Additional governance issues (Optional information)

<p>You may choose to include additional information, where relevant, about:</p> <ul style="list-style-type: none"> • policies and procedures adopted for the induction and training of trustees; • the charity's organisational structure and any wider network with which the charity works; • relationship with any related parties; • trustees' consideration of major risks and the system and procedures to manage them. 	<p>In October 2020, the trustees received a request from Mrs VJ Elsbury who is both a Hall trustee and owner of Summerfields Nursery, which is a major hirer of Summerheath Hall, to allow a longstanding member of her staff (Mrs Sarah Field) to join us as a trustee.</p> <p>In view of Mrs Field's employment as well as her being married to another trustee (Mr Adam Field) there was concern about potential conflicts of interest, so an in depth discussion took place at the next trustee meeting on 24 February 2021. Mrs Elsbury and Mr & Mrs Field were requested to withdraw from the meeting at this point so that the disinterested trustees could consider the proposal.</p> <p>Mrs Field has an additional relationship with Summerheath Hall as she undertakes relief cleaning duties at the Hall. This is a paid position and in the year covered by this Report she was paid £30.</p> <p>We did consider employing an external commercial cleaner, but found that we would have a more cost effective result by not adopting this option, as</p>

well as achieving an end result that would satisfy our hirers.

It was considered that Mrs Field should not be appointed as a trustee due to the originally identified conflicts of interest, but she could join us as an observer. This means that she may not vote or otherwise take part in decision making and may only participate in discussions if requested to do so by the Chair of the meeting.

It is clearly understood that when a conflict of interest is identified those individuals affected will leave the meeting until a decision has been made on that matter. Any withdrawal of trustees must still leave the meeting quorate to allow valid decisions to be made.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The Hall is held on trust for the purposes of a Village Hall for the use of the inhabitants of Hailsham and the neighbourhood without distinction of sex or of political religious or other opinions and in particular for use for meetings lectures and classes and for other forms of recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We confirm that the trustees have had regard to the guidance issued by the Charity Commission on public benefit, and in particular the Commission's publications PB1/2/3 dated September 2013.

The Hall is used by local residents for various types of activity. For example, regular hirers include a Theatre group and a long established Dance School for children and young adults. We also house a thriving pre-school group, Summerfields Nursery. Spare capacity is normally used by taking bookings for one off events such as children's birthday parties.

To ensure that we can keep our occupancy rates as high as possible, we charge an hourly rate for the use of the Hall and allow hires for as little as two hours. We are aware that other local venues charge a flat rate for a full morning/afternoon/evening hire, which means that our hirers can pay a lower charge for their use of the Hall, though we remain conscious of the need to cover our current costs as well as planning for the future.

We review our hiring rates periodically to ensure that we can cover our regular outgoings, plus build up a Reserve for future major works.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

The Committee is always aware that potential hirers have a wide range of other venues available to them in the local area. Our objective is to maximise our occupancy and to achieve this we review our charges regularly to ensure that these are kept as low as possible whilst covering our costs. We estimate that our large hall had a 60% occupancy rate, whilst that for the small hall was 90%.

Financial review

Brief statement of the charity's policy on reserves

For the last sixteen years we have had a formal reserves policy under which we initially put aside £1,000 to cover unforeseen expenditure such as structural repairs to our main building which is now over seventy years old, as well as a hedge against reductions in income. This was augmented by transfers from income of a minimum of £150 per month and is subject to periodic reviews. Our current reserve is £14,000 and the Trustees will continue to balance the need to plan for the future, as well as meeting the needs of the present.

Details of any funds materially in deficit

We have no funds in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

In 2014 the Hall trustees embarked on a multiphase programme of renovations. This is intended to upgrade our facilities to provide a modern environment for all our users. This will be funded from our own resources wherever possible supplemented by grants. The Management Committee has always avoided repayable funding as repayment is based on letting income and as we have seen in recent years this can disappear without notice.
