**Report of the Trustees  
for the Year Ended 31 March 2024**

---

The Trustees present their report with the financial statements of the Charity for the year ended 31 March 2024. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Policies and objectives**

The Trustees are responsible for safeguarding the assets of the Charity and for managing and letting of lands. Its objects are:

1. To provide such special benefits of any kind not normally provided by the local education authority for Marling School, Stroud High School and Archway School.
2. To promote the education of persons under the age of 25 who are resident in the area of benefit and are in need of financial assistance.
3. To provide financial assistance to any charitable organisation in the area of benefit, the objects of which include the advancement of education, or the improvement of the conditions of life for such persons developing their physical, mental and moral capacities through leisure time activities.

The area of benefit shall mean the area of the parishes comprising Stroud Rural District that is to say Bisley-with-Lypiatt, Chalford, Cranham, Horsley, King's Stanley, Leonard Stanley, Minchinhampton, Miserden, Painswick, Pitchcombe, Randwick, Rodborough, Stonehouse, Thrupp, Whiteshill, and Woodchester and the area of Stroud and Nailsworth Urban Districts.

**Strategies for achieving objectives**

The Trustees wish to continue to support the benefit schools and young people in the area of benefit. This will be accomplished by the investment policy and the management of the property owned and let by the Charity to produce income.

---

The Trustees are happy that there are no significant issues that may affect the continuance of the Charity's aims. However, due to the current financial climate, donations to the area of benefit may reduce or fluctuate in line with the stock market performance.

**Public benefit**

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'. The Trustees are not aware of any detriment caused by the Charity's objects or activities, and nor are they aware of anyone receiving any private benefit from the Charity's activities.

**OBJECTIVES AND ACTIVITIES**

**Grantmaking**

The total grants made during the year to 31st March 2024 were £60,375 this included grants to:

Stroud High School	£12,073
Marling School	£9,000
Archway School	£12,249

The remainder of the grants were distributed in accordance with the Charity's objectives.

**ACHIEVEMENT AND PERFORMANCE**

**Review of Charitable activities**

The properties at Downfield House continue to be rented out to tenants. The School of Art continues to be rented out. The Trustees continue to maintain the property. The Trustees have plans to change the heating system at significant cost.

The Charity does not have any relationship with any charities or organisations other than being a beneficiary of The Feoffees Charity and a benefactor to three Schools that come under the Charity's area of benefit.

**Investment policy and performance**

The Charity's investment powers are now conferred by the Trustees Act 2000, and any cash not required for immediate working purposes must be invested in the name of the Official Custodian for Charities unless the Charity Commission directs otherwise.

The Trustees have considered the most appropriate policy for investing funds and following legal advice from Paula Smith at Leonard Curtis Legal Ltd, the Trustees made the decision to move investments to a total return policy using a bas line investment of £800,000. Continuing to use specialised unit trusts designed for the charity sector to meet their requirements to generate both income and growth. The Trustees monitor the investments closely.

**Risks and internal and external factors**

The Trustees acknowledge their responsibility to assess and mitigate the major risks to which the Charity is exposed. The Trustees have conducted a review of the major risks to which the Charity is exposed and, where appropriate, systems or procedures have been established to mitigate those risks relating to fraud and error. Internal control risks are minimised by the implementation of procedures for authorisation of transactions.

**FINANCIAL REVIEW**

**Financial position**

The value of investments as at the year end was £1,310,996 (2023: £1,231,115). The total income received during the year amounted to £124,198 including donations from The Feoffees Charity, with expenditure totalling £135,679. This resulted in an operational loss of £11,481, but after total investment gains of £94,880, a net income for the year of £83,399.

**Principal funding sources**

The main sources of funds are derived from the investments held and managed by the investment managers appointed and rental income from the properties. During the year ended 31 March 2024 the Charity received donations from The Feoffees Charity.

**Reserves policy**

The Trustees have a £20,000 reserve policy to cover any costs that may occur with the property owned by the Charity.

**Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt a going concern basis in preparing the financial statements. The Trustees acknowledge the fact that investments are likely to fluctuate in the future which will possibly reduce the amount of income generated thus reducing the level of donations.

**FUTURE PLANS AND DEVELOPMENT**

The Trustees plan to continue to deliver charitable relief to the area of benefit by continuing to monitor the investments and make adjustments where necessary to achieve those aims. The Trustees have applied to the Charity Commission to include Maidenhill School and Sir Thomas Keble as beneficiary schools.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Charity constitution**

Stroud and Rodborough Educational Charity are two Charities brought together by a Charity Commission Scheme dated 20th February 1981, these being the Charity called the Stroud Educational Charity (regulated by a scheme made by the Board of Education on 2 December 1909) and the Charity called the Rodborough Educational Foundation (as constituted on 31st December 1912).

**Responsibilities and basis of report**

As the Charity Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the Charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

**Income**

All income is recognised in the Statement of Financial Activities once the Charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

**Investment property**

Investment property is shown at its most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

**Taxation**

The Charity is exempt from tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
