DULWICH PREPARATORY SCHOOLS TRUST

ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

DULWICH PREPARATORY SCHOOLS TRUST
ANNUAL REPORT OF THE TRUSTEES
YEAR ENDED 31 AUGUST 2022

The Trustees present their annual report together with the audited financial statements of the Dulwich Preparatory Schools Trust (the Trust) for the year ended 31 August 2022.

The Trustees confirm that the annual report and financial statements of the Trust comply with the current statutory requirements, the requirements of the Trust's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (Charities SORP FRS102).

Status and administration

The Trust is a company limited by guarantee (Company Number 579923) and is registered with the Charity Commission under Charity Number 312715.

Trustees' responsibilities

The Trustees (who are also directors of Dulwich Preparatory Schools Trust for the purposes of company law) are responsible for preparing the Trustees' report (including the strategic report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources, including the income and expenditure, of the Trust for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as each Trustee is aware, there is no relevant audit information of which the Trust's auditor is unaware, and
- each Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the Trust's auditor is aware of that information.

DULWICH PREPARATORY SCHOOLS TRUST
INDEPENDENT AUDITOR'S REPORT
FOR THE YEAR ENDED 31 AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trust is the parent charity of two independent school charities, Dulwich Prep Cranbrook and Dulwich Prep London ('the Schools') – together "the Group". The Trust supports the provision of education by the two Schools and the two Schools lease their facilities from the Trust. Members of the Trust comprise the Trustees of the Dulwich Preparatory Schools Trust, together with all the Governors of the Schools.

The Trust's Articles reflect the Companies Act 2006 and the Charities Act 2011.

Trust Board

The Trustees of the Trust are charity Trustees under charity law and Directors of the Trust for the purposes of company law.

DULWICH PREPARATORY SCHOOLS TRUST
ANNUAL REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2022

Management Structure

The Board meets a minimum of three times per year, normally once per academic term. There are three Independent Trustees, including the Chairman, and each of the Schools nominates two of its Governors (normally including the School's Chairman) as Trustees. The Board has a Finance Committee which meets a week or two prior to Trust Board meetings, and at other times when necessary, to discuss financial matters on which it advises the Board. The Trust considers the performance of each School, their future plans, budgets and operation, together with applications for capital investment.

Trustee Recruitment & Training

The Board is self-appointing, with new Trustees identified and appointed following agreement from all current Trustees. Trustees serve for an initial term of four years, but may offer themselves for re-election for a second term of four years and then a final term of two years, making ten years in total, except in exceptional circumstances.

New members of the Board are elected on the basis of the candidates' professional qualities, experience, personal competence and the specific needs of the Trust. New Trustees are inducted into the workings of the charitable company via a programme organised by the Secretary. The Secretary will also notify members of the Board of relevant external Trustee training and information courses and seminars designed to keep them informed and updated on current issues in the sector and regulatory requirements.

Charity Code of Governance

The Board takes its governance responsibilities seriously and the Group aims to have a governance framework that is fit for purpose, compliant and efficient. The Group has established a solid foundation in governance in which all of its Trustees are clear about their roles and legal responsibilities, are committed to supporting the Trust in delivering its objects most effectively for the benefit of its beneficiaries and contributing to the continued improvement of the Schools.

The Group meets the key outcomes set out in the seven areas of the Charity Governance Code. The structure of the Group and the relationship between the Trust and the two Schools are designed in such a way as to ensure that recommended practice is observed and, where specific aspects are delegated to the Schools, these aspects are regularly monitored.

Employment policy

The Trust and each of the Schools is an equal opportunities employer. Full and fair consideration is given to job applications from disabled persons and due consideration is given to their training and employment needs. Consultation with employees, or their representatives, has continued at all levels with the aim of taking the views of employees into account when decisions are made that are likely to affect their interests. Employees are made aware of the financial and economic performance of the relevant School.

Communication with employees continues through normal management channels in a variety of forms. The Trust's only employee is the Secretary who is part time.

STRATEGIC REPORT

The remainder of the report of the Trustees also constitutes the strategic report for the purposes of the Companies Act 2006.

Principal activity and objects of the charitable company

The principal activity of the Trust is the advancement of education in the United Kingdom and elsewhere, currently through the support provided to the two Schools.

The Board is mindful of the long-standing need to provide public benefit and strives to do so through the support of development in education generally, through bursaries (mainly provided by the two Schools), through working with other educational bodies and the promotion of best practice.

Aim

The Trustees' aim is that pupils at the Schools should benefit from the provision of first class facilities to enable them to fulfil their potential on all fronts - academic, artistic, dramatic, musical, sporting, social and moral.

Primary objective

The Trust is a charitable trust which promotes the advancement of education in a broad context and in particular at its two Schools in London and Kent.

Strategies to achieve the primary objective

The Trust seeks to achieve its primary objective through the implementation of the following strategies:

- By providing an excellent education at Dulwich Prep Cranbrook and Dulwich Prep London;
- Through the provision of bursaries and other financial support to enable children whose parents would not otherwise be able to afford the fees to benefit from an education at the Schools;
- By raising funds in support of education and organising, or making grants towards, lectures, seminars, broadcasts or courses of instruction;
- By considering ways in which technology can be used to enhance teaching and learning;
- Through the provision of classrooms and buildings generally in connection with education at Dulwich Prep London and Dulwich Prep Cranbrook and elsewhere;
- Through the provision of playing fields, games courts, recreational grounds and pavilions, swimming pools and other facilities in connection with sports, games and recreational activities of all kinds at Dulwich Prep London and Dulwich Prep Cranbrook and elsewhere;

DULWICH PREPARATORY SCHOOLS TRUST
ANNUAL REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2022

- By setting rents at a level to ensure the financial viability of the Schools and at a level that is consistent with future capital investment to provide a first class education to boys and girls at the Schools;
- Through the maintenance of a clear and effective management structure and the necessary support framework to meet the needs of the Schools;
- By acting as banker to the Schools and by lending money to facilitate the cash flow of each School.

The Trust considers bids for capital expenditure from the Schools to enhance the Schools' facilities. The Trust provided £500k to fund an enhancement of the Pre-Prep facility at Dulwich Prep London which was completed in August 2021.

While much of the Trust's property is freehold it leases parts of its London facilities from the Dulwich Estate. In February 2021 a 50 year lease extension to 2081 was signed on the main site which extends the Trust's leases on its key London facilities for the benefit of Dulwich Prep London. In January 2022, the Trust entered into new lease agreements with Dulwich Prep London for these properties and certain other properties owned by the Trust and used by the School. The leases between the School and the Trust are on substantially similar terms (as to rent, rent review and duration) to the leases between the Trust and the Dulwich Estate.

A strategic review at Dulwich Prep Cranbrook conducted during the year has led to the decision to extend the scope of the School's education to the age of 16+. This will involve significant redevelopment of its existing facilities and the Trust has agreed to provide funding in the region of £2 million to effect this project. The project is expected to commence in early 2023 with planned completion in time for the start of the academic year 2023/24 in September 2023. A strategic review is also underway currently at Dulwich Prep London.

Public benefit

The Trust remains committed to the aim of providing public benefit in accordance with its founding principles. Charity legislation includes a requirement to demonstrate public benefit for any charitable purpose where it had hitherto been presumed in the absence of evidence to the contrary. This calls in turn for commensurate disclosure of our public benefit aims.

The awarding of bursaries for the needy is a measurable means of providing public benefit. The Board takes the view that bursaries awarded to those who would not otherwise be able to afford the fees are important, but not to the exclusion of the much wider benefit that the Trust provides within the community. The Trust's public benefit commitment is currently delivered primarily through the two Schools, each of which has a bursary programme. During the year the Trust's Schools provided means-tested bursary support totalling £449k to 40 pupils (2021: £445k to 38 pupils) of which 18 were for 70% or more of full fees. In addition, there was support for local charities and educational bodies through fund-raising activities, outreach programmes and the loan of facilities. Both the Trust's Schools actively promote child mental health awareness with Dulwich Prep London employing a dedicated counsellor while Dulwich Prep Cranbrook retains Place2Be. Although more limited than in previous years due to COVID-19, a number of state schools benefited from the Trust's Schools in a variety of ways from the use of facilities to support from staff.

The Trust does not engage with any external third party fundraisers. There have been no complaints in the period regarding inappropriate or intrusive contact in relation to fundraising

activities.

Streamlined Energy and Carbon Reporting (SECR)

The Trustees have considered the requirements of The Companies (Directors' Report) and Limited Liabilities Partnerships (Energy and Carbon Report) Regulations 2018. The two Schools each meet two of the criteria for non-disclosure and therefore are not required to produce a report. As a result, since the Trust, as the parent entity, does not produce any emissions, the Trustees have concluded that the Group does not need to submit a return.

Section 172(1) Report incorporating Statements of Employee and Stakeholder engagement

The Trustees of the Trust, as Directors of the Company, act in the way they consider, in good faith, would be most likely to promote the success of the Group for the benefit of its members as a whole and in doing so have regard to:

- a) The likely consequences of any decision in the long run;
- b) The interests of the Group's employees;
- c) The need to foster the Group's business relationships;
- d) The impact of the Group's operations on the community and the environment;
- e) The desirability of the Group maintaining a reputation for high standards of business conduct;
- f) The need to act fairly.

The Trust achieves the success of its wider charitable purposes through the activities undertaken by its Schools, which are regularly monitored and assessed. This incorporates the desire to meet the requirements of all stakeholders, whether pupils and the wider community, staff, donors, fee payers and suppliers.

The Trustees consider that they have promoted the Trust's charitable purpose, as set out in aims and objectives on page 4, in the following ways:

- a) The likely consequences of any decision in the long run:

- The Trustees have considered the long-term sustainability of the Schools' operations, as set out in the Going Concern section of the Financial Review on page 9.
- The Board sets and approves strategic direction and policy, meets three times each year and additionally as required. The Board monitors the work of the Schools through its Finance Committee and through reports from the Schools' representatives on the Trust Board. The Finance Committee reviews the Schools' financial plans on a termly basis by monitoring income and expenditure against forecasts within the context of the annual budgets and the rolling 5 year financial plans. Capital expenditure plans and cash flow requirements are also closely reviewed, particularly in the light of the Trust's borrowing commitments and repayment requirements.
- Risk management is incorporated into all of the Group's operations and robust risk management procedures are well established. The most significant risks are discussed at each relevant Trust Board meeting. Further details are contained on pages 9 & 10.
- The Trustees review and endorse all policies to ensure consistent long term regulatory compliance.

- b) The interests of the Group's employees:

- Authoritative and frequent communication with staff at the two Schools has been conducted

DULWICH PREPARATORY SCHOOLS TRUST
ANNUAL REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2022

by regular staff team meetings and routine weekly written communications to staff and parents. Staff have been kept informed about staffing, financial and strategic issues affecting them and the Schools.

- Full details of the employment policy are contained on page 3.
- The Trustees receive regular reports on staff matters through the Schools' termly reports.
- All senior management are involved in the early stages of the strategic plan development, and staff are updated on the plan and priorities at the start of each academic year.
- Meaningful engagement is encouraged through the staff forum at each School where employees across all departments discuss and make recommendations direct to senior management. A diverse programme of well-being activities is available to all staff.
- At both Schools there was a full consultation programme prior to each School's decision to withdraw from the Teachers' Pension Scheme.

c) The need to foster the Group's relationships with stakeholders:

- The Group's beneficiaries and donors are the focus of all the Schools' operations.
- A fair and consistent selection policy ensures a diverse and thriving pupil body who are fully supported throughout their education from nursery to external examinations for the senior schools of their choice, enabling and preparing pupils for later life.
- Robust recruitment of the best teachers and valuing staff supports stability and a high standard of education.
- A fair policy of bursary awards, consistently applied, supports families who may not otherwise be able to access education at the Schools.
- The parent contract forms the basis of the relationship with fee payers. This is reviewed regularly to ensure best practice and then applied fairly and consistently. Parental engagement is maintained through regular correspondence and termly publications.
- All suppliers are treated fairly and promptly with adherence to business terms.
- The Group receives regular reports and updates in fundraising regulations through the Schools; the Schools do not engage with any external third party fundraisers.

d) The impact of the Group's operations on the community and the environment:

- The Group supports the Schools in undertaking a full provision of community and partnership activity.
- Full details are contained on page 5.

e) The desirability of the Group maintaining a reputation for high standards of business conduct:

- The Schools' Bribery Policies set out the responsibilities for staff to report any incidents or suspicion of fraud, bribery or corruption arising in the course of their work and to cooperate fully with related investigations. The Schools take a zero tolerance approach towards fraud, bribery and corruption. The Whistleblowing Policies support staff in this approach.

f) The need to act fairly:

- All Trustees and senior staff complete an annual Conflict of Interest Declaration. There have been no reported incidents of unacceptable relationships.

ANNUAL REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2022

ACHIEVEMENTS AND PERFORMANCE

Review of achievements and performance for the year

At the start of the year the Schools continued to be affected by COVID-19 and various control measures were initiated which enabled the Schools to remain open. As the control measures were relaxed during the year the Schools' academic timetable returned to normal, including the provision of art, drama, music and sport. Furthermore, the Schools' typical programme of events, including concerts, matches, museum & other visits and overseas trips, were reinstated.

Despite the early disruption the Trust's Schools sent 157 pupils to over 45 different senior schools, including many of the top schools in the UK. Between them these pupils gained the offer of 84 scholarships and awards. The Trust's recognition of the importance of providing a first class education was demonstrated by the variety of these awards which were achieved not only for academic success, but also for art, DT, music and sport.

The £4.3 million bank loan taken out by the Trust to fund the Lower School project in London project is being repaid in accordance with the terms of the loan. The development of the Pre-Prep facility to create two new classrooms was completed in August 2021 and funded by the Trust in support of Dulwich Prep London.

FINANCIAL REVIEW

The Group's net income for the year ended 31 August 2022 amounted to £1,684,920 (2021: £786,218). The net book value of fixed assets amounted to £43,151,678 (2021: £43,635,391).

The Trust receives income through the rents received from the Schools for their use of educational and residential property. It also benefits from donations of surplus funds from the Schools when the Schools' reserves policies permit. In addition, the Schools seek to enhance their income through letting their facilities both to regular and casual hirers. In the early part of the year there were certain restrictions on these lettings, as well as the holiday activity programme run by Dulwich Prep London, but these lettings recovered during the year, although with a consequential reduction in income over the full year.

Reserves

The Trust's reserves policy is to maintain its free unrestricted reserves at a minimal level given the confidence it has in its continuing income stream from the Schools, both from rents and from any surpluses. At any time, however, it may build up reserves in anticipation of a future capital project to support the Schools or to support its other charitable objectives. Alternatively, as at present, it may be prepared to borrow funds for the short to medium term to invest in capital projects to support the Schools. At the year end, therefore, the Trust had negative free unrestricted reserves of £4,345,218 (2021: £7,255,370). Funds held by the Group at the year-end totalled £40,813,804 (2021: £38,727,884) with negative free unrestricted reserves of £2,360,731 (2021: £4,378,202).

DULWICH PREPARATORY SCHOOLS TRUST
ANNUAL REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees have considered the reserves policy and have concluded that no adjustments to the policy need to be made.

Going concern

All the pupils returned to the Schools for the start of the Autumn Term 2022. However, the continued risks associated with Covid and the possibility of further lockdowns are encouraging a cautious approach. The future strategy at both Schools is currently under consideration and Dulwich Prep Cranbrook has announced the intention to expand to age 16+. No decision on future strategy has yet been taken at Dulwich Prep London. However, negotiations have been opened with Southwark Council over the assignment of the unexpired term of their lease of the Mary Datchelor playing fields from the Dulwich Estate.

Having assessed both the Trust's and the Group's financial position and its available facilities, the risks to which it is exposed and the detailed cash projections noted above the Trustees are satisfied that it remains appropriate to prepare the statements on a going concern basis.

Future plans

- To continue to stretch and challenge all pupils academically irrespective of their level of ability and to offer them a broad range of artistic, musical and sporting options.
- To give children the opportunity to move on to a large and varied range of senior schools.
- To continue to seek and provide opportunities to engage with local maintained schools and the wider community and through this to ensure staff, parents and pupils have an appreciation of the world around them and the difference they can make.
- To offer bursary places at the Schools to pupils whose parents would not otherwise be able to afford the fees.
- To continue to increase pupil numbers.
- To continue to ensure financial stability.
- To retain high performing staff and provide them with developmental training.
- To continue to develop the Schools' sites as and when required to fulfil the Schools' strategies.

PRINCIPAL RISKS AND UNCERTAINTIES

The Trustees consider the affordability of fees by parents across the independent sector to be the principal risk faced by the Trust. This risk is likely to increase as the future financial impact of Covid-19 emerges in the coming months and years. Furthermore, potential changes to the tax and charitable status of independent schools introduced by future governments pose an additional challenge. Enrolment is a critical issue at both Schools and this is closely monitored by the Trust.

Health and Safety is always a significant area for risk management. The risks range from fire and infrastructure to personal risks (most notably when away from the campus on trips and expeditions). The level and breadth of activity at the Schools is impressive and the risks associated with all activities are minimised by thorough planning and risk assessment.

DULWICH PREPARATORY SCHOOLS TRUST
ANNUAL REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2022

Detailed consideration of risk is undertaken for each School by its Board, with input from the Senior Leadership Teams. The Trust also considers risk at Group level and the Risk Register is a standing item at each Board meeting. The risk management process and the resulting register identify risks, assess their impact and likelihood and, where necessary, recommend controls to mitigate and monitor those risks which are assessed as high. In particular, the threat arising from any terrorist activity in London is kept under close review.

The generic controls used by the Trust to minimise risk include:

- detailed terms of reference together with formal agendas for Board activity;
- strategic development planning, reviewed annually by the Board;
- comprehensive budgeting and management accounting;
- established organisational structures and lines of reporting;
- formal written policies including clear authorisation and approval levels;
- vetting procedures as required by law for the protection of the vulnerable.

The Trustees regularly review the effectiveness of current plans and strategies for managing all identified major risks for the Group.

Approved by the Board of Dulwich Preparatory Schools Trust, including, in their capacity as company directors, approving the Directors' and Strategic Report contained therein, and signed on its behalf by:

DULWICH PREPARATORY SCHOOLS TRUST
INDEPENDENT AUDITOR'S REPORT
FOR THE YEAR ENDED 31 AUGUST 2022

Opinion

We have audited the financial statements of Dulwich Preparatory Schools Trust 'the charitable company' and its subsidiaries 'the Group' for the year ended 31 August 2022 which comprise the Consolidated Statement of Financial Activities, Consolidated and Company Balance Sheets, Consolidated Statement of Cash Flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and the charitable company's affairs as at 31 August 2022 and of the group's/ income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's or the Group's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The Trustees are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

DULWICH PREPARATORY SCHOOLS TRUST
INDEPENDENT AUDITOR'S REPORT
FOR THE YEAR ENDED 31 AUGUST 2022

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit

- the information given in the Trustees' report, which includes the directors' report and the strategic report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report included within the Trustees' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Group and charitable company and their environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report included within the Trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement set out on page 1, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

DULWICH PREPARATORY SCHOOLS TRUST
INDEPENDENT AUDITOR'S REPORT
FOR THE YEAR ENDED 31 AUGUST 2022

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charitable company and group operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006, the Charities Act 2011, taxation legislation, together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable company's and the Group's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable company and the Group for fraud. The laws and regulations we considered in this context for the UK operations were The Education (Independent School Standards) Regulations 2014, Data Protection Regulation (GDPR), Health and safety legislation and employment legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing of recognition of rental income, and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Audit Committee about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing any regulatory correspondence with the Charity Commission, Independent Schools Inspectorate, Ofsted and reading minutes of meetings of those charged with governance.

**DULWICH PREPARATORY SCHOOLS TRUST
INDEPENDENT AUDITOR'S REPORT
FOR THE YEAR ENDED 31 AUGUST 2022**

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. DULWICH PREPARATORY SCHOOLS TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1 ACCOUNTING POLICIES

1.1 Basis of preparation

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Companies Act 2006 and the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The accounts are drawn up on the historical cost basis of accounting.

The Trust is a Public Benefit Entity registered as a charity in England and Wales (charity number: 312715) and a company limited by guarantee, (company number: 00579923). Its registered office is 42 Alleyn Park, Dulwich, London SE21 7AA.

The consolidated financial statements include the results of the Trust and its two subsidiaries, Dulwich Prep London and Dulwich Prep Cranbrook (together 'the Group'). Accordingly, the Consolidated Statement of Financial Activities reflects the incoming resources and resources expended of the Group and not the Trust as an individual entity.

1.2 Going Concern

Having reviewed the cash position of the Trust together with the expected ongoing demand for places at the Schools and future projected cash flows, including the ongoing effects of Covid-19 and potential lockdowns, the Trustees have a reasonable expectation that the Group has adequate resources to continue its activities for the foreseeable future and consider that there were no material uncertainties over the Group's financial viability. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

1.3 Critical accounting judgements and key sources of estimation uncertainty

In the application of the accounting policies, Trustees are required to make judgements, estimates, and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affected current and future periods.

The Group's liability for the Non-Teaching Staff defined benefit pension scheme involves a number of assumptions as disclosed in note 17. In the view of the Trustees, no other assumptions concerning the future or estimation uncertainty affecting assets or liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

1 ACCOUNTING POLICIES (continued)

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

1.4 Income

All income is included in the consolidated statement of financial activities when the Group has entitlement to the funds, receipt is probable and the amount can be measured with sufficient reliability. Fees consist of charges for the school year ending August, less bursaries and allowances. Fees received in advance are deferred and released to income in the period to which the fees relate. Grant income is recognised as and when entitlement arises, can be reliably quantified and the benefit is probable.

1.5 Expenditure

Expenditure is accrued as soon as a liability is considered probable, discounted to present value for longer-term liabilities and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

1.6 Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases. Fixed assets are capitalised if they exceed a non-trivial amount in the context of the Trust's or relevant School's operations being £500 in the case of the Trust and Dulwich Prep London and £200 in the case of Dulwich Prep Cranbrook.

| | | |
|------------------------------|---|--------------------------------|
| Freehold land | - | Not depreciated |
| Freehold property | - | Over 5 to 50 years |
| Long-term leasehold property | - | Reducing balance over 50 years |
| Motor vehicles | - | 25% reducing balance |
| Fixtures and fittings | - | 10% straight line |
| Computer equipment | - | 25-50% straight line |

Borrowing costs directly attributable to capital development projects have been capitalised.

1 ACCOUNTING POLICIES (continued)

1.7 Fund accounting

Unrestricted income of the Trust belongs to the Trust's corporate reserves, spendable at the discretion of the Trustees to further the Trust's objects. The unrestricted income of the Schools similarly belongs to the corporate reserves of the relevant school and is spendable at the discretion of its Governors to further the school's objects. The objects of the Trust and the Schools contain provisions to provide support to each other. Where the Trustees or Governors (as relevant) decide to set aside any part of these funds to be used in future for some specific purpose, this is accounted for by transfer to the appropriate designated fund.

Restricted funds may only be spent on the charitable purpose specified by the donor.

1.8 Pension costs

Retirement benefits to employees of the Group are now provided through one defined benefit and two defined contribution schemes. The pension costs charged in the Statement of Financial Activities are determined as follows:

(a) The Teachers' Pension Scheme - This scheme is a multi-employer pension scheme. It is not possible to identify the Group's share of the underlying assets and liabilities of the Teachers' Pension Scheme on a consistent and reasonable basis and therefore, as required by FRS102, the Group accounts for the scheme as if it were a defined contribution scheme. The Group's contributions, which are in accordance with the recommendations of the Government Actuary, are charged in the period in which the salaries to which they relate are payable. Dulwich Prep Cranbrook left this scheme on 31 October 2019.

(b) From 1 November 2019, Dulwich Prep Cranbrook teaching staff have become members of the Aviva Pension Trust for Independent Schools which as its name implies is operated by Aviva for a number of private schools. Employer's pensions costs are charged in the period in which the salaries to which they relate are payable.

(c) The Dulwich Preparatory Schools Trust Non Teaching Staff Group Personal Pension Plan - This is a defined contribution group personal pension plan with Aviva. Employer's pensions costs are charged in the period in which the salaries to which they relate are payable.

DULWICH PREPARATORY SCHOOLS TRUST
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

1 ACCOUNTING POLICIES (continued)

In addition the Trust has historically provided retirement benefits to non-teaching staff through a defined benefit scheme, The Dulwich Preparatory Schools Pension Scheme. The scheme is now closed so there are no current service costs, other than administration expenses which are borne directly by the Schools. The expected return on the scheme assets less the scheme interest costs are credited within other interest. The scheme actuarial gains and losses are recognised immediately as other recognised gains and losses. The defined benefit scheme assets are measured at fair value at the balance sheet date. Scheme liabilities are measured on an actuarial basis at the balance sheet date using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term to the scheme liabilities. The resulting defined benefit asset or liability is presented separately after other net assets on the face of the balance sheet.

1.9 Operating leases

Rental income and expenditure under operating leases are accounted for on a straight-line basis over the lease term, even if the payments are not made on such a basis.

1.10 Financial instruments

Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost. Financial assets held at amortised cost comprise cash at bank and in hand, together with trade and other debtors. A specific provision is made for debts for which recoverability is in doubt. Cash at bank and in hand is defined as all cash held in instant access bank accounts and used as working capital. Financial liabilities held at amortised cost comprise all creditors except for fees received in advance, social security and other taxes and provisions.

Administration and similar fees paid for borrowings are treated as interest and amortised over the life of the loans

1.11 Taxation

The Trust is a registered charity No.312715 and as such is not liable to United Kingdom income tax or corporation tax on charitable activities.

13 CREDITORS: amounts falling due after more than one year (contd)

The second is a variable rate loan at 1.25% above base rate of which £1 million was drawn in November 2018 and a further £300,000 was drawn in November 2019. It was repayable by monthly instalments of £19,350, following the repayment holiday, the payments, at the same rate, recommenced in April 2021 and now will end in October 2026; the amount required to repay the loan on 31 August 2022 was £932,592 (2021: £1,145,401). The monthly instalments vary with change in interest rates.

No further drawings were permitted after November 2019 and there is no penalty for early repayment of either facility. The loans are secured by a charge over certain of the Trust's residential freehold assets which have a net book value of £2.25million and a market value of £6.15 million.

17 PENSION SCHEMES

Current retirement benefits to employees of the Group are provided through two defined contribution schemes, which are funded by the Group and employees' contributions. There is also a closed defined benefit scheme that operated for non-teaching staff.

Teachers' Pension Scheme

Dulwich Prep London left the Teachers' Pension Scheme ("the TPS") for their teaching staff with effect from 1 September 2021. The pension charge for 2021 for the year including contributions payable to the TPS was £1,084,953 and at the year-end £0 was accrued in respect of contributions to this scheme.

Defined contribution schemes

1) Aviva Pension Trust for Independent Schools (APTIS)

The teaching staff for the schools were part of APTIS during the year. Salary sacrifice schemes were operational at both schools.

2) Aviva

The non-teaching staff for the schools were part of an Aviva defined contribution scheme.

The pension cost charge in the year in respect of the defined contribution schemes was £1,730,420 (2021: £600,695).

17 PENSION SCHEMES (CONTINUED)

Non-teaching defined benefit scheme

The Trust operated this Scheme (the Dulwich Preparatory Schools Trust Non-Teaching Staff Pension Scheme), which was closed on 31 December, both in respect of new members and accrual for existing members.

On 1st September 2017 the Trust transferred the obligations to contribute to the Scheme to each of the Schools. The valuation in these accounts has been derived by projecting the results of the last comprehensive actuarial valuation of the Scheme as at 1 January 2018 and have been prepared by an independent qualified actuary.

Following the latest actuarial valuation a revised Schedule of Contributions was agreed between the Trust, the Schools and the Scheme Trustees with the aim of eliminating the deficit over a period of 5 years from 1 January 2021. The schools have recognised a past service cost in respect of equalisation estimated at £355,000.
