Objectives and activities

Objects and aims

The charity originated under the Will of Madam Helena Veniselos, nee Schilizzi, by which her trustees were required to hold the residue of her estate on trust for the advancement of education amongst Greek nationals resident in Great Britain and also the children of Greek Nationals resident in Great Britain to receive instruction in the language, history, literature and institutions of Greece.

The trust furthers its charitable purposes for the public benefit through its grant making policy which falls under the following three headings:

- Funds a scholarship scheme for selected Greek students to undertake an undergraduate course in Great Britain, normally for three year.
- Makes special awards to Greek students studying in Great Britain where need and hardship can be demonstrated, and
- Makes such other grants as are appropriate within the charity's objectives.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The Schilizzi Foundation

Trustees' Report (continued)

Objectives, strategies and activities

To fulfil the objectives, during the year under review, the following charitable activities were implemented:

- No new scholarships were funded during the year for students at Kings College, London. No continued funding was provided for any scholarships (2023: £5,000 - one scholarship). Any ongoing funding is charged against income when expended and not when the scholarships are awarded. Payments are made in stages throughout the period of the degree course and each stage payment is conditional upon the ongoing satisfactory performance of the student.

- One scholarship was paid during the year for the "Gordon Hedley Scholarship" totalling £5,000 (2023: £nil). Funding is charged against income as noted above.

- Three scholarships were funded during the year, two of which were new scholarships, for students at the University of East Anglia, totalling £15,000 for the year (2023: £5,000). Funding is charged against income as noted above.

- Applications were invited from Greek students studying in Great Britain who were able to demonstrate hardship. The assistance this year in the form of "Special Awards" was 3 (2022: 5) students with total grants being paid of £5,700 (2023: £11,828).

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Grant making policies

The trust has established its grant making policy over a number of years in order to achieve its objects for the public benefit. The principal areas for support are stated within the objectives, strategies and activities section above. The trustees review this policy regularly in order to adapt its application to any changing circumstances.

Achievements and performance

The charity receives many approaches each year, all of which are assessed to ensure appropriate criteria are reached. This year the number of applicants followed a similar pattern to previous years. The trustees made three new offers of scholarships commencing in the 2023/24 academic year and has one existing scholarship. Additional details of the special awards for hardship and scholarships granted are shown above under the objectives, strategies and activities section.

The Schilizzi Foundation

Trustees' Report (continued)

Financial review

The income generated from all investments amounted to £92,132, in the current year, which is an increase of £8,306 compared to the previous year and is in line with the trustees expectations. Total resources expended for the year amounted to £52,627, which is an increase of £5,841 on the previous year.

The trustees aim to maintain total expenditure in any year in line with the investment income for that year. They have a separate unrestricted designated reserve fund in which reserves are held, these reserves having built up in an earlier period of the charity's existence and which are invested to produce additional income and out of which special expenditure is made on one off grants as appropriate. The trustees do not anticipate any significant alteration to this policy for the foreseeable future. Details of the designated reserve fund are contained within the notes to the financial statements. The level of funds held in both the endowment and designated reserve are sufficient to provide investment income to cover the anticipated support costs and to continue to support the objectives of the charity.

Investment policy and objectives

The trustees have full and unrestricted powers of investment. The investment strategy is set by the trustees in consultation with their investment managers on a medium term basis which is reviewed in detail at least annually. The trustees consider the income requirement, the risk profile and the investment managers view of the market prospects. The overall policy is to invest in low and medium risk investments to obtain a sustainable level of income while preserving the real value of capital over a rolling 5 year period.

The endowment fund increased in value this year by £229,382. The endowment fund value at the balance sheet date was £2,827,281.

The unrestricted funds increased in value this year by £61,280 to £470,720 at the balance sheet date. This was due to the value of grants awarded in the year continuing to be lower than the income generated from the investments.

The overall increase in fund balances during the year was £290,662.

Having considered the charity's exposure to risk in detail, the trustees monitor the position at least annually and make necessary adjustments to lessen any risks that appear relevant. In particular regular reviews of the investment portfolio take place with the charity's investment advisers.

Structure, governance and management

Nature of governing document

The charity was established as a scheme under the Charities Act 1960 by order of the Minister of Education on 23 October 1963. The charity is registered with the Charity Commission for England and Wales under number 314128. The governing document of the charity is the Will of Helena Stefanovitch Veniselos (nee Schilizzi) who died on 7 September 1959.

The charity is registered with the Charities Commission as: Schilizzi Foundation in Memory of Eleutherios and Helena Veniselos.
