ST BARTHOLOMEW'S SCHOOL FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their annual report together with the financial statements for the year ended 31 March 2023. The Trustees confirm that the Annual Report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities, preparing their accounts in accordance with the financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Structure, governance and management

a. Governing document

The St Bartholomew's School Foundation was formed as a charitable foundation (Charity No. 309085) under a trust deed dated 10 February 1910, as modified by subsequent orders. This scheme was replaced by a new scheme dated 18 October 2007.

There have been no changes in the objectives since the last annual report.

b. Governing Body and organisational management

The Charity is managed by a Board of Trustees whose details are listed under the reference and administration details section. The Trustees meet at least three times each year and receive agendas, minutes and papers prepared by the Clerk. Decisions are taken by majority voting where necessary, usually by show of hands. Meetings are chaired by the elected Chair or Vice Chairman and minutes are taken by the Clerk. In between Trustees' meetings urgent decisions can be taken by the Chair, Mrs J Clifford, Vice Chair, Mr T Emberlin and Treasurer, Mr Martin Smith.

The day to day administration of the Charity is delegated to the Clerk to the Trustees, Mrs H Sutherland.

In 2014 it was agreed that the number of Trustees would reduce from seventeen to twelve when current appointments expire. Under the new structure two Trustees are appointed by Newbury Town Council, three by West Berkshire Council and one by the Newbury Almshouse Trust. These are known as Representative Trustees. The remaining six trustees are designated Community Trustees.

c. Recruitment and training of trustees

Representative Trustees are appointed after their respective organisation's internal nomination processes are complete.

Community Trustees are recruited in a variety of ways, including informal discussions with the School's Governors and an open recruitment process when required. All Community Trustees are chosen for their personal attributes and experience, necessary to maintain an appropriate balance of skills and professionalism on the Trustee Board.

Trustees are inducted by the Chair, Vice Chair and the Clerk following recruitment and are encouraged to maintain their knowledge of general charity law and regulatory matters via the Charity Commission website and educational initiatives.

Structure, governance and management (continued)

d. Risk management

The Trustees are responsible for the identification of risks inherent within the Charity, their potential impact on its operations and the implementation and maintenance of a system of control in order to mitigate those risks.

The Trustees periodically review risk and the key controls maintained by the Charity which include:

1. formal agendas for all meetings
2. well established organisational structure and reporting lines
3. clear authorisation and delegated responsibilities
4. regular review and reporting of financial position
5. use of external professionals for advice where the necessary expertise is not available from within the body of Trustees. Legal, financial, commercial and investment advisers have been used during the year.

The Trustees are satisfied that any major risks have been identified and mitigated where necessary through their risk management processes.

Objectives and activities

a. Objectives and activities for public benefit

The principal objective of the Foundation is to provide educational benefits to the students of St Bartholomew's School. The Trustees are aware of the Charity Commission's general guidance on public benefit which has been considered when reviewing policy and objectives.

The Foundation is responsible for administering permanent endowment funds and assets which are held in a portfolio of cash, managed investments, land and property. The Foundation owns the large majority of the land and buildings of the School, including playing fields, all of which have been leased to the School. The buildings have been removed from the Balance Sheet of the Foundation as disclosed in note 18 to the accounts. The Foundation owns some allotment land called Parsons Green in the town, which is let to the Newbury Town Council. There is also a property at No. 4 Buckingham Road, Newbury.

The Foundation is the custodian of many prize funds, some restricted in purpose, but all intended to reward good work, effort or achievement on the part of pupils at the School. These prize funds have been consolidated under a new charity scheme dated 18 October 2007 known as the St Bartholomew's School Foundation Consolidated Prize Fund.

The Foundation is supported by one part time clerk.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Achievements and performance

a. Achievements and performance

The Trustees take a keen interest in the development of the school and greatly value the regular updates from the headteacher and invitations to school events. It is their objective to balance risk and reward and optimise the total return on the Foundation's investments in order to provide funds for those activities which cannot be met from other sources. The Trustees are mindful of their obligation to future generations of students in their execution of the management of the charity's permanent endowment and other assets. This year, Trustees were particularly delighted to finance "Awards Evenings" that recognise the achievement and attainment of students and the inclusive "Celebration Days" that reward students for their hard work as well as marking milestones such as the school's Outstanding Ofsted report and a decade of school life in the new buildings. Trustees also took steps to maintain good stewardship of The Foundation's assets, for example by commissioning a comprehensive land valuation exercise, continuing to maintain its rental property and agreeing to changes to the school estate to reflect changing needs of the school community.

Trustees would like to thank former Headteacher Julia Mortimore for her enormous contribution to the school and congratulate new Headteacher David Fitter on his well-deserved appointment to the role.

b. Investment policy

The Trustees have appointed Black Rock Investment Managers to manage the Foundation's investments. The Fund Managers issue quarterly statements and detailed valuations and portfolio reports each year. The Trustees review the performance of the Foundation's investments on a periodic basis.

In general terms, the Foundation seeks a mixture of capital growth and income generation from the performance of its investments.

Financial review

a. Financial review

The accounts for the year ended 31 March 2023 show income of £49,022 (2022: £42,920) as detailed on page 9 of the accounts. Investment income continued to be generated from monies held on deposit, from dividends and from letting investment property. Dividend income was higher than in the previous year, the prior year being affected by the transition to new investment funds.

The Foundation's investment property at 4 Buckingham Road continues to produce useful rental income and long term capital growth for the charity. The estimated market value of the property as at 31 March 2023 was £750,000 (2022: £750,000).

Land owned by the Foundation and used as allotments (Parsons Green) is rented to the Newbury Town Council at £850 per annum.

Charitable expenditure predominantly comprised donations to support the awarding of school prizes.

The Endowment funds stood at £1,777,033 at 31 March 2023 compared with £1,787,550 at 31 March 2022.

The Permanent Endowment of the Foundation includes funds held in Funds managed by Black Rock Investment Managers. The value of the investments decreased by £17,855 during the year compared with an increase of £52,114 in the previous year.

b. Significant developments during the year

There were no significant developments during the year.

ST BARTHOLOMEW'S SCHOOL FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

c. Reserves policy

The Trustees do not have a formal policy for determining the level of cash reserves. However their practice has been to maintain sufficient liquid assets in an interest bearing deposit account to enable the Foundation to meet unexpected expenditure, such as uninsured losses or urgent repairs to the school buildings that could not be met by the School or the Department for Education. Currently these cash reserves stand at £196,468 (2022: £176,288).

The Prize Funds which were consolidated under a new scheme dated 18 October 2007 continue to accumulate income. Each year the Trustees pay for a range of prizes awarded to students at the School and meet the costs of school community events from general income. Specific unrestricted fund income (e.g. the Repair and Improvement Fund) is being used for special projects undertaken by the School.

The level of reserves is considered to be appropriate and at a prudent level.

Plans for the future

d. Future developments

The Foundation has been part of the St Bartholomew's community for more than a century, in which time the school has gone from strength to strength. It is proud to work in partnership with the Headteacher and school governors for the benefit of the school community and looks forward to continuing to fulfil its mission in the future. In the near term, it will contribute financially to the school's goal to use technology to enhance learning, in the mid-term, explore how it can work with the school to develop a fund-raising programme and in the long term, it stands ready to support the school in whatever way it can, as it has since 1910.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial Year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

Statement of Trustees' responsibilities (CONTINUED)

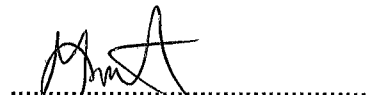

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 MARCH 2023**

Independent Examiner's Report to the Trustees of St Bartholomew's School Foundation ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the Year ended 31 March 2023.

Responsibilities and Basis of Report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

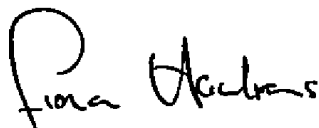

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

ST BARTHOLOMEW'S SCHOOL FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

St Bartholomew's School Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.4 Tangible fixed assets and depreciation

The land held for use by the charity as at 1 April 1996 has been shown on the Balance Sheet at its valuation on 1 April 1996. The value of this land is £174,145. In accordance with section 17 of FRS102 this valuation has not been updated. Additions to land subsequent to this have also been included at cost. The land is not depreciated.

ST BARTHOLOMEW'S SCHOOL FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting policies (continued)

1.5 Investment property

Investment properties are initially recognised at their transaction cost and subsequently measured at fair value. Gains are recognised in the Statement of Financial Activities. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Net gains/(losses) on investments' in the Statement of Financial Activities.

1.6 Investments

Fixed asset investments are stated at their open market value at the Balance Sheet date. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Net gains/(losses) on investments' in the Statement of Financial Activities.

1.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.9 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

1.11 Critical accounting estimates and areas of judgement

The preparation of the financial statements requires the Trustees to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the Balance Sheet date and the amounts reported for revenues and expenses during the year. However the nature of estimation means that actual outcomes could differ from those estimates. In preparing these accounts the value of the investment property has been determined by the Trustees based on information available.

Transfer between funds

Improvements in 2014 and 2015 to the investment property at 4 Buckingham Road which forms part of the endowment funds were financed from unrestricted funds. The Trustees have agreed that if the investment property is sold the cost of these works, which totalled £108,445 over the two years, will be repaid to the unrestricted fund.

17. Related party transactions

During the year the Trustees made a donation of £12,940 (2022: £9,837) from unrestricted funds to St Bartholomew's School.

18. Long term lease

On 2 September 2011 the Trustees entered into a 125 year lease at a peppercorn rent with St Bartholomew's School in respect of land and buildings owned by the Foundation and used by the School.

By granting the lease the Trustees have transferred the risks and rewards of ownership of the buildings and other depreciating assets to the School. These buildings and other depreciating assets as listed in note 8 were therefore removed from the Balance Sheet. However, the risks and rewards of ownership of the land remain with the Foundation and therefore the land remains on the Balance Sheet of the Foundation.

19. Controlling party

The charity is controlled by its board of Trustees.
