### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

The Chipping Campden School Charity was established under a Trust Deed dated 21st January 1991 and was registered with the Charity Commission on that date (Registered Number 311699). A modification order dated 7th April 1994 amended the number of nominated trustees and a further modification order dated 25th May 2001, which came into force on 10th June 2001, was made to the Trust Deed covering the transfer of Chipping Campden School (**the 'School'**) from Grant Maintained status to Foundation status. The Trust Deed was then further updated (and fully incorporated the provisions of the previous modification orders into a new fully comprehensive deed) on 15th June 2016.

Details of the Trustees who served throughout the period are included in the Reference and Administration Details on page 2.

Two full meetings of the Trustees were held in the year.

### **TRUSTEES RESPONSIBILITIES**

The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources during the year and of its state of affairs at the end of the year. In preparing those financial statements, the Trustees are required to:-

1. Select suitable accounting policies and then apply them consistently,
2. Make judgements and estimates reasonable and prudent,
3. Prepare the financial statements on the going concern basis unless it is appropriate to presume that the charity will not continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and breaches of law and regulations.

### **METHOD OF RECRUITMENT AND APPOINTMENT OR ELECTION OF TRUSTEES**

The updated Trust Deed of 15th June 2016 provides for 2 nominated Trustees and 7 co-opted Trustees. One of the Trustees is nominated by the School and the other by the Master and Fellows of Pembroke College, Oxford.

Although the Charity has a diverse group of committed Trustees, the Board of Trustees continues to seek new members and will consider prospective new Trustees who bring relevant experience and who would make a valuable contribution to the strategy and management of the Charity. All new Trustee appointments are discussed and approved at appropriately convened meetings of all Trustees. The Trustees recognise that the management of investments requires appropriate expertise; therefore, the need to have at least two trustees with sufficient financial and investment knowledge is taken into account when considering new appointments. Trustees are carefully planning for future retirements.

### **POLICIES AND PROCEDURES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES**

New Trustees are briefed on their obligation under Charity Law and appraised of the organisation and structure of the Charity. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

### **ORGANISATIONAL STRUCTURE**

The Board of Trustees are responsible for the overall governance of the Charity, and they make all decisions regarding the Charity.

### **OBJECTIVES AND ACTIVITIES**

The objects of the charity as set out in its Trust Deed, are to:

Provide for the School such special benefits as may from time to time be agreed between the Trustees and the Governors of the School: and

Promote the education (including social and physical training) of persons under the age of 25 years who are attending or who have for not less than two years attended the School and who are in need of financial assistance and in particular but without prejudice to the generality of the foregoing:

In awarding to such persons scholarships, exhibitions, bursaries, maintenance allowances or grants tenable to any School, University, College of Education, or other institution of further (including professional or technical) education approved for the purpose by the Trustees;

In providing financial assistance, outfits, clothing, tools, instruments or books to assist such persons to pursue their education (including the study of music and other arts), to undertake travel in furtherance thereof, or to prepare for or enter a profession, trade, occupation or service on leaving school, university or other educational establishment.

The Trustees are custodians of endowments that have been left for the benefit of Chipping Campden School and its students. The Trustees are obliged to protect those endowments in such a way as to be able to discharge the intentions of the benefactors, in perpetuity. Annual prizes to students is an example of how this occurs. The Trustees also consider a range of propositions from students and teachers that with small amounts of funding can enable and enrich the students overall education.

The Trustees continued to maintain strong links with the Master of Pembrookshire College, Oxford to further develop the important historical links between the College, the Charity and the Chipping Campden School Academy. This will result in more students at the school being able to visit Pembroke College.

### **PUBLIC BENEFIT**

The Trustees confirm that they have complied with the requirements in the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit in exercising their powers and duties. They have referred to this guidance when reviewing the Charity's objectives and aims and in planning its future activities and are satisfied that the Charity's activities comply with this guidance and are of public benefit.

### **ACHIEVEMENTS AND PERFORMANCE**

The activities of the Trust were limited in the year directly as a result of the impact of the worldwide Covid-19 outbreak on all aspects of society with the result that School operations and consequently those of the Trust were severely curtailed. Specifically, a Communications & Marketing review which commenced in 2019 and the proposed relaunch of the Hilda Terry scheme had to be put on hold during this period.

**Chipping Campden School Charity**  
**TRUSTEES ANNUAL REPORT**

During the year no new legacies were received by the Charity (2020: a legacy of £35,000 was received from Andrea and Paul Weller for the Charity to administer a new annual award to students showing excellence in the Arts, specifically photographic or digital media and creative arts).

The Board of Trustees paid a total of £9,000 in the year for alumni database management software and ratified a £150,000 funding commitment to equip the new Performing Arts Centre that is currently being built by the School on land previously gifted to the School by the Trust. Additionally, the Trustees have confirmed to the School that they will provide conditional support for the construction and fitting out of the Performing Arts Centre up to a further £150,000 in the event that ultimately there is a verified shortfall in funds raised externally by the School for this project. No Provision for any such possible additional support is made in these accounts as fund raising efforts are continuing and the Trustees understand that the project target is close to being achieved.

**PLANS FOR FUTURE PERIODS**

The Trustees plans for future periods are to ensure the Charity continues to fulfil its charitable obligations as the custodians of the endowments that have been left for the benefit of the School and its students.

**FINANCIAL REVIEW**

The total income generated by the Charity during the year was £45,058 which arose from the investment funds held by the Charity. The total expenditure for the year was £177,043 which covered the usual administrative costs, the funding of school prizes, the grant for the School's alumni database management software and the £150,000 commitment to the Performing Art Centre.

Overall, the Charity generated a surplus of £100,739 in the year, principally due to total gains on investments of £232,724 (unrealised gains of £206,930 and realised gain of £25,794) which arose as global investment markets recovered after significant falls in Q1 2020 following the worldwide Covid-19 outbreak.

At 31st March 2021, the investments held by the Charity had a market value of £1,503,976.

**INVESTMENT POLICY**

In accordance with the Charity Commission guide CC14, the Trustees have reviewed their mix of investments and risk levels. Trustees have taken advice from an IFA and will continue developing this relationship.

The Trustees regularly review the Charity's investments with due reference to their investment policy. This policy was reviewed and approved by the Trustees on 17th September 2018. Major investment is made in two quoted funds managed specially for charities by CCLA who have confirmed the investments are mid-range in their risk profile.

**RESERVES POLICY**

The Trustees policy is to review the reserve levels of the Charity on an annual basis. This review will encompass the nature of the income and expenditure streams, the need to match income with commitments and the nature of the Charity's reserves. The Trustees also take into consideration the future plans of the Charity, the uncertainty over some elements of future income streams and other key risks identified during the risk assessment process.

The reserves of the Charity are held towards providing the School and its students such special benefits as may from time to time be agreed between the Trustees and the school governors. Such benefits being for the promotion of education, scholarships and bursaries, and the provision of financial assistance to students where needed to further their overall development.

**RISK MANAGEMENT**

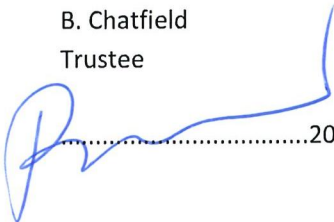

The Trustees have a risk management strategy comprising a regular review of the risk the Charity may face and procedures to mitigate those risks. The Trustees examine the investment performance of the Charity formally every quarter, reviewing the investment performance against expectations and overall balance and mix of investment funds.

State the amount of reserves the Charity holds at the end of the reporting period after making allowances after any restricted funds, and the amount of any designations / commitments which the charity considers to represent a commitment of the reserves they hold...

At 31st March 2021, the total reserves of the Charity were £1,487,579 of which £1,319,958 were represented by unrestricted funds.

Signed on behalf of the Charity's trustees

**INDEPENDENT EXAMINERS REPORT**

**Independent Examiner's Report to the trustees of Chipping Campden School Charity**

I report on the accounts of Chipping Campden School Charity for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under the Charities Act 2011, s.144(2) (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under charity law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under s.145 of the 2011 Act;
- to follow procedures laid down in the general Directions given by the Charity Commission under s.145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

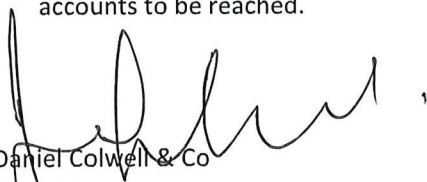

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with s.130 of the 2011; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act,

have not been met: or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
