Bishops Hull Village Hall and Playing Field Trust

Trustees' Report

For the Year Ended 31 March 2022

The Trustees present their report for the year ended 31 March 2022.

Reference and administrative information

Details of the charity's trustees, advisors and other reference and administration details are given on page 1.

Structure, governance and management

A Trust Deed dated 1st November 1966 established the charity. This was replaced by the Scheme document dated 14th July 1998.

The charity is run by a Managing Committee of Trustees. The Members of the Committee during the year were:

Simon Atherton	(Treasurer)
Katrina Baker	(Secretary)
Paul Bulbeck	(Chairman)
Don Carter	(Co-opted member)
Ray Court	(Co-opted member)
Trevor Desave	(Co-opted member)
John Hunt	(Co-opted member)
David Jorgensen	(Vice Chairman)
Rick Moon	(Bookings Secretary)

Plus, one representative member of the village organisations using the facilities.

Managing Committee members are elected or appointed on an annual basis.

Objectives and activities

The object of the Trust is, in the interests of the public benefit, to improve the conditions of life of the residents of Bishop's Hull without distinction of political, religious, or other opinions by the provision and maintenance of:

- (a) a Hall and Community Room for use by the residents, including use for:
 - (i) meetings, lectures and classes; and
 - (ii) other forms of recreation and leisure-time occupation: and
- (b) a playing field for use by the village residents.

The "Village Hall" is part of the community facilities provided within the Bishop's Hull County Primary School, under license between Somerset County Council and the Trust, dated 15th April 1977 for a period of 99 years.

The Playing Field (leased from Taunton Deane Borough Council for a term of 99 years from 15th April 1977) is subject to an agreement between Somerset County Council and the Trust dated 29th May 1981.

Bishops Hull Village Hall and Playing Field Trust

Trustees' Report

For the Year Ended 31 March 2022

The community facilities within the school are available for hire by any individual or organisation in accordance with the standard hiring agreement and scale of charges adopted for the year. It is the Trustees intention that the charges and the fund raising be sufficient to meet all expenditure incurred in providing the community facilities and maintaining the playing field.

Achievements and performance & financial review

The Trust continues on a sound financial basis and the Trustees are confident that this will continue so long as the finances are subject to strict controls.

Following the signing of the Letter of Agreement in May 2006, the system of calculating the annual charge has worked smoothly. Payment of service charge is now up to date. (The agreement ran from 1st April 2006 & is reviewed every five years. The system of calculating the annual charge is that the actual school expenditure costs are averaged out with the figures from the previous two years, on a three-year rolling program).

The financial year for the end 31 March 2022 is summarised below.

With COVID 19 restrictions being eased during the financial year, bookings and events were able to start including all car boot sales, sporting events and regular bookings. However, some of the regular hirers did not return and with some preferring to start back at the Bishops Hull Hub facility, resulting in a drop in usual income for the Trust.

During the financial year the Trust has benefited from regular funding payments from Somerset West and Taunton, these funds were paid due the financial impact of COVID 19. In total £10,852 has been received, without these emergency funds, the Trust would have been impacted terribly. These funds were not classed as restricted funds and allowed the Trust to continue to meet its regular expenditure.

A Community Infrastructure Levy (CIL) was received totalling £3,000. These funds were used for the refurbishment of the playpark.

At the beginning of 2021, a grant was applied for from Viridor, £8,537 was received at the start of the financial year which was used for the playpark refurbishment.

In addition, Somerset West and Taunton continued to contribute the sum of £1,700 towards the Trust costs.

The Bishops Hull Hub began to repay the loan that was given in 2021. The 1st repayment of £750 was received, leaving £6,750 to be repaid. During the build of the Bishops Hull Hub, the electricity supply was used from the playing field pavilion. The amount of electricity used was £996.73, this was also repaid to the Trust by the Bishops Hill Hub.

The trust benefited from a legacy in the financial year from Mrs. Disley, the sum of £5,000 was received and greatly received.

Income from letting the Community Room & Hall have increased to £4,805 from the previous year level of £3,738. Car boot sales were £2,528 and football/cricket pitch hire £776. Remaining income was received from bank account interest which remains low.

Bishops Hull Village Hall and Playing Field Trust

Trustees' Report

For the Year Ended 31 March 2022

Expenditure in 2021/22 has increased for a number of reasons

Grass cutting payments have increased as the contracted grass cuts were not invoiced in the previous tax year, £5,407 has been paid. Also, the service charge was also not invoiced, £10,856 was paid to Somerset West and Taunton as a result.

£26,662 was paid towards the refurbishment of the playpark.

The Trust loan to the Somerset Playing Fields has been repaid in full, £5,025 was repaid.

The Trust were approached by the Bishops Hull Cricket Club for a loan to purchase a new electronic scoreboard. A loan of £1,800 was agreed to be repaid in full in October 2023.

Expenditure for the refurbishment of the playpark, repairs and maintenance relating to running the Playing Field for the year was £23,183. When including all the costs to the Trust including the above, overall expenditure has increased to £33,829.

To summarise, total unrestricted core income for the financial year was £26,680 when compared to expenditure of £33,829 resulting in a loss for the trust being made of £7,149. After writing down the value of the assets in previous years, the Trustees believe the Balance Sheet reflects the true financial position of the Trust. The Trust net assets have steadily improved over the last 20 years from £3,768 in 1996 to £381,327 in 2022, a large increase due to the value of updated buildings and new play park.

Trustees' Report

For the Year Ended 31 March 2022

Trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed/constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiners report to the Trustees of Bishops Hull Village Hall and Playing Field Trust.

I report to the trustees on my examination of the accounts for Bishops Hull Village Hall and Playing Field Trust ("the charity") for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not comply with these records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Bishops Hull Village Hall and Playing Field Trust

Notes to the Financial Statements

For the Year Ended 31 March 2022

1 Accounting policies

1.1 General information and basis of accounting

Bishops Hull Village Hall and Playing Field Trust is an unincorporated charity registered in England and Wales. The address of the registered office is given on page 2. The nature of the charity's operations and its principal activities are set out in the Trustees Report on pages 3-5.

The financial statements have been prepared on the historical cost basis and in accordance with the accounting and reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)- (Charities SORP (FRS 102)).

1.2 Income

Income from donations is recognised in the accounts when receivable and the amount can be reliably measured.

Income from grants and government grants is accounted for when unconditionally due and reasonable assurance can be gained that it will be received.

1.3 Expenditure

Expenditure is accounted for on the accruals basis. Liabilities are recognised in the accounting period to which they relate.

1.4 Fixed assets

All assets costing more than £100 are capitalised. Depreciation is calculated to write down the cost of assets less their estimated residual values over their expected useful lives at the following annual rates:-

Village Hall	- over term of the lease
Playing field	- over term of the lease
Pavilion	- over term of the lease
Fixtures, fittings and equipment	- 25% reducing balance

No depreciation will be charged against the pavilion developments until completion and the rate will be agreed when the date of completion is known.

1.5 Debtors

Other debtors are recognised at the settlement amount due and prepayments are valued at the amount prepaid.

Accrued income is included when notification is given that amounts are to be received.

1.6 Concessionary loan

In the prior year the charity advanced a loan of £7,500 to Bishops Hull Hub. This loan was made to pursue charitable objectives and so has been classified as a concessionary loan. The amount has been recognised at the total amount paid out, with the carrying amount adjusted in subsequent years to reflect repayment and any accrued income and adjusted if necessary for impairment.

1.6 Cash at bank and in hand

Cash at bank and in hand comprise cash on hand and call deposits that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Bishops Hull Village Hall and Playing Field Trust

Notes to the Financial Statements

For the Year Ended 31 March 2022

1.7 Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount.

1.8 Taxation

The company is a registered charity and is therefore not liable to corporation tax.

1.9 Fund accounting

General funds are unrestricted funds receivable or generated for the objects of the company without further specified purpose and are available as general funds.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets this criterion is charged to the fund, together with a fair allocation of management and support costs.

1.10 Financial instruments

The charity only holds basic financial instruments as defined in FRS 102. The financial assets and liabilities of the charity and their measurements are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals, loans and other creditors are financial instruments, and are measured at amortised cost.

The Village Hall, Playing Field and Pavilion were historically stated at cost and not depreciated. In 1999 the current Trustees were of the opinion that to do so was misleading, as the terms of the agreements under which the assets are used are such that none of the assets has any monetary value to the Trust. The assets were therefore written down in the 1999 Financial Statements in order that the Balance Sheet provides a fairer reflection of the actual position of the Trust.

The Village Hall is occupied under a licence from Somerset County Council for a period of 99 years from 16 May 1977. Should the trust cease to exist, or fail to use the facility for a period of two years, then the licence will be terminated.

The Playing Field is used under an agreement from Somerset County Council for a period of 99 years from 15 April 1977.
