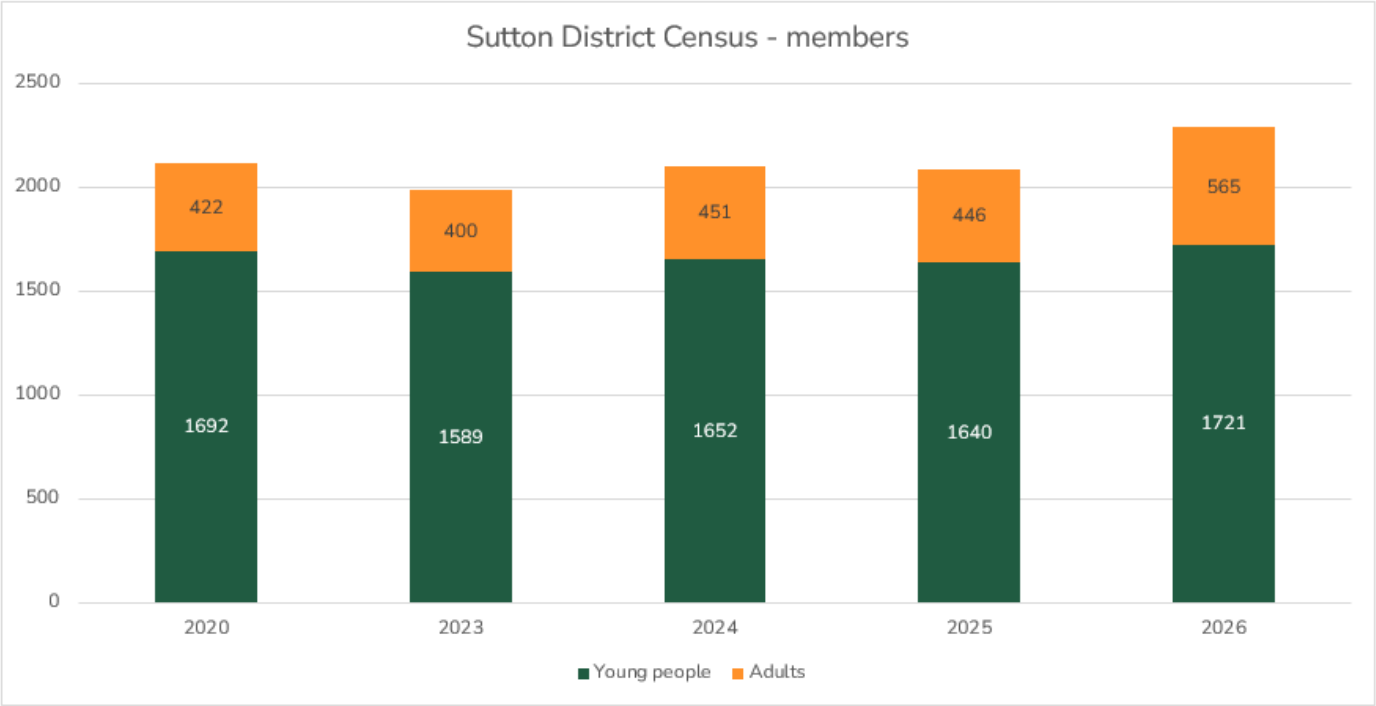

Lisa Green

*to the AGM date in that year

The trustees that had indicated they wished to only serve for one year (as shown above) have all indicated that they wish to be considered for re-election and continue their roles for a further one year period. Accordingly, the trustee board recommends that these trustees are appointed for a further period of one year. At the end of their term, they may choose to be considered for re-election. The roles will also be advertised to promote interest (internal and external) in joining the trustee board. The trustee board are responsible for recommending trustees to the District Scout Council, which ratifies (or not) their recommendation(s) at the AGM.

Katie Hollis is stepping down as a District trustee due to work and family commitments with effect from the AGM, although I am pleased to say that Katie will continue in her role as chair of the 8th Cheam Group. Katie's guidance, wise council and common sense will be missed.

Structure, Governance and Management

Type of governing document:	The District's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.
How the charity is constituted:	The District is a trust established under the Scout Association's rules which are common to all Scouts.
Trustee selection methods:	The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.
Organisational structure:	The District is managed by the District Trustee Board, the members of which are the 'Charity Trustees' of the District, which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission, as appropriate. The Trustee Board (from the 2025 AGM) consists of the Chair, Treasurer and six Trustees (including two ex-officio Trustees – the District Lead Volunteer and District Youth Lead Volunteer) and meets five times a year. Members of the Trustee Board complete Trustee learning within the first six months of joining the Board. This District Trustee Board exists to make sure the charity is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. Their support helps other volunteers run high-quality and safe programmes that gives young people skills for life.
Risk and Internal controls:	The Trustees have examined the major strategic, business and operational risks which the District faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen those risks.

Objectives and activities: **The Purpose of Scouting**

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

Sutton District Scout Council is responsible for Scouting in the London Borough of Sutton. The membership as at the 2025 census consists of 1,568 young people of both sexes between the ages of 6 and 18 years. The leadership of these young people is provided by adult volunteers, all of whom are unpaid. They are trained and appointed in accordance with the Scout Association's Policy, Organisation & Rules.

The Values of Scouting
As Scouts we are guided by these values:
Integrity - We act with integrity; we are honest, trustworthy and loyal.
Respect - We have self-respect and respect for others.
Care - We support others and take care of the world in which we live.
Belief - We explore our faiths, beliefs and attitudes.
Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method
Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:
- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

Public benefit statement: The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Achievements and performance: The District continued to pursue its objective of promoting and assisting in the running of Scouting in the London Borough of Sutton. Full details of developments, activities and achievements during the year are contained in the reports of the Chair, District Lead Volunteer and others, which are contained within this annual report.

Financial Review:

The District incurred a deficit for the year of £9,570 (2024 – deficit £5,392).

Investment policy:	The District does not have a formal investment policy. It endeavours to obtain the best possible return on its investments and cash balances. Fluctuations in markets can, however, result in the value of investments going down as well as up.
Reserves Policy:	The accumulated reserves are represented by the General Fund and are free reserves which have been built up over time to cover future expenditure on projects and meet ongoing running costs. It is considered that the minimum reserve to be held at any one time should equate to twenty-four months running costs for the District's properties excluding associated income, which is approximately £30,000.
Responsibilities of the Trustees:	Charity law requires Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and its incoming resources and application of resources, including the net income or expenditure for the year.

In preparing those accounts, the Trustees are required to:

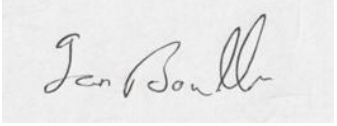

1. select suitable accounting policies and apply them consistently;
2. make judgements and estimates that are reasonable and prudent;
3. state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departure disclosed and explained in the accounts;
4. and prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for having proper accounting records kept, which disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Declaration:

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

Notes to the financial statements

For the year ended 31 December 2025

1. Principal accounting policies

Accounting basis and standards

The financial statements are prepared under the historical cost convention as modified by the inclusion of investments at market value, and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (SORP 1995), with the Financial Reporting Standard for Smaller Entities and with the Charities Act 1993.

The accounts have been drawn up on an accruals basis, which is consistent with prior years.

Leasehold land and buildings

The leasehold land was acquired at no cost. The buildings are stated at cost less accumulated depreciation. Depreciation is calculated on a straight line basis in order to write the asset off over a period of fifty years.

Investments

Investments are stated at market value, as required by the Accounting and Reporting by Charities:

Statement of Recommended Practice (SORP 1995).

Stocks

Stocks are recorded at the lower of cost or net realisable value.

Income

Income is included in the accounts when due and quantifiable.

Sailing Trip

Scouts from across the District set sail on an unforgettable offshore adventure in April 2025 with the Discovery Sailing Project. They fully embraced life at sea, crewing real offshore vessels and developing skills in helming, sail handling, navigation, and advanced manoeuvres like tacking and jibing, all while working together as cohesive teams. They also took responsibility for daily life onboard, from cooking to maintaining living spaces, showing maturity and resilience. Their efforts led to completing of Nautical Skills Stage 3, 2 Nights Away, and 8 Time on Water sessions - an outstanding achievement! The trip was both a fantastic adventure but also a powerful confidence-building experience. A huge thank you to the dedicated leaders Ben Pearcy, Leslie Button, Eddie Driver, and Katie White whose time, energy, and passion made this opportunity possible for our Scouts.

Night Adventure 2025

Night Adventure 2025 was an action-packed evening at Frylands Wood showcasing the very best of Sutton Scouts. Teams from across the District took on a challenging night-time trail, with imaginative bases testing strength, teamwork and quick thinking. Whether tackling the Bungee Run with determination, working together across rope bridges, keeping calm in the smoke-filled room, or applying lifesaving skills in the first aid incident, our young people rose to every challenge with resilience, enthusiasm, and fantastic team spirit. Their positivity and perseverance were inspiring, with impressive performances from all. Congratulations to our winners:

Main Event – The Tate Shield: 5th Carshalton.

ADC Award for Novice Team: 9th Cheam

Ray Shaw Award for Team Spirit: 5th Carshalton.

Events like this don't happen without a huge team effort, and our sincere thanks go to the dedicated leaders and volunteers from across the District who gave their time, energy, and expertise to create such a safe, exciting, and memorable experience for our young people.

The Night Adventure this year will be on the 21st November 2026 please mark your calendars.

Beaver campfire

On a very very warm and sunny Sunday afternoon in June, 80 Beavers from eight colonies joined together at Frylands Wood campsite for their annual campfire, singing and learning new songs and actions. Hotdogs, drinks and ice poles refuelled the Beavers, with tea and coffee for the leaders and more singing followed.

Special thanks to Paul and Julie for running the campfire and the refreshments, ably assisted by their crew from 3rd Beddington and to Claire Pearcy for coordinating the event.

St Georges Day parade

In April 2025 for the first time since 2019 over 500 young people from all of the sections from Squirrels through to Explorers and their leaders enjoyed a sunny morning parading along Sutton High Street and finishing in Manor Park to renew our promise.

A huge thanks to Dave Pearcy and the Service Crew, who organised the event with equipment, first aid, communicaitons and marshalling and the road crossings supported by Surrey 4x4. Its now firmly in our District event calendar.

Triple Birthday year

2026 will be a big birthday year celebrating five years of Squirrels, 40 years of Beavers and 110 years of Cubs since they rolled out across the UK.

Plans are in place for Sutton with a weekend of fun in September 2026 to celebrate with a special birthday party for Squirrels and a circus spectacular for Beavers and Cubs. A huge thank you to the volunteers making these happen.

Nights away

It has been a year of transition for nights away. We are using the new, national membership system for applying for nights away permits and submitting Nights Away Notifications.

Firstly, thank you to everyone for your perseverance with the new system and the problems we have all had with it. It is slowly getting better.

It became obvious that there were a lot of common reasons to not be able to approve a nights away event. To aid everyone, there is now a page on the District website to help you get your NANs approved first time (which is what we want). See the link to the document on Sutton Scout website under info for volunteers > programme > nights away.
https://suttonscouts.org.uk/nap

This web page will be updated from time to time as rules and best practices change, so please refer to it regularly.

This last year both permit applications and NAN have increased. This is encouraging for the team, that there is enthusiasm across the District to provide young people with these experiences. Afterall, Scouting started with an experimental *camp*, not a one-hour meeting in a church hall!

Please remember that it is a permit holder's responsibility to renew their permits, not the assessor to remind people. Please keep an eye on your nights away permit expiry dates and apply for renewals in at the appropriate time.

If you wish to apply for a new permit, please contact either Leslie.button@suttonscouts.org or Ian.mellor@suttonscouts.org.uk first, before applying on the membership system. Ian can assess up to and including campsite and Leslie can assess all categories.

Holland

In August 2025 37 Members of 4th Worcester Park, including Scouts, Young Leaders, and Leaders set off by coach, ferry, and coach again to Apeldoorn, Holland. We stayed with Scoutinggroep JJB at their HQ in the forest in Apeldoorn. 4WP have been twinned with JJB for over 50 Years, while there we visited local places, rode on a steam train, went to the amazing High Ropes course in Berg en Bos Park. We also went swimming, did backwards cooking, and played a variety of wide games. We spent a day in Apeldoorn looking for different aspects of Dutch life. We spent a lot of time with our Dutch friends at JJB and formed lasting friendships. Since going there last summer, some of our leaders have already been back a total of three times. We look forward to welcoming JJB back to the UK in 2027.

Norway

July 2025 saw 10 Explorers from Cheam Aviators and 3 Leaders headed off to Norway for a two-week adventure.

The trip started in Oslo with two days sightseeing around the capital.

A two-hour train journey then took us to the Norwegian Jamboree at Gjovik, joining 10,000 young people from 30 countries across the world. An action-packed week of new experiences, friendships, and awe at the amazing pioneering structures. Not to be left out in the pioneering, we did manage to construct our own shower! The highlight of the week had to be the 2-day hike with a night of wild camping in the Norwegian forest.

A nine-hour train journey with fantastic views of mountains, fjords and waterfalls took us to Bergen, the final destination of our trip where we enjoyed 3 days of sightseeing, including a fjord cruise.

World Scout Jamboree

In 2027 will be the World Scout Jamboree in Poland. We are excited that four young people have been select to be part of the GLSW unit. Joseph (Cheam Village ESU); Ollie (1st Wallington); Maja (Mellows ESU); Matylda (Mellows ESU).

This represents a fantastic opportunity for international adventure, cultural exchange and personal development, and we wish them every success as they begin their Jamboree journey and look forward to hearing about their experiences.

If you would like to follow their journey see their social page:

Service Crew

The Service crew has had another busy year with the Scout Caving camp in January and Gorge Walking camp in June, now a firm fixture in the calendar. We are looking at other options for events and camps, providing adventurous activities for our District.

We also supported Dave with St George's day parade, assisting with marshalling, first aid and communications.

Towards the end of the year we were involved in the Night Adventure at Frylands wood with a large number of our members turning out to support the event and bring thee young people from their troops to get involved.

Many of the Crew are now training on the Mobile Climbing wall and are heavily involved in supporting the county with its availability across GLSW.

Jack Petchey

I am delighted that 24 young people and 3 leaders in the district have received the Jack Petchey award from 14 different groups , for going above and beyond what is expected of a Scout , explorer and Leaders. Utilizing the funding that accompanies the awards has allowed their fellow scouts to take part in activities from Zorbing, to axe throwing, climbing, to gliding, as well as replacing hike tents. This reflects how we embrace the Jack Petchey motto "If you think you can, you can."

Mandy Phillips
Jack Petchey Administrator

A sincere thanks to Bernisi Morrin, who stepped down in 2025 as the Jack Petchey Adminstrator after many years of dedicated service.

Thank you to Mandy Phillips who has now taken on the role and working hard to make sure Sutton fills its quota youth and adult awards as wells as presenting the Youth ones achieved throughout the borough.

Squirrels

8th Sutton K2 Squirrels are doing very well. We maintain around 22 members, filling in the spaces from our waiting list when our top end Squirrels move on to Beavers. Most continue through our Group but a number have chosen Groups closer to where they live or when they meet on a more suitable evening.

Our Squirrels are regularly achieving their Chief Scouts Acorn as they seldom miss a meeting and we have a very varied, fun programme. Our highlight this year was seeing them take part in the Group's Gang Show in February. They performed Row Row Row Your Boat in the Saturday Matinee performance only as the majority were unable to perform in the evenings as it was way past their bedtime.

Another highlight was taking part in the St George's Day Parade in April. Everyone was smart and well behaved – we're very proud. Looking forward to our birthday celebrations in September.

Support team

IT and digital

This past year, our focus has been on building the foundations that let Scouting run smoothly — consistently and reliably.

Standardisation across the District
We've been working to standardise how we operate, so that leaders, young people, and parents all experience the same quality and clarity, regardless of which Group or event they're part of. That means documented processes, shared templates, and agreed ways of working — reducing confusion and making it easier for everyone to know what to expect.

IT & Data Governance
An IT policy is now in place covering GDPR compliance, data resilience, and disaster recovery procedures. This protects the personal data entrusted to us and ensures that if the unexpected happens, we can keep operating.

Events Framework
A significant piece of work this year was building a proper foundation for how the District runs events. We now have processes that ensure events are planned and delivered consistently, that learning is captured and shared after each one, and that we're resilient when circumstances change at short notice.

First Aid Compliance
A First Aid form and review process has been introduced across the District, ensuring we have up-to-date information for every event and any District units and a consistent approach to welfare.

Events Sign-Off Process
Working with our Lead Volunteer Lisa, we've introduced a formal event sign-off process. This gives leaders a clear checklist before any event goes ahead, protects our young people, and gives volunteers confidence that they have the District's backing.

Finally, a sincere thank you to everyone who gave their time, feedback, and input to this work. None of it happens without the volunteers who engage, question, and help shape how we do things.

Ian Mellor
IT Team Lead

Property and equipment

Bookings for the District HQ have increased this year with the hall being used every evening including Saturday, and occasional Saturday morning, also some Wednesday mornings and every Sunday morning.

The heating system needs to be repaired or replaced before the Autumn 2026 as it is not working.

Jim Dimmock
Building team member

Growth and New provision

Thanks to Lynne Williams and Susan Peek, who shared their extensive knowledge and experience with groups struggling with numbers, helping them find new ways to reach new people and grow their group sizes. Both Susan and Lynne stepped down from this team in 2026 and so we now need new team members to support this important role.

Volunteering development team

Our Volunteering development team makes sure that volunteers are safely recruited; welcomed into Scouting; have a positive and enjoyable experience and learn new skills.

2025 was a challenging year for the Volunteer Development Team. While we have continued to support leaders where possible, we recognise that we have not delivered as much as we had hoped.

A major factor has been ongoing vacancies within the team, which have limited both capacity and continuity.

A small number of volunteers have carried a significant workload, and despite their commitment and effort, it has not always been possible to provide the level of support we would like to have across the District. While this is disappointing, it has also highlighted the importance of building a larger and more sustainable team structure moving forward.

Recruitment of additional volunteers remains a priority for the coming year. Expanding the team will allow responsibilities to be shared more effectively and improve the consistency and continuity of support available.

Despite these challenges, the team has continued to provide support in several areas, including:

- Supporting new volunteers through initial conversations and guidance. We have trialled group welcome conversations and set up a standard pack for welcome conversations.
- Assisting with learning compliance and first response reporting. We have also started to make connections again with other Districts so we can join together to provide adult learning opportunities.
- Processing a small number of adult good service awards.

Our key priorities for the next 12 months are:

- Recruiting additional members to the Volunteer Development Team.
- Increasing opportunities for learning, networking, and development, including the wood badge provision.
- Developing a District submission template for adult awards.
- Providing more consistent support to volunteers across the District.

Thank you to everyone who has supported the team this year, particularly those who have stepped in to help despite limited resources and competing commitments. Your contribution is appreciated and has helped ensure continued support for volunteers across the District.

Claire Pearcy,
Volunteering Development Lead

Learning

14 July 2025 marked the hard deadline for all volunteers to complete their safety learning as a part of the response to the safety reviews and Prevention of Future Death report following the tragic death of an Explorer. It was a challenging few months, with some some volunteer suspended and leaving Scouts. Thank you to everyone who completed this on time and prioritised young people safety.

Scout HQ updated its suspension process: volunteers are volunteers are now suspended as soon as safeguarding or safety learning expires. The District team and GLVs have worked hard to support volunteers, helping keep suspension numbers low.

We now need more people to join the Learning team to support volunteers in identifying and completing their training.

Awards and recognition

Congratulations to all the leaders within Sutton District have gained adult awards this year. A massive thanks to Susan Peek who has recently stepped down from being the Awards Parcel Receipt and diligently making sure these are given out to young members and volunteers alike. We are now looking for a volunteer who can support us with this important role.

14-24 team

Sutton's 14–24 Section has experienced a number of changes over the past year, most notably with the introduction of a new team at District level. We would like to thank all units for their commitment and support during this period of transition and look forward to working together as the new team settles into their roles.

Looking ahead, we are working hard to further expand the District events calendar for both Explorers and Young Leaders. By providing more opportunities for adventure, skills for life and social activities, we hope to continue delivering a varied and engaging programme that supports young people in reaching their full potential.

The section remains committed to providing a strong programme for young people aged 14–25, and we look forward to building on the foundations established this year as we move into the next period.

Scout Explorers

Numbers across most units have increased over the last year, with 214 young people participating, 65.5% compared to last year.

During the year the decision for Double Dragons Unit to step down was made. While it is always sad to see a long-standing unit close, due to lack of volunteer support, we are pleased that all of the young people involved have been successfully reallocated into other units, ensuring they can continue to enjoy the opportunities, challenges and personal development that Scouting offers.

We are proud to celebrate the achievements of our young people this year, with 27 Explorers attaining top awards across both Scouting and the Duke of Edinburgh's Award scheme.

October saw 32 Explorers attend Scarefest at Gilwell Park, the annual Halloween-themed Scout Adventures event. Explorers took part in a wide range of activities and mazes, culminating in a spectacular fireworks display. The event was enjoyed by all and remains a highlight of the Explorer calendar.

Leah Dennis and Cari-Ann Bailey, 14-24 Team Leads

Scout Network

Network is the sixth section in Scouting for young adults aged 18-24 years.

We have a thriving Wallington Network that has been running for many years providing a group for adults with additional needs.

In November 2025 Sutton Network held a launch event with around eight members attending. Our first meeting took place at HQ with our take on a pub quiz night. Two futher meetings have been held in 2026 with a BBQ and team games. Membership has now grown to 18 with young adults transitioning from Explorers. Going forward Sutton network will meet on 1st Monday of each month.

James Elliott and Vicky Savill, Network Team Leads

Young Leader section

Over the past year, Sutton District has continued to deliver a strong and consistent programme of Young Leader training, ensuring our Young Leaders are well-supported as they develop the skills needed to thrive in their sections and to become the leaders of the future! Training sessions were held throughout 2025–26, covering the full range of modules.

We are delighted to recognise those who completed their Young Leader Award during the year: Kieran McD (1st/16th Sutton); Konrad K (3rd Cheam); Emily T (3rd Cheam); Sonny C (1st Wallington); Charlotte B (1st Wallington); Isla K (1st North Wallington); Abi E (1st North Wallington); Emanuel F-S (3rd Cheam).

Their commitment, enthusiasm, and contribution to their sections have been outstanding. Completing the award represents a significant achievement and reflects many hours of volunteering, learning, and leadership in action, as well as a commitment to learning and development by their groups who have supported them through their awards.

A huge well done to all those who have worked so hard on their training this year. Your dedication strengthens Scouting across Sutton District and sets a brilliant example for others to follow.

Caitlin Lawrence
Young Leader Unit Team Lead

Youth Lead

In my role as Youth Lead, I have visited a number of groups and units, where I have seen youth led scouting in action. I have attended Youth Lead Support Weekends at HQ to sharpen my skills and ensure I am well equipped for the role. A survey has been designed specifically for 10-24 year olds to see what they enjoy about Scouting or what they would change, which should be circulated in the beginning of July.

I am particularly proud of the district's young leaders and the role they play in acting as the bridge between the children and the adults. I hope to visit a Young Leader training day soon to gather some feedback and see in what way I can offer assistance with providing a programme for Young Leaders.

However, I am also aware of areas where I/we can be better. Personally, I hope to visit younger sections in the coming months, focusing more on Squirrels, Beavers and Cubs, as well as more sections in general. I would also like to set up a regular Youth Forum, an area where we have attempted previously, but have been less successful. I would also like to see more young people working towards their YouShape awards, a valuable part of the programme that empowers them to take the lead in planning and shaping their Scouting experiences. To that end, I will be publishing an explainer in the District newsletter and hope to tackle this when conducting visits.

Overall, I am confident that Youth Shaped scouting in Sutton is being widely and effectively implemented, but we are working towards further aspirations to ensure that, as a district, we can incorporate it further.
