MAISON DE L'INSTITUT DE FRANCE A LONDRES**(FONDATION EDMOND DE ROTHSCHILD)****REPORT OF THE TRUSTEES****YEAR ENDED 31ST MARCH 2024**

The Trustees present their annual report together with the audited financial statements of La Maison de l'Institut de France à Londres (Fondation Edmond de Rothschild) (the charity) for the year ended 31st March 2024. The Trustees confirm that the annual report and financial statements of the charity comply with the requirements of the Charities Act 2011, the charity's trust deed and Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the United Kingdom and Republic of Ireland (FRS 102).

Structure, Governance and Management Constitution

The charity was founded in 1920 by the Institut de France with a gift from the Baron Edmond de Rothschild. It is constituted under a Charity Commission Scheme dated 21st June 1951 as amended on 2nd January 1985, and is registered charity number 312897.

The principal object of the charity is to provide accommodation for French academics and students who wish to come to London for study or research, thereby fostering cultural, academic and international relations between the two countries. The charity achieves its objectives through publicity in France undertaken by itself and the Institute de France, and by providing a convivial environment at La Maison in London, on a bed and breakfast basis in fourteen rooms.

The income is derived from the investment of the original gift from the Baron, now managed by the Charities Official Investment Fund (COIF), and from contributions from the guests towards the running costs. The charity's overall objectives remain unchanged.

Method of Appointment or Election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Charity Commission Scheme. Trustees are recruited through networking or their involvement with the Institut de France in Paris.

Prospective candidates are interviewed by the Trustees and representatives of the Institut de France. Upon appointment, Trustees receive an induction to the history and running of the Charity. In accordance with the constitution, the minimum number of co-optive Trustees in office at any given time should be four and two ex-officio Trustees. The co-optive Trustees are appointed for a term of five years.

The Trustees who served during the year were:-

Mme Beatrice Keighley, Chair
Lady Janvrin
M Antoine de Navacelle
Mme Anne-Marie Gray
M Jean-Hugues de Lamaze

The two ex-officio Trustees are the Ambassador of France in London, Mme Helene Duchene, and the Chancellor of the Institut de France in Paris, M Xavier Darcos.

MAISON DE L'INSTITUT DE FRANCE A LONDRES**(FONDATION EDMOND DE ROTHSCHILD)****REPORT OF THE TRUSTEES****YEAR ENDED 31ST MARCH 2024****Organisational structure and decision making**

The Trustees are responsible for the overall control of the charity's operations and meet regularly to review the performance of La Maison and authorise strategic decisions.

Day to day management is delegated to the charity's director who is supported by a team of staff.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular, those related to the operations and finances of the charity and are satisfied those systems are in place to mitigate exposure to the major risks.

Review of activities and future developments

The net incoming resources of the charity amounted to £84,336 (2022 – outgoing £448,629). The realised and unrealised gains in the market value of the investments amounted to £178,445 (2023 loss of £274,348). The combined effect is to increase total funds at 31 March 2024 to £8,898,972 (2023 - £8,814,636).

The Chancellor of the Institut de France, M. Xavier Darcos, formally reopened La Maison at an inauguration event on 7 October 2022. This occasion was attended by over 100 key contacts from French and British organisations in London, and others from the French community. A lecture event by a French academic was also held on 30th January 2023 to showcase the new facilities at La Maison and to introduce a future objective aimed at helping to promote Franco-British academic exchange.

The total number of visitors in the year was 2014 (929 from October 2022 to March 2023). This showed an encouraging growth after the re-opening of Maison after Covid and the closure. It is anticipated this growth will continue assisted by a publicity campaign by the Institute de France.

The year saw the departure of the Director, M Louis Taylor, after 17 years and the successful induction of his replacement, M Emmanuel Alley. The two had a four-month hand over period.

Objectives for 2024-25 are to increase visitor numbers and to complete outstanding elements of the house renovation project.

From September 2023 room rates were set at £80 per night for a Student room, £110 per night for a single room and £135 per night for a double room. Staff wages were also increased in 2022 to £12 per hour for housekeeper positions. The proposed rates for 2024-25 are to be agreed

The relationship of La Maison with the Institut de France in Paris is very close. The Chancellor of the Institut de France is an ex-officio Trustee of La Maison, and the Institut de France is responsible for approving admission policy for guests wishing to stay at La Maison.

REPORT OF THE TRUSTEES

YEAR ENDED 31ST MARCH 2024

Investment policy and performance

The Trustees' policy is to invest surplus funds in the Charities Official Investment Fund (COIF).

Reserves policy

The charity was obliged to cease its primary operations in mid-March 2020 due to the COVID-19 restrictions imposed by the British Government. The property owned by the Trust subsequently underwent extensive renovation work between June 2021 and October 2022. The performance of the COIF Investment Fund has, however, remained strong. The Trustees monitor and meet regularly to review the financial position of the charity, including the reserves, and presently remain satisfied that there are sufficient general reserves to meet the anticipated operating needs of the charity for the foreseeable future.

MAISON DE L'INSTITUT DE FRANCE A LONDRES**(FONDATION EDMOND DE ROTHSCHILD)****REPORT OF THE TRUSTEES****YEAR ENDED 31ST MARCH 2024****Statement of the trustees' responsibilities**

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

As far as the Trustees are aware, there is no relevant audit information of which the Charity's auditor are unaware; and the Trustees have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

The Trustees confirm that they have met the responsibilities set out above and complied with the requirements for preparing the financial statements.
