¹ During 2024, Scouts underwent a period of transformation, and at the AGM the District Scout Council adopted a new constitution which led to several roles no longer having ex-officio membership of the trustee board, and a number of former trustees resigned as a trustee to focus on their operational roles. The new trustee board has a renewed focus on governance and its membership reflects this.

Structure, governance and management

The District's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and the Policy, Organisation and Rules of The Scout Association.

The District is a trust established under its rules which are common to all Scouts. The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

The District is managed by the District Trustee Board, the members of which are the 'Charity Trustees' of the Scout District, which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Trustee Board consists of Chair, Treasurer, District Lead Volunteer, District Youth Lead and up to six appointed trustees.

This District Trustee Board exists to make sure the charity is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. Their support helps other volunteers run high-quality and safe programmes that gives young people skills for life.

Objectives and activities

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

Integrity – we act with integrity; we are honest, trustworthy and loyal

Respect – we have self-respect and respect for others

Care – we support others and take care of the world in which we live

Belief – we explore our faiths, beliefs and attitudes

Co-operation – we make a positive difference; we co-operate with others and make friends

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices

- undertake new and challenging activities
- make and live by their promise

The District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Achievements and performance

It's been another successful year for Malling Scouts. The year saw us transform our volunteer experience, with the launch of a new digital system, teams and ways of volunteering.

Our newly formed Programme Team began delivering events for young people from across the Malling area. The events included the District coming together to celebrate St George's Day at the Friars in Aylesford, as well as events for Squirrels and a silent disco for Beavers, Cubs and Scouts.

The Groups across the District continue to offer a wide range of opportunities to young people in the area, helping them gain skills for life. We were also able to open a new Explorer Unit, Phoenix, to increase capacity within the 14-24 provision, and look forward to seeing how this grows in the years to come.

The major achievement in the year was taking over 200 people to Kandersteg International Scout Centre, in Switzerland, for the adventure of a lifetime - exploring the country, taking part in adventurous activities and making new friends. With representation of both adults and young people from right across the District, this was the standout event of the year.

Our Campsite Support, Management and Development Teams continue to work on maintaining and developing Comp Wood, which includes construction of a new building and refurbishment of existing facilities. We are excited to watch the new building and facilities take shape.

Young people remain at the heart of everything that we do in Malling, shaping the activities we offer which gives them opportunities to take on leadership roles. The Youth Team has been at the heart of this, holding a youth forum for Scouts and Explorers to share their thoughts, and a youth panel being instrumental to decision making as part of the trip to Kandersteg.

Finally, a massive thank you to all the volunteers across the District, without your unwavering support and dedication we would not be able to provide our young people with Skills for Life!

Financial review

Reserves policy

The District's policy on reserves is to hold sufficient resources to continue the charitable activities of the District should income and fundraising activities fall short. The District Trustee Board considers the District should hold a sum equivalent to 12 months of non-discretionary running costs and 50% of discretionary running costs, now held at £14,800.

The District Trustee Board reviewed the reserves held in the year and increased these to meet the reserves policy. The reserves are to be increased on an annual basis in line with inflation, then reviewed every three years or when required.

Investment Policy

The District's Income and Expenditure can result in surplus funds being held whilst projects are ongoing, but this is not sufficient to invest in longer-term investments. The District has therefore adopted a low-risk strategy to the investment of its funds, utilising instant access and notice savings accounts. All funds are held in cash, using only mainstream banks or building societies.
