Description of the charity's trusts

Type of governing document

(e.g. trust deed, constitution)

The District's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted

(e.g. trust, association, company)

The District is a trust established under its rules which are common to all Scouts.

Trustee selection methods

(e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The District is managed by the District Executive Committee, the members of which are the 'Charity Trustees' of the Scout District which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:
a) the induction and training of trustees;
b) trustee' consideration of major risks and the systems and procedures to manage them

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the District representatives, and youth representation and meets every 3 months.

Members of the Executive Committee complete the relevant and appropriate induction training within the first 5 months of joining the committee, covering the modules: Essential Information, Safety, Safeguarding, GDPR and Trustee Induction.

This District Executive Committee exists to support the Districts in meeting the responsibilities of the appointments and is responsible for:

The maintenance of District property;
The raising of funds and the administration of District finance;
The insurance of persons, property and equipment;
District public occasions;
Assisting in the recruitment of leaders and other adult support;
Appointing any sub committees that may be required;
Appointing District Administrators and Advisors other than those who are elected.

Section B**Structure, governance and management (continued)**

Risk and Internal Control (Specimen 1)

The District Executive Committee has identified the major risks to which they believe the District is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The District would request

the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Districts. Similar reciprocal arrangements exist with these organisations. The District has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The District through the membership fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The District is primarily reliant upon income from subscriptions and fundraising. The District does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the District on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The District is totally reliant upon volunteers to run and administer the activities of the District. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the District as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the District.

Reduction or loss of members. The District provides activities for all young people aged 6 to 18. If there was a reduction in membership in a particular section or the District as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the District.

Section C	Objectives and activities
-----------	---------------------------

Summary of the objects of the charity set out in its governing document

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

Summary of the main activities in relation to these objects

Arranging a programme of camps, sports and other activities to which all young people in the District are encouraged to participate as well as providing training for our adult leaders.

Each week we provide young people the opportunity to enjoy fun and adventure while developing the skills they need to succeed now and in the future. We are talking about teamwork, leadership and resilience. We celebrate diversity and stand against intolerance, always. We are part of a worldwide movement, creating stronger communities and inspiring positive futures.

We are proud to say we are a values based movement.

Public benefit statement

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

In true Scouting spirit, the activities of the district and the groups within in have continued in the face of adversity, during this year, given the restrictions owing to the coronavirus pandemic.

As can be seen in the annual review, each section has been making the most of the situation and have been developing and adapting to a slightly altered method of scouting.

Virtual camps and sleepovers replace the traditional camping and expeditions, and indeed, with some imagination and the magic of Zoom, Beavers have attended a virtual astronaut training camp, whilst other sections have been able to carefully meet in line with the regulations to complete Duke of Edinburgh's Award expeditions and complete their Scouting Top Awards too.

The restriction on face-to-face meetings have provided an opportunity to have our district headquarters refurbished whilst meetings were held outdoors.

As with previous years, it's the work, dedication, and commitment of our adult volunteers that has been truly phenomenal.

Section E

Financial Review

Brief statement of the charity's policy on reserves

Reserves Policy

The District's policy on reserves is to hold sufficient resources to continue the charitable activities of the District should income and fundraising activities fall short. The District Executive Committee considers that the District should hold a sum equivalent to 12 months running costs, circa £15k.

The District held reserves (General Fund) of approximately £34,474 against this at year end. This is above the level required for operating expenses. However this can be explained by having a contingency amount readily available if anything happens to our HQ Dennis Marsh House, Scout Shop, Explorer Section and local scout groups within the District, circa £10k. The District Executive Committee are aware that this still leaves excess monies and are planning ways for using this excess for the future development of scouting in the District

As an organisation, we continue to operate a specific fundraising campaign to raise funds in order to secure a Campsite and training ground within 20-30 minutes of Salisbury, currently standing at circa £64k

Further financial review details

The District also holds a number of designated funds:-

1. PJ Southern (Overseas) Travel, which provides help with the cost of attending Jamborees and overseas camps/activities.
2. District Minibus, which provides transport for local groups and organisations to use.
3. District Beavers, Cubs, Scouts, Network, and SASU all have designated funds, which help towards the running of District events for these sections.
4. Dennis Marsh House - this is monies held for the day to day running of our District HQ
5. Scout Shop - The District runs its own Scout Shop, which provides a service to local groups and others further a field, for mainly uniform and badges.
6. Explorers - this fund holds the monies for all the units within the District.
7. District Hardship fund – This fund has been set up to provide emergency monies for local groups, who may find themselves, due to lack of fundraising in the last 18 months, unable to pay for essential ongoing bills (rent, insurance etc).

You **may choose** to include additional information, where relevant, about: the charity's principal sources of funds (including any fundraising), how expenditure has supported the key objectives of the charity and investment policy and objectives;

Investment Policy

The District's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The District has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.

The District Executive regularly monitors the levels of bank balances and the interest rates received to ensure the District obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the District Executive considers the cashflow requirements.

Section F Other Optional Information

Plans for future periods (details of any significant activities planned to achieve them)

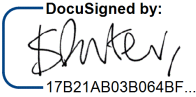

Our priority now is to build back stronger following the setbacks faced during 2020 and the start of 2021. In Salisbury and South Wilts, there is much to look forward to and specifically our plans will be to:

1. ensure that all sections of all groups are supported to return to scouting activities – adult recruitment, development and training for leaders, supporters and trustees as a focus.
2. develop upon national strategy and implement and embed these within the district, particularly as plans emerge for the new section for 4-5 year olds.

Section G Declaration

You **may choose** to include additional information, where relevant, about: the charity's principal sources of funds (including any fundraising), how expenditure has supported the key objectives of the charity and investment policy and objectives;

Investment Policy

The District's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The District has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.

The District Executive regularly monitors the levels of bank balances and the interest rates received to ensure the District obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the District Executive considers the cashflow requirements.

Section F Other Optional Information

Plans for future periods (details of any significant activities planned to achieve them)

Our priority now is to build back stronger following the setbacks faced during 2020 and the start of 2021. In Salisbury and South Wilts, there is much to look forward to and specifically our plans will be to:

1. ensure that all sections of all groups are supported to return to scouting activities – adult recruitment, development and training for leaders, supporters and trustees as a focus.
2. develop upon national strategy and implement and embed these within the district, particularly as plans emerge for the new section for 4-5 year olds.

Independent Examiner's Report to the Trustees of the

Salisbury and South Wilts District Scout Council

I report on the accounts of the District for the year ended **31st March 2021**

Respective responsibilities of trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts; you consider that the audit requirement of Section 43(2) of the Charities Act 1993(the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under Section 43(7)(b) of the Act, whether particular matters have come to my attention.

Basis of examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that in any material respect the requirements
 - * to keep accounting records in accordance with Section 41 of the Act and
 - * to prepare accounts which accord with the accounting records and
 - * to comply with the accounting requirements of the Acthave not been met, or

- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached,

- 3 which gives me reasonable cause to believe that in any material respect the accounting rules of the District's constitution have not been met.
