Structure, Governance and Management

The Group's governing documents are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

The Group is a trust established under it's rules, which are common to all Scout Groups.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group, which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, certain Section Leaders and parent's representation and meets every 3 months or so.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

- The maintenance of Group property;
- The raising of funds and the administration of Group finance;
- The insurance of persons, property and equipment;
- Assisting in the recruitment of Leaders and other adult support;
- Group public occasions;
- Appointing any sub committees that may be required;
- Appointing Group Administrators and Advisors other than those who are elected.

1st Hinchley Wood Scout Group - Trustees Report 2022 (Continued)

The Group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss; these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Objectives and Activities

The objectives of the Group are as a Unit of the Scout Association.

The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials as individuals, as responsible citizens and as members of their local national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

Public Benefit

Subscriptions are charged for membership to cover immediate running costs of the Group and these do not unduly restrict membership. The Group follows the principle that no one should be excluded because of their inability to pay membership subscriptions. Subscriptions were changed to a voluntary contribution basis while the pandemic affected activities and attendance

Two key principles demonstrate that Scouting's aims for the public benefit are that through the Scout method young people develop towards their full potential and that there is a clear link between the benefits for young people and the purpose of Scouting. The safety of young people is taken very seriously and the benefits Scouting activities provide far outweigh the risks. Any private benefits from Scouting are incidental, other than to those as a beneficiary.

Achievements and Performance

The Group has an active Beaver Scout Colony, Cub Scout Pack and Scout Troop, also a partnership agreement with Esher Scout District to operate the 1st Hinchley Wood Explorer Scout Unit.

The Global pandemic restrictions had a significant effect as large gatherings and face to face meetings for much of the year and the majority of Group, District and County activities had to be cancelled or postponed. All sections conducted the majority of their meetings via Zoom. This has resulted in a significant drop in expenditure for each section, with all leaders doing a fantastic job of providing an excellent programme throughout the pandemic

As at 31.1.22	Census date	
Beaver Colony (6-8 years) membership		24 (2021: 20)
Cub Scout Pack (8-11 years) membership		34 (2021: 33)
Scout Troop (11-14/15 years) membership		28 (2021: 34)
Explorer Scout Unit (14/15-18 years) membership		21 (2021: 8)
Adult Leaders & Assistants, Network Scouts, etc.		34 (2021: 35)

The leased open space area (from Elmbridge BC) next to the headquarters continues to be of great use for meetings, activities and functions. Thanks are due to our local councillors and others for their support.

The Group continued to appoint parent Section representatives tasked with increasing parent involvement in Group activities, especially fundraising.

Fund raising increased during the year although as a result of the pandemic, there was no quiz night or may fair. However, the Christmas tree sales and profit had another record contribution in 2021 perhaps as an antidote to the various lockdowns

Financial Review

Reserve policy

The Group also holds sufficient resources to continue the charitable activities of the Group should income and fundraising activities fall short.

In addition to ongoing activities, funds are needed to update the facilities of the group including Premises, equipment as well as minibuses.

As at 31st March 2022 these unrestricted funds amounted to £ 67,988

Investment Policy

The Group does not maintain Long Term Investments and surplus funds are held in current or deposit accounts maintained with UK based Banks.

Plans for 2022-23

Plans for the coming year include:

- 1.To continue to provide excellent youth training activities for boys and girls aged 6-25 within wider constraint of restrictions and recommended guidance introduced as a result of Covid-19.
2. To ensure the Group has sufficient well trained adults to lead and support these activities.
3. To develop the parental support across all the roles needed for the Group's operations.
4. To develop adventurous activity opportunities and facilitate the training of activity leaders.
5. To make further improvements to the headquarters and to the leased land area adjacent to the headquarters for training purposes.We hope to receive grant support for this work.
