REPORT OF THE GOVERNORS
for the year ended 31 August 2022

GOVERNORS AND DIRECTORS

Current Governors of the School who are Trustees of the Charity and Directors of the Company and who served during the year (except as noted) are:

- * David Buckley (Chairman)
- * Geoffrey Richards (Vice Chairman)
Dominic Benthall
- * Lord Blackwell
- * Andrew Butcher (appointed 17 August 2022)
Kate Costeloe
- Hilary Cowan (appointed 30 November 2021)
- * Jonathan Deakin (resigned 30 November 2021)
- * John Everett
- * Andrew Hunter Johnston
- * John Pagella
Alice Phillips
Vanessa Richards
- * Benedict Vanderspar (appointed 30 August 2022)
Veronica Wadley (resigned 30 November 2021)
Jonathan Willcocks

* Members of the Finance and General Purposes Committee

Governors serve for a term of four years and may be re-elected for a further two terms.

The Yehudi Menuhin School Limited

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

GOVERNORS' REPORT (INCORPORATING A STRATEGIC REPORT)

The Governors present their annual report and financial statements for the year ended 31 August 2022.

The Governors of the School who are also Trustees of the Charity and Directors of the company have pleasure in presenting their strategic report and financial statements for the year ended 31 August 2022. The financial statements comply with current statutory requirements, the Articles of Association and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (the FRS 102 Charities SORP).

REFERENCE AND ADMINISTRATIVE INFORMATION

The Yehudi Menuhin School was originally founded in 1963 by celebrated violinist Yehudi Menuhin as a charitable trust. The Yehudi Menuhin School Ltd, a company limited by guarantee (company number 00818389) and a registered charity (charity number 312010) was incorporated in September 1964. The liability of its Members in the event of the Company being wound up is limited to a sum of £1 each. The School is governed by its Articles of Association, updated in 2015.

GROUP STRUCTURE AND RELATIONSHIPS

The accounts include the results of The Friends of The Yehudi Menuhin School (registered charity number 312010-2). It raised funds from its members to donate to the school, and is governed by its Board.

A wholly owned non-charitable subsidiary, YMS Enterprises Limited, was established and incorporated on 17 December 2008 as a company limited by guarantee (company number 06775727). The company oversees the School's trading activities, and is governed by its Board. A further non-charitable subsidiary, YMS China Limited was established in December 2018 to promote the principles and ethos of The Yehudi Menuhin School in China by providing advisory services and granting rights subject to conditions. It advises the School's activities in China, and is governed by its Board.

The subsidiaries results are consolidated with the School's financial statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

GOVERNING BODY

Responsibility for the overall management and organisation of the School rests with the Governors, who meet at least on a termly basis. They are supported in carrying out their responsibilities by several committees and sub-committees. The Development Committee and the Finance and General Purposes (F&GP) Committee meet a few weeks before each of the termly meetings of the Council of Governors. The F&GP Committee is supported by sub-committees responsible for the overview of Risk Management, Investments, Audit and Remuneration. The Education Committee meets twice yearly, and a Nominations Committee meets to oversee the selection and appointment of new Governors when required.

The task of running the School on a day-to-day basis is the responsibility of the Head and he is fully supported by the members of the Leadership Team.

Remuneration of the Leadership Team is set according to market rates, the level of skills and experience required to deliver the roles, and affordability. The Remuneration Committee reviews the salaries for the Leadership Team and Head.

RECRUITMENT AND TRAINING OF GOVERNORS

Governors are appointed at Council Meetings or by written resolution on the basis of advice from the Nominations Committee. A skills register of all Governors is maintained and regularly reviewed to ensure that the Council has the necessary breadth, scope and expertise to support the School. New Governors are provided with induction material, and all Governors are informed of relevant training courses offered by various professional bodies (AGBIS, ISBA etc.) and encouraged to attend.

The Yehudi Menuhin School Limited

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

LEADERSHIP

Melanie Bloor-Black took over as Director of Pastoral Care and Designated Safeguarding Lead in September 2021. The Leadership Team has been extended by the creation of a new role: Head of Boarding, which was taken on by Robin Harskin.

OBJECTS, AIMS, OBJECTIVES AND ACTIVITIES

PRINCIPAL ACTIVITY

The School provides a specialist education to boys and girls aged 8 to 19 years with a specific and exceptional talent for music and facility on a stringed instrument (principal study: violin, viola, cello, double bass, guitar) or piano. The School accepts both boarding and day pupils, although the majority of pupils are boarders. Selection for a place at the School is based on musical potential and fit with the School's ethos and educational model, as assessed during the School's rigorous audition process. The School aims to offer places regardless of the financial circumstances of the applicant. It is inevitable that the provision of world-class education and training in music is costly given the high teacher: pupil ratio, with many lessons being one to one or even with two teachers working with one pupil. The Governors recognise the great efforts made by many parents in meeting these costs and the vital importance of funding by the UK Government's Music and Dance Scheme and donors to the School.

PUBLIC BENEFIT

The Governors confirm that they have complied with the duty in Section 17 of the Charities Act 2011 to have due regard to the general and sub-sector guidance issued by the Charity Commission on public benefit. The charitable purpose of the School within the meaning of the Act is enshrined within its Objects, as stated below.

The Governors ensure that this charitable purpose is carried out for the public benefit by working to make sure wherever possible that such specialist education and training is available to many of those who are sufficiently talented and would benefit from the activities of the School, irrespective of financial circumstances. In shaping the objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Public benefit is not just provided to the pupils at the School. The section in this Report headed 'Community engagement and outreach' summarises many other projects and events carried out within the local community, nationally and internationally, in accordance with the Objects of the School, e.g. opportunities for children to learn and perform music, pupils' concerts at care and nursing homes, assistance to local music teachers and opportunities for amateur musicians of all ages to perform in the School's Menuhin Hall.

CHARITABLE OBJECTS

The Objects of the charity are to provide and advance a general and specialised education and training of the highest order in music and the performing arts by means of a boarding and day school in the United Kingdom, where children from any part of the world with exceptional musical talent may be educated. The Objects include generally fostering music and the arts and general education of children by the provision of courses at the School throughout the year.

OBJECTIVES

The School's objectives for 2021-2022 were:

- To provide a world-class musical education
- To provide a solid all-round academic, artistic, physical and moral education
- To provide an environment where each pupil can develop musically, academically and socially, so that they are confident and able to follow their chosen path when they leave school
- To encourage pupils to contribute to school life and to the wider community, through volunteering and outreach
- To provide first-class staff

The Yehudi Menuhin School Limited

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

- To provide excellent facilities for music and general education and for pupils' pastoral care and welfare
- To provide access to the school to talented pupils through the Department for Education's Music and Dance Scheme, which covers school fees on a means-tested basis
- To provide bursaries to support those unable to pay the full fees who are ineligible for MDS funding or for whom no place is available due to the overall limit on MDS places
- To provide additional financial support through the school's Student Hardship Fund, on a means-tested basis, to allow pupils to take advantage of additional opportunities such as masterclasses, summer courses and competitions
- To raise funds through philanthropic donations and sponsorship and from activities undertaken by the school's trading subsidiary, YMS Enterprises Limited, in support of our charitable objects
- To invest in the long-term future of the school.

The School's achievement of its objectives is evidenced by pupil performance and learning outcomes. The School's commitment to access for talented pupils of all backgrounds is evidenced by consistent, ongoing, means-tested financial support to 90% of pupils via MDS or school bursaries. The School's financial performance is evidenced by performance against budget, as well as percentage increases and decreases in both revenues and costs. These measures are shown in the Financial Review section of this report.

ACHIEVEMENTS AND PERFORMANCE

'A first-class all-round education, with music at its heart'

The Governors are delighted to report that the School continued to perform at the highest level in every area over the last year.

MUSICAL HIGHLIGHTS

The School ran a busy programme of musical activities in the 2021-22 academic year.

A full programme of showcase concerts was in operation, and the public were readmitted to the Menuhin Hall following the pandemic restrictions imposed in the previous year. Particular highlights were an event designed to spotlight pupils who were making their debuts in the Menuhin Hall, a special event drawing together poetry and music to mark Remembrance Day, a Founder's Day concert in which staff performed alongside pupils, a Winter Festival which featured The Snowman alongside a series of chamber music recitals, and a well-received Summer Festival which included performances of Vivaldi's Four Seasons and an orchestral concert led by the Associate Artist, Maxim Rysanov.

In addition to the concerts hosted by the Menuhin Hall, the school enjoyed a busy programme of external concerts, including performances at the Chichester, Banstead and Beaminster Festivals, a series of recitals for Music in City Churches, a tour to Scotland, and a Leavers Concert at Kings Place.

Following the success of the previous year, the school recorded another musical advent calendar. Again, this proved to be a successful venture, showcasing the pupils' talents as both performers and arrangers, and generating additional interest and support from the public.

The school's chamber music programme continued to grow throughout the year, and more and more pupils were actively engaged in ensemble playing. Most programmes, whether internal or external, were evenly divided between solo and chamber repertoire, and a wide range of staff contributed towards the coaching of chamber groups.

Extra-curricular workshops over the course of the year included a series of 'listening club' sessions focusing on archived recordings and historic performance traditions, a visit by the acclaimed coach, Ken Rea drawing together the connection between music-making and body language / movement, a seminar on how to engage with audiences (from the art of marketing a concert through to the manner in which the artist presents themselves on and off stage), and introductions to music therapy. The latter formed a module which supported the development of the revised A3 course, freshly reworked to focus on a wider range of skills and experiences intended to help our leavers prepare adequately for life after YMS.

The Yehudi Menuhin School Limited

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

Once again, there were a number of notable competition successes, including two pupils who reached their respective section finals of the BBC Young Musician of the Year.

The Virtual Menuhin School continued to operate following its launch in the previous year. This provision has been created to connect with talented young musicians around the world, enabling them to develop an understanding of the YMS ethos and expectations through practical and academic music lessons delivered online, as well as promoting integration into the school community through attendance of Morning Meetings, concerts and other events, and group sessions with our current full-time pupils.

BOARDING PROVISION

The school's boarding community and pastoral care support our pupils' musical, academic and social development. The School has two separate boarding houses (Harris and Music House), at present accommodating 37 boys, and 38 girls. We offer full or weekly boarding and presently 13 of our 88 pupils are day pupils.

Each house has a live-in Housemistress (Director of Pastoral Care) or Housemaster (Head of Boarding) and Assistant Houseparent who work full time and are solely dedicated to their boarding role. Two other staff members live on site, supporting the team and undertaking one or two evening shifts per week. Music House has a Day Matron and Harris House has additional support from staff who work both in the boarding house as well as part of the wider school community. There is always a Designated Safeguarding Lead or a deputy on site and a member of the Leadership team is available for any necessary support, including out of hours and at weekends.

The houses proactively cultivate a family feel and the pupils often refer to school as their 'other home'. Younger pupils look up to the older ones as they would siblings, and older pupils frequently voice that they take pleasure in guiding the younger pupils both musically and morally. The community extends across the houses; there is no great divide between boys and girls.

One of the most important aspects of boarding is to ensure that there is enough 'down time' and that the pupils have protected time in which they can properly rest. Their days are long and physically tiring, and so time away from their instruments is vital. To this end the school offers weekly yoga, dance and free swim sessions during the week, as well as trips to the supermarket on a Friday evening. Weekends provide a good opportunity for students to relax and take part in extracurricular activities, if they would like to. This could be anything from trips to Cobham, baking or a craft activity, to playing football, walking in local areas of outstanding beauty, or local areas of interest, crazy golf or sushi making and pizza and waffle movie nights to name just a few. These trips and activities are free to attend and open to all ages, and a good mix of pupils regularly attend.

The close-knit boarding environment lends itself to staff being able to observe and support social development amongst the pupils. They learn the importance of listening to others, whilst being able to challenge and discuss differing opinions. They learn how to harmoniously share living space and they are encouraged to be kind and tolerant of each other's differences. The houses promote an all-inclusive ideology where everyone has equal worth and has the opportunity to speak their mind, without fear of reproach or judgement.

As the pupils move through the school, they are given more responsibility and opportunities to develop as responsible young adults. They may mentor a younger pupil, or help to host a Friends' reception, where they meet donors and visitors to the school. They are expected to speak with confidence at these events, and it forms an important part of their training in self-promotion and presence, crucial for future success at Conservatoire or the stage.

LEAVERS' DESTINATIONS

Graduating pupils left to continue their studies at the conservatoires and universities of their choice: The Royal College of Music (2), Guildhall(1), the Universitat der Kunste in Vienna (1), the Hochschule für Musik Hanns Eisler in Berlin (2), Hochschule für Musik und Tanz Köln in Cologne (1), The Julliard School in New York (1) and The University of Cambridge (1).

The Yehudi Menuhin School Limited

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

ACADEMIC ACHIEVEMENTS

On the academic front, pupils continued to perform exceptionally well. Summer 2022 saw the return of examinations after a 3-year gap due to the pandemic. At A level, 78% of grades were awarded at A*-B with a 100% pass rate. At GCSE level the school reported its best ever results with 54% of grades awarded at level 9 and 72% at level 7-9 with a 98% pass rate.

EXTRA-CURRICULAR ACTIVITIES

The Duke of Edinburgh Award Scheme continued to be very popular, with pupils signed up for Gold, Silver and Bronze categories. There were a number of expeditions to various parts of the UK including the North Downs, the Surrey Hills and the Peak District. The Brackenhurst Art Show returned this year and the number of categories was broadened to include art, creative writing, poetry and photography. There were several prizes awarded and winning entries were displayed in the Menuhin Hall foyer as part of our Summer Festival. Our annual Activities Day took place off-site this year and included exciting trips to London, Oxford and Brighton. Activities included paddleboarding, museum visits and a trip to see a musical in the West End.

COMMUNITY ENGAGEMENT AND OUTREACH

Outreach is central to our ethos, and we are constantly developing our community engagement programme to ensure that the School serves the broader community to the best of its abilities. To support the expansion of the School's outreach activities we employ a Community Partnerships Coordinator to drive forward and explore new initiatives, diversifying our engagement, nurturing new contacts and placing Outreach at the heart of school life.

The School ran a year-long series of twice-weekly visits to Cobham Free School in which YMS pupils worked side by side with CFS pupils, introducing them to music and musical instruments. Additional events included:

- A Family Day workshop aimed at young children with little previous musical knowledge, which was led by Keelan Carew with the assistance of several students. About 70 families were involved in the event.
- A Family Day workshop based around chopsticks, in which the Menuhin Hall and foyer were filled with pianos, and visitors were given the opportunity to play side by side piano duos with YMS pupils.
- A collaboration with the National Children's Orchestra in which a selection of YMS pupils participated in a workshop as ambassadors for the school
- A collaboration with the Benedetti Foundation which saw YMS host a Benedetti Session as part of the school's Summer Festival.
- The school hosted two 'Singing Picnics' led by Surrey Music Hub, which were attended by around 200 children.
- Our annual composition project with local secondary schools which resulted in 25 A-level and GCSE compositions being recorded by YMS musicians and utilising the school's facilities.

Tickets were free for all events to under-18s.

In addition, the school has sought opportunities to further engage with local community groups. During the Easter holidays, pupils performed for a local Rotary Club. In December 2021, pupils performed at a Social Club for the elderly in a local church. In the summer holidays of 2021 and 2022 present and former pupils gave free recitals in Fulham as part of the Hurlingham Arts Festival. These engagements were well-received and the school has been invited to come again.

SECURING FUNDING OF PUPILS' FEES FROM THE DEPARTMENT FOR EDUCATION

The school seeks to offer a significant number of places each year through the Department for Education's Music and Dance Scheme (MDS), which supports pupils who could not otherwise afford the fees. In 2021-22, the School

The Yehudi Menuhin School Limited

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

secured 61 places (2020-21: 61 places) from MDS, which were utilised to the fullest extent possible during the academic year. The MDS funding resulted in a total of £2,044,273 (2020-21 £2,179,165) being paid directly to the School from Government.

PHILANTHROPIC SUPPORT- PROVIDING TALENTED YOUNG MUSICIANS WITH THE OPPORTUNITY OF A LIFETIME

Philanthropy continues to play a vital part in the life of The Yehudi Menuhin School and we are deeply grateful to the many individuals and institutions who helped us to fulfil our charitable objectives. In total, £2,806,173 was received in donations and legacies this year. Our fundraising priorities for the year included raising money for bursaries alongside core costs.

BURSARIES; ENSURING ACCESS FOR ALL

In keeping with the School's mission of 'enabling children with potentially outstanding musical talent to attend the School, irrespective of their income, background, creed or country of origin,' the School offers additional financial support to students who fall outside the residency criteria for MDS, or for whom there is no place available. After applying uniform means-testing, the School looks to its vital bursaries to make up the shortfall in fees, allowing promising students from all backgrounds to access the School's world-class music and academic education.

Many individuals, trusts, foundations, and companies contributed to our Bursary Fund, for which we raised £798,325 during the year. We are particularly grateful to a local family of long-term YMS supporters who backed a match-funding campaign in support of Bursaries, which raised just over £391,000. We also wish to thank Arbutnot Banking Group Plc, the Behrens Foundation, John and Hilary Everett, Goldman Sachs Gives (at the recommendation of Yibo Bao), the Harvey-Julius Family Trust, the Holder Family, the Leverhulme Trust, the Linbury Trust, the Lovington Foundation, Mr Ronald and the Hon Mrs Rita McAulay, the Henri Moerel Foundation, the Willow Trust and the Audrey Wilson Charitable Settlement for their significant contributions, as well as others who wish to remain anonymous. We are also grateful for a significant legacy which has allowed us to establish the Michael and Sylvia Gent Eggett Bursary, and a legacy from the family of Michael, Valerie and Susannah Quick which has allowed us to proceed with plans to establish a public garden and woodland walk on the school site.

CORE COSTS

In line with the School's fundraising priorities, the Development team devoted significant time to securing funding for the School's core costs. We wish to recognise the particularly significant contributions of Mr Lionel Blackman, Lord and Lady Blackwell, the Behrens Foundation, the S E Franklin Charity No3 and Oak Foundation, as well as the members of the Menuhin Circle.

FRIENDS OF YEHUDI MENUHIN SCHOOL

The School has a linked charity, The Friends of Yehudi Menuhin School, which donated £35,000 (2020-21: £35,000). The Friends contributed to the Bursary Fund as well as refurbishments to the Art Room, our Leavers' Scores, and production costs for a forthcoming YMS recording. Our Friends traditionally provide our pupils with a highly supportive audience at The Menuhin Hall and are a deeply appreciated part of the YMS 'family'.

FUTURE FUNDRAISING PRIORITIES

The School will continue to devote considerable effort to raising money for bursaries and other targeted support for pupils, as well as further seeking to cover core costs, in particular music staff salaries.

OUR APPROACH TO FUNDRAISING:

The School believes that fundraising should be an open, honest and respectful process. We aim to build and maintain solid partnerships with our supporters and donors, based on mutual understanding and shared values. In developing our approach to fundraising we have taken account of the Code of Fundraising Practice issued by the Fundraising Regulator, and have voluntarily paid the Fundraising Levy. We abide by the Fundraising Promise, as outlined in the Code of Practice, and have internal procedures in place to protect vulnerable people and other members of the public from behaviour which is an unreasonable intrusion on a person's privacy or is unreasonably persistent, or places undue pressure on a person to give money or other property. The School operates with an

The Yehudi Menuhin School Limited

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

internal fundraising team and did not outsource any of its fundraising activities to external parties during the financial year. The School had no fundraising activities requiring disclosure under S162A of the Charities Act 2011.

The School's Privacy Policy, published on our website, clearly states what personal data the School will hold in relation to supporters and how this data will be used. The School's Fundraising Complaints Procedure, published on our website, outlines how to make a complaint about our fundraising activities. The School has received no complaints about its fundraising activities either during the financial year or subsequently.

PLANS FOR FUTURE PERIODS

The Governors and Leadership Team have identified a number of areas to develop within the School to maintain its reputation as a world leader in music education, providing the highest quality of instrumental training combined with a first-class academic curriculum under one roof. This encompasses continuing to improve the curriculum and standard of education offered to ensure pupils are well-equipped for a changing world and musical landscape; widening access to the School's expertise among the local community and on international fronts, and across an increased age range; improvements to teaching, learning and living facilities for current and future pupils as well as for staff; and ensuring that financial support is available for gifted pupils to attend the School.

To achieve those ends, the School has identified a need for strong international relationships; high-quality, modern facilities for its students, educators and staff; investment in technology for teaching, learning, and business; and a diverse range of income and funding sources, capitalising on current assets and international brand reputation. These strategic goals will be phased over the next 3 – 5 years. The leadership team has engaged all members of the school community (pupils, parents, staff and alumni) and also key external stakeholders, in an extensive and comprehensive consultation programme, which has fed into detailed plans for the School's strategic review.

In August 2019, the School announced the setting up of its first international music school, contributing The Yehudi Menuhin School name and expertise in setting up and running a specialist music school within a holistic academic environment.

Over a 3-year period YMS worked with the Qingdao Urban Construction Group to bring its unique model for music education to the Far East. The Menuhin School Qingdao opened on 3 September 2022, and YMS seeks to ensure that Yehudi Menuhin's vision and ethos runs through every area of the new institution. As the new school grows there will be opportunities for teacher and pupil exchange, which will benefit both current and future pupils, and UK staff will visit regularly to carry out inspections to make certain that the new school is adhering to the ideals of its British parent school.

The School also sees a need to expand its music teaching and practice facilities; to provide additional, upgraded accommodation for female boarders; and to increase its capacity for administrative and support staff. The School has aspirations to develop its existing site to meet these needs, by repurposing its buildings for future use.

FINANCIAL REVIEW AND RESULTS FOR THE YEAR

INCOME AND EXPENDITURE

The School benefited from donations and legacy income in year amounting to £2,806,628, an increase from £977,254 in 2020-21, primarily due to significant legacies and the match fund raising campaign in support of bursaries. The School received £1,716,809 of legacies in the year, £1,026,000 of which were restricted to bursaries. The surplus for the year before net losses on investments was £1,341,963 (2020-21: £165,353).

The total income increased by 35% (2020-21: 14.5% decrease) to £6,437,102 (2020-21: £4,776,161) as a result of the increase in donations and legacies. The Governors are grateful for the £59,556 from trading activities in YMS Enterprises Limited (2020-21: £74,761), and the £201,711 from activities in YMS China Limited that is paid to The Yehudi Menuhin School Limited in the form of a Gift Aid donation (2020-21: £172,514). Total expenditure increased by 11% (2020-21: 1.4% decrease) to £5,095,139 (2020-21: £4,610,809).

The Yehudi Menuhin School Limited

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

Total balance sheet funds of £25,627,581 are described in detail in note 18 to the accounts. The majority of these funds are for the buildings of the School itself, the instruments that are required for teaching and learning and the bursary funds to support pupils to attend the School. Endowment funds amounting to £7,807,318 are capital in nature and the income is used both for core expenditure and to fund bursaries. A further £2,578,526 are restricted funds which can only be used for the specific purposes determined by the donors. Of this amount £2,488,967 is for the purposes of providing bursaries to support pupils who would otherwise be unable to attend the School.

FIXED ASSETS - INVESTMENTS

The investments are governed by the Articles which permit the funds to be invested in any security, other investment or property situated anywhere in the world. The Governors have delegated the management of the investments to Sarasin & Partners LLP.

The aim of the Governors is to maintain real capital growth while producing an income of 3% per annum or more from a portfolio of investments, both equities and fixed interest securities, property fund and cash deposits.

At year end the School held investments valued at £8,968,222 (2021 £9,767,490). The fund valuation includes an unrealised loss in the year of £741,836 (2021 £991,539 unrealised gain).

PENSIONS

The School employees are members of one of two pension schemes: The Teachers' Pension Scheme and The People's Pension.

RESERVES POLICY AND GOING CONCERN

The School holds £2,122,319 in Permanent Endowments and £5,684,999 in Expendable Endowments. The Governors are required to hold the capital in the permanent endowment and therefore are unable to convert it to income. However, income from the fund is included in Restricted Funds (Note 18) and used for bursaries. Governors have the authority to convert the expendable endowment into income to support School activities. The income arising from this fund is included in the General Reserve. Details can be found in Note 18 to the accounts.

The Restricted Fund amounts to £2,578,526 (2020-21: £1,358,312) Details are in Note 18 to these Accounts.

In line with Charity Commission guidance that a Charity should maintain adequate reserves to ensure its ability to deliver its charitable objectives, the School holds unrestricted reserves for a number of purposes which are set out in Note 18 to the financial statements. Unrestricted reserves are those funds available to provide adequate working capital for the School to ensure it can meet its operational expenditure obligations as they fall due.

The School's General Reserve Policy is to aim to hold approximately four months' expenditure excluding depreciation, which amounts to an estimate of £1,222,000 as free reserves in a cash or liquid form. The General Reserves fluctuate during the School year and are at their lowest at the school year end, 31 August. At 31 August 2022 the general reserve was £1,831,474 (2020-21: £1,401,062).

PRINCIPAL RISKS AND UNCERTAINTIES

The Governors continue to keep the School's activities under review and monitor performance, with particular regard to any major risks which may arise.

The Governors' Risk Management Sub-Committee oversees the assessment and categorisation of the risks which the School is, or may become, exposed to in order to ensure that there are satisfactory systems established to manage those risks. A review of risks and the risk register is a routine item on the agenda of all Committee and Council meetings in order to ensure that the process is regularly reviewed and updated.

The main risks to the future of the School are the reduction or withdrawal of the funding for the places supported by the Department for Education under the UK Government Music and Dance Scheme (MDS), the withdrawal of charitable status from independent schools, the continued impact of Brexit on European pupil study in the UK and the wider arts landscape, and the impact to the School of the cost of living crisis and global economic recession. The School keeps the risk of the withdrawal or reduction of MDS funding under continuing review. To manage

REPORT OF THE GOVERNORS
for the year ended 31 August 2022

these risks, the Governors are regularly updated on the status of the School, its risk management, and related matters.

AUDITORS

Moore Kingston Smith LLP has expressed their willingness to continue as auditors for the next financial year.

GOVERNORS' RESPONSIBILITIES STATEMENT

The Governors (who are also directors of the charitable company for the purposes of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the Governors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the profit or loss of the charitable company for that period. In preparing these financial statements, the directors are required to:

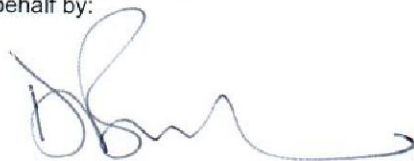

- Select suitable accounting policies and then apply them consistently
- Make judgements and accounting estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT OF DISCLOSURE TO AUDITORS

So far as each person who was a Governor at the date of approving this report is aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the Governors individually have taken all the necessary steps that they ought to have taken as Governors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

This report was approved by the Council of Governors at its meeting on 29 November 2022 and signed on its behalf by:

David Buckley
Chairman of Governors

The Yehudi Menuhin School Limited

INDEPENDENT AUDITOR'S REPORT
for the year ended 31 August 2022

Opinion

We have audited the financial statements of The Yehudi Menuhin School Limited (the 'parent charitable company') and its subsidiaries (the 'group') for the year ended 31 August 2022 which comprise the Consolidated Statement of Financial Activities, the Consolidated and Parent Charitable Company Balance Sheets, the Consolidated Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 31 August 2022 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and parent charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained in the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

The Yehudi Menuhin School Limited

INDEPENDENT AUDITOR'S REPORT
for the year ended 31 August 2022

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' annual report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' annual report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and parent charitable company and their environment obtained in the course of the audit, we have not identified material misstatements in [the strategic report or] the trustees' annual report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent charitable company has not kept adequate and sufficient accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company's financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Trustees' Annual Report and from preparing a Strategic Report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 11, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or parent charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud

The Yehudi Menuhin School Limited

INDEPENDENT AUDITOR'S REPORT
for the year ended 31 August 2022

may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the group and parent charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group and parent charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group or parent charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit report.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the charitable company.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the charitable company and considered that the most significant are the Companies Act 2006, the Charities Act 2011, the Charity SORP, and UK financial reporting standards as issued by the Financial Reporting Council.
- We obtained an understanding of how the charitable company complies with these requirements by discussions with management and those charged with governance.

The Yehudi Menuhin School Limited

INDEPENDENT AUDITOR'S REPORT

for the year ended 31 August 2022

- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.
- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charitable company and charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The Yehudi Menuhin School Limited

ACCOUNTING POLICIES

for the year ended 31 August 2022

1 ACCOUNTING POLICIES

The Yehudi Menuhin School Limited is a charitable company limited by guarantee with registered number 00818389, registered in England and Wales. Its registered office is Millfield, Cobham Road, Stoke D'Abernon, Cobham, Surrey, KT11 3QQ.

1.1 BASIS OF PREPARATION

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The School and its subsidiaries are a public benefit entity for the purposes of FRS 102 and therefore the School also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP), the Companies Act 2006 and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the School. Monetary amounts in these financial statements are rounded to the nearest pound.

These financial statements are prepared on the going concern basis, under the historical cost convention as modified by the revaluation of investments and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The principal accounting policies, which have been applied consistently throughout the year, are set out below.

Basis of consolidation

The Group comprise The Yehudi Menuhin School Limited, YMS Enterprises and YMS China Limited. The assets, liabilities and results of the wholly owned subsidiary companies, YMS Enterprises and YMS China Limited, are consolidated into these financial statements. Summarised details of the subsidiary companies are set out in Note 25 and 26. All activities as per Consolidated Statement of Financial Activities (SOFA) relate to continuing operations.

1.2 GOING CONCERN

CLIENT TO UPDATE

The Governors have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charitable group as a going concern. The governors have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the governors have considered the charitable group's forecasts and projections and have taken account of pressures on fee income and fundraised income in the current economic climate. The governors have concluded that there is a reasonable expectation that the charitable group has adequate resources to continue in operational existence for the foreseeable future.

As such the School can expect to be able to meet its liabilities as they fall due in the period of at least 12 months from the date of approval of these accounts.

On this basis the Governors have concluded that the School is a going concern. The financial statements do not include any adjustments that would result from the group not being able to meet its liabilities as they fall due.

1.3 COMPANY LIMITED BY GUARANTEE

The charitable company is limited by guarantee to the extent of £1 each from the guarantors at the present time, being the Governors of The School.

1.4 FEES RECEIVABLE AND SIMILAR INCOME

Fees receivable comprise tuition fees paid by parents, grants towards fees from the Department for Education through the Music and Dance Scheme and the parental contributions. Fees receivable and charges for services and use of premises are accounted for in the period in which the service is provided.

1.5 GOVERNMENT GRANTS RECEIVABLE

Government grants received in respect of pupils' fees and other grants are included within income in the year to which they relate.

1.6 BURSARY FUNDS

The School receives some of its income primarily for the provision of scholarships, bursaries and prizes. These amounts are held within restricted funds.

1.7 DONATIONS AND LEGACIES

Donations receivable for the general purpose of the Charity are credited to 'unrestricted funds'. Donations for purposes restricted by the wishes of the donor are taken to 'restricted funds' where these wishes are legally binding on the governors. Donations required to be retained as capital in accordance with the donor's wishes are accounted for as 'endowments' — permanent or expendable according to the nature of the restriction.

Legacies or gifts of residue are recognised when there is adequate certainty and reliability of receipt and their value can be accurately measured.

The Yehudi Menuhin School Limited

ACCOUNTING POLICIES

for the year ended 31 August 2022

1.8 RESOURCES EXPENDED

Expenditure is classified under the two principal categories of Raising Funds and Charitable Activities rather than the type of expense, in order to provide more useful information to users of the financial statements.

Expenditure on Raising Funds includes the costs incurred in generating voluntary income, for example, donations and legacies. Charitable Activities comprise direct expenditure including direct staff costs attributable to the activity. Where costs cannot be directly attributed, they have been allocated to activities on a basis consistent with use of the resources. Governance costs include the costs now being apportioned to charitable activities incurred for compliance with constitutional and statutory requirements.

1.9 VALUE ADDED TAX

The School is not registered for Value Added Tax. All expenditure is therefore included under the expense headings to which it relates inclusive of any Value Added Tax.

1.10 TAXATION

The School is a registered Charity and is exempt from taxation on income arising from and expended on its charitable activities.

1.11 FIXED ASSETS AND DEPRECIATION

Freehold buildings are carried in the balance sheet at their cost less depreciation as the Governors consider it is not appropriate to apply a current value to such property. The cost of new buildings is added to fixed assets as it is incurred. Only purchases of assets over £5,000 are included as fixed assets.

String instruments are recognised in the accounts at either their original cost where this information is known, at an estimated valuation in 2002 where they were donated prior to 2002, or at an estimated valuation at the date of donation if this is after 2002.

String instruments are not depreciated as the quality of the instruments held is such that their likely useful life is in excess of 50 years.

Depreciation is provided on the cost or valuation of assets, over the estimated useful life of the assets. The rates of depreciation are as follows:

Assets under construction	- nil
Freehold Buildings	- 2% on cost
Furniture and Equipment	- 25% on cost
Motor Vehicles	- 25% reducing balance
Instruments - Pianos and	- over ten years
IT Software	- over three years
Assets held under finance	- over the term of the lease

Land is not depreciated and freehold buildings are only depreciated once brought into use.

1.12 STOCKS

Stocks are stated at the lower of cost or net realisable value.

1.13 PENSION COSTS

The School contributes to the Teachers' Pension Defined Benefits Scheme at rates set by the Scheme Actuary and advised to the Board by the Scheme Administrator. The scheme is a multi employer pension scheme and it is not possible to identify the assets and liabilities of the scheme which are attributable to the School. In accordance with FRS102, therefore, the scheme is accounted for as a defined contribution scheme.

All non-teaching staff are entitled to join a group personal pension scheme. The current scheme for the purpose of auto enrolment is The People's Pension a money purchase scheme.

1.14 INVESTMENTS

Investments are valued in the balance sheet at their mid-market value at the balance sheet date. The SOFA includes realised and unrealised gains and losses arising from the revaluation of the investments in the year.

Investment property is included in the financial statements at fair value, with any surplus or deficit on revaluation included as an unrealised gain or loss.

1.15 CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

1.16 FINANCIAL INSTRUMENTS

The School has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the School's balance sheet when the School becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

The Yehudi Menuhin School Limited

ACCOUNTING POLICIES

for the year ended 31 August 2022

1.19 EMPLOYEE BENEFITS

The costs of short-term employee benefits are recognised as a liability and an expense. The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received. Termination benefits are recognised immediately as an expense when The School is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.20 FUNDS

Permanent Endowment — These are funds where the Governors are required to hold capital, as represented by the investments, and are not entitled to spend it. Income arising from these funds is included within restricted funds in accordance with the donors' wishes.

Expandable Endowment — These are capital funds where the Governors are entitled to disburse the capital as well as income arising from the invested funds.

Restricted — these are monies which have legal restrictions on their use where donors have specified the funds can only be spent on certain of the School's activities.

Unrestricted — General funds are available for use at the discretion of the Governors in furtherance of the School's general objectives. Designated funds are set aside out of general funds by the Governors, for particular purposes.

2 CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimate are considered by the Governors to have the most significant effect on amounts recognised in the financial statements.

i. Instrument valuation

String instruments are included in the accounts at original cost or an estimated value if donated prior to 2002 or an estimated value at date of donation after 2002. The values are sensitive to the condition of the instrument and external market factors.

ii. Depreciation

The annual depreciation charge for property, plant and equipment is sensitive to change in useful economic life and residual values of assets. These are reassessed annually.

iii. Valuation of investments

The value of investments reflects the movement of the stock and other markets and can therefore decrease as well as increase. The value of the investment property is dependent on factors affecting house prices in the United Kingdom, local market fluctuations and the impact of the Coronavirus pandemic.

3 FEE INCOME

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 August 2022

Other Governance Costs include:	2022	2021
	£	£
Auditors' remuneration		
- Audit Fees	28,680	26,094
- Accountancy Fees	7,182	6,540
- under provision from previous year	742	5,173
- Other fees	5,238	5,803

8 STAFF COSTS

	2022	2021
	£	£
Wages and salaries	2,236,785	2,087,532
Social security costs	224,678	206,325
Other pension costs	352,327	338,943
Other staff costs	352,163	447,455
	<u>3,165,953</u>	<u>3,080,255</u>

The average monthly number of employees during the year was as follows:

	2022	2021
	No.	No.
Teaching	30	29
Non-teaching	43	41
	<u>73</u>	<u>70</u>

The number of employees whose emoluments amounted to over £60,000 in the year was as follows:

	2022	2021
	No.	No.
£60,000 - £70,000	1	2
£70,001 - £80,000	1	2
£80,001 - £90,000	2	1
£100,001 - £110,000	1	1

Pension contributions for the year amounted to £81,823 (2021: £71,603) for the above employees.

Key management personnel include the Governors (who are not remunerated) and the Leadership team. The total remuneration including pension contributions, employer's National Insurance and benefits received by key management personnel were £676,439 (2021: £611,893).

9 GOVERNORS REMUNERATION AND BENEFITS

There was no Governors' remuneration for the year ended 31 August 2022 nor for the year period 31 August 2021.

No governor (2021: none) was reimbursed expenses in the year (2021: £nil).

Trustees Indemnity Insurance cost £140 (2021: £140). Donations were also received from 10 Governors during the year totalling £37,721 (2021: £12,854 from 12 Governors).

10 PENSIONS

The School participates in the Teachers' Pension Scheme ("the TPS") for its teaching staff. The pension charge for the year includes contributions payable to the TPS of £273,519 (2021: £194,547) and at the year end £nil (2021: £nil) was accrued in respect of contributions to this scheme.

The TPS is an unfunded multi-employer defined benefits pension scheme governed by The Teachers' Pensions Regulations 2010 (as amended) and The Teachers' Pension Scheme Regulations 2014 (as amended). Members contribute on a "pay as you go" basis with contributions from members and the employer being credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The Yehudi Menuhin School Limited

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 August 2022

The employer contribution rate is set by the Secretary of State following scheme valuations undertaken by the Government Actuary's Department. The most recent actuarial valuation of the TPS was prepared as at 31 March 2016 and the Valuation Report, which was published in March 2019, confirmed that the employer contribution rate for the TPS would increase from 16.4% to 23.6% from 1 September 2019. Employers are also required to pay a scheme administration levy of 0.08% giving a total employer contribution rate of 23.68%.

The 31 March 2016 Valuation Report was prepared in accordance with the benefits set out in the scheme regulations and under the approach specified in the Directions, as they applied at 5 March 2019. However, the assumptions were considered and set by the Department for Education prior to the ruling in the 'McCloud/Sargeant case'. This case has required the courts to consider cases regarding the implementation of the 2015 reforms to Public Service Pensions including the Teachers' Pensions.

On 27 June 2019 the Supreme Court denied the government permission to appeal the Court of Appeal's judgment that transitional provisions introduced to the reformed pension schemes in 2015 gave rise to unlawful age discrimination. The government is respecting the Court's decision and has said it will engage fully with the Employment Tribunal as well as employer and member representatives to agree how the discriminations will be remedied. The government announced on 4 February 2021 that it intends to proceed with a deferred choice underpin under which members will be able to choose either legacy or reformed scheme benefits in respect of their service during the period between 1 April 2015 and 31 March 2022 at the point they become payable.

The TPS is subject to a cost cap mechanism which was put in place to protect taxpayers against unforeseen changes in scheme costs. The Chief Secretary to the Treasury, having in 2018 announced that there would be a review of this cost cap mechanism, in January 2019 announced a pause to the cost cap mechanism following the Court of Appeal's ruling in the McCloud/Sargeant case and until there is certainty about the value of pensions to employees from April 2015 onwards. The pause was lifted in July 2020, and a consultation was launched on 24 June on proposed changes to the cost control mechanism following a review by the Government Actuary. Following a public consultation, the Government have accepted three key proposals recommended by the Government Actuary, and are aiming to implement these changes in time for the 2020 valuations.

The 2016 cost control valuations have since been completed in January 2022, and the results indicated that there would be no changes to benefits or member contributions required. The results of the cost cap valuation are not used to set the employer contribution rate, and HM Treasury has confirmed that any changes to the employer contribution rate resulting from the 2020 valuations will take effect in April 2024.

Until the 2020 valuation is completed it is not possible to conclude on any financial impact or future changes to the contribution rates of the TPS. Accordingly, no provision for any additional past benefit pension costs is included in these financial statements.

The Yehudi Menuhin School Limited

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 August 2022

Designated Funds:

Wallace Curson: These funds are usually given to students in their final year when they leave the School.

Designated Bursary Fund: This represents legacy income received. This is to be used for bursaries as and when the need arises.

Fixed asset Funds:

The fixed asset funds represents money held in tangible fixed assets used by the School.

Restricted Funds:

Restricted Bursary Funds: These funds arise from legacies, grants and donations made for the specific purpose of providing bursaries to students: the recipients and amounts of bursaries are determined by the Head and Governors.

Other Restricted Funds: These funds arise from grants and donations made for specific purposes other than bursaries.

Transfer of Funds:

The transfer of funds from restricted Bursary Funds to the unrestricted General Reserve represents the bursaries provided to the students in the year.

Transfer of funds from other restricted funds to unrestricted general reserve represent the transfer of assets as the money has been used for the purpose for which it was given.

Endowment Funds:

Permanent Endowment Funds are those where Governors are required to hold the capital and are not entitled to convert it to income. Income arising from these funds is included within restricted funds and is spent in line with the wishes of the donor.

Expendable Endowment Funds are those where the Governors have the power to convert the fund or part thereof to income.
