### **Objectives and activities**

#### ***Objects and aims***

The charity originated under the Will of Madam Helena Veniselos, nee Schilizzi, by which her trustees were required to hold the residue of her estate on trust for the advancement of education amongst Greek nationals resident in Great Britain and also the children of Greek Nationals resident in Great Britain to receive instruction in the language, history, literature and institutions of Greece.

The trust furthers its charitable purposes for the public benefit through its grant making policy which falls under the following three headings:

- Funds a scholarship scheme for selected Greek students to undertake an undergraduate course in Great Britain, normally for three year.
- Makes special awards to Greek students studying in Great Britain where need and hardship can be demonstrated, and
- Makes such other grants as are appropriate within the charity's objectives.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

## **Trustees' Report (continued)**

### ***Objectives, strategies and activities***

To fulfil the objectives, during the year under review, the following charitable activities were implemented:

- No new scholarships were funded during the year for students at Kings College, London. Continued funding was provided for one scholarship in the year totalling £5,000 (2022: £nil). The ongoing funding is charged against income when expended and not when the scholarships are awarded. Payments are made in stages throughout the period of the degree course and each stage payment is conditional upon the ongoing satisfactory performance of the student.
- No scholarships were paid during the year for the "Gordon Hedley Scholarship" (2022: £nil). Funding is charged against income as noted above.
- One new scholarship was funded during the year for students at the University of East Anglia, totalling £5,000 for the year (2022: £nil). Funding is charged against income as noted above.
- Applications were invited from Greek students studying in Great Britain who were perhaps able to demonstrate hardship, need to other special circumstances. The assistance this year in the form of "Special Awards" was 5 (2022: 3) students with total grants being paid of £11,828 (2022: £10,000).

### ***Public benefit***

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

### ***Grant making policies***

The trust has established its grant making policy over a number of years in order to achieve its objects for the public benefit. The principal areas for support are stated within the objectives, strategies and activities section above. The trustees review this policy regularly in order to adapt its application to any changing circumstances.

### ***Achievements and performance***

The charity receives many approaches each year, all of which are assessed to ensure appropriate criteria are reached. This year the number of applicants followed a similar pattern to that of years before COVID. The trustees made one new offer of a scholarships commencing in the 2022/23 academic year and has one existing scholarship. Additional details of the special awards for hardship and scholarships granted are shown above under the objectives, strategies and activities section.

## **Trustees' Report (continued)**

### **Financial review**

The income generated from all investments amounted to £83,826, in the current year, which is an increase of £8,856 compared to the previous year and is in line with the trustees expectations. Total resources expended for the year amounted to £46,786, which is a decrease of £12,815 on the previous year.

The trustees aim to maintain total expenditure in any year in line with the investment income for that year. They have a separate unrestricted designated reserve fund in which reserves are held, these reserves having built up in an earlier period of the charity's existence and which are invested to produce additional income and out of which special expenditure is made on one off grants as appropriate. The trustees do not anticipate any significant alteration to this policy for the foreseeable future. Details of the designated reserve fund are contained within the notes to the financial statements. The level of funds held in both the endowment and designated reserve are sufficient to provide investment income to cover the anticipated support costs and to continue to support the objectives of the charity.

### ***Investment policy and objectives***

The trustees have full and unrestricted powers of investment. The investment strategy is set by the trustees in consultation with their investment managers on a medium term basis which is reviewed in detail at least annually. The trustees consider the income requirement, the risk profile and the investment managers view of the market prospects. The overall policy is to invest in low and medium risk investments to obtain a sustainable level of income while preserving the real value of capital over a rolling 5 year period.

The endowment fund decreased in value this year by £17,483. The endowment fund value at the balance sheet date was £2,597,899.

The unrestricted funds increased in value this year by £16,081 to £409,440 at the balance sheet date. This was due to the value of grants awarded in the year continuing to be lower than the income generated from the investments.

The overall decrease in fund balances during the year was £1,402.

Having considered the charity's exposure to risk in detail, the trustees monitor the position at least annually and make necessary adjustments to lessen any risks that appear relevant. In particular regular reviews of the investment portfolio take place with the charity's investment advisers.

### **Structure, governance and management**

#### ***Nature of governing document***

The charity was established as a scheme under the Charities Act 1960 by order of the Minister of Education on 23 October 1963. The charity is registered with the Charity Commission for England and Wales under number 314128. The governing document of the charity is the Will of Helena Stefanovitch Veniselos (nee Schilizzi) who died on 7 September 1959.

## **The Schilizzi Foundation**

### **Trustees' Report (continued)**

#### ***Organisational structure***

The governance of the charity is the responsibility of the trustees and it is they who are responsible for the appointment of new trustees when necessary and appropriate. The trustees have appointed a secretary who is responsible for convening and recording meetings of the trustees and for keeping the books and records of the charity.

The annual report was approved by the trustees of the charity on 11 October 2023 and signed on its behalf by:

## Independent Examiner's Report to the trustees of The Schilizzi Foundation

I report to the trustees on my examination of the accounts of The Schilizzi Foundation for the year ended 30 June 2023.

### Responsibilities and basis of report

As the charity trustees of The Schilizzi Foundation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the The Schilizzi Foundation's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of The Schilizzi Foundation as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.
