DARTMOUTH STREET TRUST
REPORT OF THE TRUSTEES
FOR YEAR ENDED 5 APRIL 2022

The trustees present their report and financial statements of the Trust for the year ended 5 April 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

OBJECTS AND POLICIES

The Trust was created by Trust Deed dated 25 March 1942 for the promotion of studies in political, economic and social science and cognate educational subjects and for the promotion of education and dissemination of knowledge in such science and subjects and is an unrestricted fund.

In 1983 Dartmouth Street Trust received a bequest from the late H T Buckle, which is to be held on trust forever thereafter to apply the income thereof for general purposes and is a restricted fund. Income is considered to be dividends and interest from investments.

ORGANISATIONAL STRUCTURE

The Trust is based in the United Kingdom at the registered address shown on page 1 under the control and jurisdiction of the trustees whose details are also shown on page 1.

FINANCIAL RESULTS

During the year, there was a net increase in the total funds for the year of £46,248 (2021: £139,268).

The fund balances at 5 April 2022 were as follows:

Unrestricted Fund	£252,661 (2021: £248,097)
H T Buckle Restricted Fund	£557,839 (2021: £516,155)

MOVEMENT IN PORTFOLIOS

The UK Stock market was adversely affected by economic and political conditions during the first quarter of 2022. Rising interest rates and growth fears continued to worry investors. The war in Ukraine and resulting sanctions on Russia pressured the UK equity market. These events coincided with the year end for the charity.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The Trustees gave a grant of £28,000 to the Fabian Society : to support the work of a new Commission on Poverty and Regional Inequality. The Commissioners are from London and the north, the south and the south west of England, as many of the policy areas are devolved to the nations. However, there will be inputs from Wales and Scotland. Two or more of the Commissioners have experience of poverty; a virtual 'Lived experience reference group' will be involved throughout the Commission; at its evidence sessions, it will hear from those with that experience of poverty. The Commission aims to develop and promote plans to reduce poverty in all regions, cities and towns in England. It will focus on the causes of variations in poverty between places with high and low poverty rates, rather than UK-wide issues such as tax and social security - ie the national and local policies and conditions that lead to concentrations of poorly paid, low quality jobs; insufficient hours of work; and high housing and living costs. It will cover tax/benefit issues where there is a clear spatial dimension (eg housing costs) or where local action is possible .

THE TRUST'S PLANS FOR THE FUTURE ACTIVITIES INCLUDE:

The Trust will commission research into how to conceptualise and measure inequalities of power.

DARTMOUTH STREET TRUST
REPORT OF THE TRUSTEES
FOR YEAR ENDED 5 APRIL 2022

STATEMENT OF PUBLIC BENEFIT

This research will continue our policy of promoting studies in political, economic and social science, with an emphasis on social prosperity and social justice.

NET INCOMING RESOURCES

There was a net deficit of £2,896 on operating activities. The trustees will continue to take account of the present market uncertainty when making grants in the year 2022/23. The policy continues to be, taking one year with another, to make grant payments not exceeding the trust's annual income. They will endeavour to maintain the present level of charitable activity.

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit. The trustees intend to keep the trust's investment policy with a portfolio of fixed interest and tracker funds under regular review.

RESERVES POLICY

The reserves are held in order to produce an investment income which is used by the Trust in undertaking its activities. The trustees consider that this level of reserve is necessary to generate an income to support the Trust's purpose and that it continues to be satisfactory given the present market conditions.

GRANT MAKING POLICY

The trust makes grants for the promotion of studies in political, economic and social science and cognate educational subjects, and for the promotion of education and dissemination of knowledge in such science and subjects. Decisions are made at meetings of trustees, generally held twice a year. Restrictions: The Trust does not fund students, undergraduate or postgraduate courses.

RISK MANAGEMENT

The principal risks faced by the Trust lie in the performance of investments. The trustees consider variability of investment returns on funds the charity's major financial risk. Investment policy is to accept a moderate level of risk for charitable holdings.

TRUSTEES

The trustees in office during the year and at the date of this report are set out on page 1.

The Trustees also wish to express their deep regret at the death in August 2022 of our former colleague, Giles, the Rt Hon Lord Radice, who resigned from the Trust earlier this year. Throughout his long association with the Trust, Giles published and encouraged research-based initiatives which made significant contributions to public policy in both the UK and internationally. For that, all his thoughts and advice to the Trust and the warmth with which it was given, we will miss him greatly.

The power of appointing any new trustee is exercised by the existing trustees.

DARTMOUTH STREET TRUST
REPORT OF THE TRUSTEES
FOR YEAR ENDED 5 APRIL 2022

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and the applicable Charities (Accounts and reports) Regulations. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

DISCLOSURE OF INFORMATION TO INDEPENDENT EXAMINER

So far as each trustee is aware, there is no relevant information, being information needed by the independent examiner in connection with preparing their report, of which the independent examiner is unaware, and each trustee has taken all steps that s/he ought to have taken to make her/himself aware of any relevant matters and to ensure that the company's independent examiner is aware of such information. Such steps include making inquiries of other trustees and the independent examiner and other steps required by the trustees' duty to exercise due care and skill.

DARTMOUTH STREET TRUST

INDEPENDENT EXAMINER'S REPORT TO THE
TRUSTEES OF THE DARTMOUTH STREET TRUST

I report on the accounts of the Trust for the year ended 5 April 2022 which are set out on pages 6 to 12.

Respective Responsibilities of Trustees and Examiner

The charity's Trustees are responsible for the preparation of the accounts. The charity's Trustees consider that an audit is not required for this Period under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

DARTMOUTH STREET TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2022

1. Accounting Policies

a. Basis of preparation and assessment of going concern

The Financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102)(effective 1 January 2019)-Charities SORP(FRS102) and the Financial Reporting Standard applicable in the UK.

The trust constitutes a public benefit entity as defined by FRS 102.

The financial statements are prepared in sterling which is the functional currency of the charity.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

The most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management sections of the trustees' annual report for more information).

b. Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable certainty.

Donations are recognised on the receivable basis.

c. Investments

Investments are accounted for at market value, which gives rise to unrealised gains/losses which are included in the Statement of Financial Activities. Realised gains/losses arising on the disposal of investments during the year are separately recorded in the Statement of Financial Activities.

d. Resources Expended

Expenditure is included on an accruals basis.

e. Grants Payable

Grants payable are recognised in the SOFA as charitable expenditure in the period in which the grant is authorised and any preconditions have been met. A list of grants payable can be found in Note 5.
