The Gyde Charity

Report of the Trustees for the Year Ended 30 June 2023

The Trustees present their report with the financial statements of the Charity for the year ended 30 June 2023. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

(1) The objects of the Charity are to promote the education of and to relieve the needs of young people under the age of 25 who are:

- a) in need, hardship or distress; or
- b) who have sight, hearing or speech impairment.

(2) The Trustees should give a preference to:

- a) persons of the protestant faith
- b) persons who have lost one or both parents; and
- c) persons who are resident:

- (i) firstly, in the parish of Painswick,
- (ii) secondly in the Old Parliamentary Borough of Stroud,
- (iii) thirdly in the County of Gloucestershire; and
- (iv) fourthly in any other part of the United Kingdom.

(3) The Trustees may relieve persons in need by:

- a) making grants of money to them; or
- b) providing or paying for goods, services or facilities to those in need.

(4) If and insofar as the income of the Charity cannot be applied toward the object specified in clause (1) above, the Trustees may apply it for persons who are otherwise qualified but are not Protestants.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities and setting the grant-making policy for the year.

Main activities undertaken to further the Charity's purposes

The Charity has established a clear pattern of income for the years ahead allowing for trends in the investment market. The Charity is not widely known nationally and is beginning to receive applications outside of the local area. The Charity continues its close links with social services and special needs schools in the County of Gloucestershire. The grants awarded by the Charity during the year under review have decreased due to the lower income from investments.

Report of the Trustees for the Year Ended 30 June 2023

OBJECTIVES AND ACTIVITIES

Public benefit

The Trustees are aware of the Public Benefit Provisions of the Charities Act 2011 and of the guidance on them published by the Charity Commission. They are satisfied that the objects of the Charity and the activities of the Charity are within the definitions of Charitable purposes as set down in the Act. The Trustees are not aware of any public detriment caused by the Charity's objects or activities, and nor are they aware of anyone receiving private benefit from the Charity's activities.

Grant-making

The activities of the Charity are overseen by the Trustees who normally meet at least four times a year.

Applications for grants are first received by the Clerk to the Trustees who will make further detailed enquiries if necessary, so that the application can be put before the next meeting of the Trustees. In an emergency the Chairman is authorised to make a decision with the agreement of one other Trustee.

ACHIEVEMENT AND PERFORMANCE

Main achievements and activities

The Charity now has an internet/web presence, and this should result in more national applications.

The Charity continues to increase local marketing in order to apply the funds held for the charitable purposes.

Investment performance

The value of investments as at year end 30 June 2023 was £1,922,225 (2022: £1,842,871). The investment income during the year was £54,528 (2022: £53,925). Donations and legacies received were £950 (2022: £9,168).

FINANCIAL REVIEW

Principal funding sources

The main source of income during the year was that of dividends received on investments. The total income for the year was £55,478 that included donations and legacies (2022: £63,093).

Investment policy and objectives

The investment objective is to balance income and capital returns. The assets should be managed to at least maintain the real long term capital value whilst generating a level of income to support the charitable activities. An investment policy statement is in place to provide a framework for the management of its assets. It is reviewed on an annual basis to ensure its appropriateness. The investment structure is currently under review to increase the income within a safe financial structure.

Reserves policy

The Trustees' aim is to expend the income of the Charity in the year in which it is generated.

FINANCIAL REVIEW – cont

Total return policy

Trustees have adopted in 2022 a total return policy. It was confirmed that The Charity Commission permission for the Charity to adopt the use of Total Return in relation to its permanent endowment was not required. This power has yet to be exercised. The trustees agreed the base figure for the original fund was established at £1.2m. The trustees expect to draw approximately 1% to achieve the total return of 4%. The amount of the unapplied Total Return as at year end 30th June 2023 was £722,225. The movements in Unapplied Total Return for 2023 are shown in note 12 to the accounts.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is controlled by its governing document, an order of the Charity Commission dated 17th August 1999 and constitutes an unincorporated charity.

COMMENCEMENT OF ACTIVITIES AND BACKGROUND

Charity constitution

The Charity was established under the terms of the Will of Edwin Francis Gyde by an Order dated 29 July 1909. Two charities were established, the Gyde First charity and the Gyde Orphanage (latterly known as Gyde House).

The Gyde First Charity

The terms of the Will provided an endowment of £40,000. The income therefrom to be used towards the maintenance, education, training and support or benefit of blind or deaf and dumb children, preferably Protestant.

The Gyde House Charity

The benefactor left Gyde House for use as an orphanage. On 30 January 1998, an order of the Charity Commission allowed the house to be sold and the proceeds to be invested. The sale was completed in August 2000.

Amalgamation of the Charities

Under an order of the Charity Commission dated 17 August 1999 the two charities amalgamated to form The Gyde Charity.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

The appointment of trustees is handled in two ways: -

Nominated Trustees:

The organisation responsible for the appointment of Nominated Trustees is invited to recommend a nomination within the last six months of the nominated trustee's period of service coming to an end. The clerk will inform the Trustees of any proposed changes.

Co-opted Trustees:

As the period of service of a co-opted trustee is approaching the end, the Trustees and a suitable person chosen to maintain the breadth of experience and skills of the board will consider all nominations received by the clerk.

Organisational structure

Nominated trustees serve for a term of four years. The Co-opted trustees serve for a term of five years from appointment. The Trustees have appointed a clerk, Mrs S Baker, to undertake the general administration of the Charity.

Induction and training of new trustees

Trustees on appointment are made familiar of the Charity's background, its operational framework and objectives and a copy of the Charity's governing document together with the latest financial statements are distributed to them. All Trustees have been provided with a copy of the Charities Commission "Essential Trustee" Guidance booklet and understand their duties and responsibilities as trustees.

Risk management

The Trustees acknowledge their responsibility to assess and mitigate the major risks to which the Charity is exposed. The Trustees have conducted a review of the major risks to which the Charity is exposed and, where appropriate, systems or procedures have been established to mitigate those risks relating to fraud and error. Internal control risks are minimised by the implementation of procedures for authorisation of transactions.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Gyde Charity

Report of the Trustees
for the Year Ended 30 June 2023

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust governing documents require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period. In preparing those financial statements, the Trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust governing documents. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 19th September 2023 and signed on its behalf by:

Independent Examiner's report to the Trustees of The Gyde Charity

I report to the Charity Trustees on my examination of the accounts of The Gyde Charity (the Trust) for the year ended 30 June 2023.

Responsibilities and basis of report

As the Charity Trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Gyde Charity

Notes to the Financial Statements for the Year Ended 30 June 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the Charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The Charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the Charity has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year-end date are noted as a commitment but not accrued as expenditure.

Taxation

The Charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the Charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
