## Trustees' Annual Report

Year ended 31 March 2022

---

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 March 2022.

### Reference and administrative details

**Registered charity name** Stanley Charitable Trust

**Charity registration number** 326220

**Principal office** 8 Stanley Road  
Salford  
Manchester

### The trustees

D Adler  
J Adler

**Independent examiner** Mr A L Haffner ACA  
2nd Floor - Parkgates  
Bury New Road  
Prestwich  
Manchester  
M25 0TL

### Structure, governance and management

Stanley Charitable Trust is a charitable trust constituted by a Deed of Trust dated 19 August 1982 and is a registered charity, number 326220.

The Charity is run by the trustees who all act in an honorary capacity. A new trustee would receive copies of the previous years' Annual Report and Accounts and a copy of the Charity Commission leaflet 'The Essential Trustee : What you need to know'.

### Risk Management

The trustees have identified and reviewed the major risks to which the charity is exposed. Both manual and automated checks are regularly invoked, particularly those relating to the operations and finance of the charity. The trustees are satisfied that these systems and procedures mitigate any perceived risks.

# Stanley Charitable Trust

## Trustees' Annual Report *(continued)*

Year ended 31 March 2022

---

### Objectives and activities

The objectives of the charity are to generate income from investments, to be distributed to educational institutions and charitable organisations and for the relief of poverty.

### Public Benefit Policy

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

### Grant Making Policy

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

### Investment Policy

It is the policy of the Charity to maintain cash reserves so as to be able to take advantage of any investment opportunities that arise. This policy is regularly reviewed by the trustees and their investment advisors, who advise as to safe investments and when to sell properties and as to rent reviews.

### Achievements and performance

The charity received £55,921 in investment income during the year and paid out £26,818 by way of grants and support costs that are in line with the objects of the charity. Direct charitable grants totalled £24,140.

### Financial review

As at 31 March 2022 the charity held reserves of £957,067 (2021: £927,964).

### Coronavirus

The charity has not been materially affected by the coronavirus.

### Reserves Policy

The Unrestricted Fund represents the unrestricted funds arising from past operating results.

The trustees are satisfied that the balance of the Fund is an acceptable level of reserves. The policy of the charity is to hold reserves sufficient to generate enough income to maintain grants at previous years' levels. In order to achieve this, the charity reinvests gains on sales of property, so as to provide for a strong income flow and therefore to enable the charity to continue distributing funds for charitable purposes, as in previous years.

The trustees examine the risk the charity faces each financial year. The charity monitors and controls the risk to mitigate any impact they may have on the charity.

## Independent Examiner's Report to the Trustees of Stanley Charitable Trust

Year ended 31 March 2022

---

I report to the trustees on my examination of the financial statements of Stanley Charitable Trust ('the charity') for the year ended 31 March 2022.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Mr A L Haffner ACA  
Independent Examiner

# Stanley Charitable Trust

## Notes to the Financial Statements

Year ended 31 March 2022

---

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 8 Stanley Road, Salford, M7 4EG.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements did not require management to make judgements, estimates or assumptions that affect the amounts reported besides the valuation of fixed asset investments at the year end.

#### Fund accounting

General unrestricted funds comprise the accumulated surplus or deficit on income and expenditure account. They are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity.

Restricted funds are funds subject to specific restricted conditions imposed by donors. There are no restricted funds as at the Balance Sheet date.

Designated funds are funds which have been set aside at the discretion of the Trustees for specific purposes. There are no designated funds as at the Balance Sheet date.

#### Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

# Stanley Charitable Trust

## Notes to the Financial Statements *(continued)*

Year ended 31 March 2022

---

### 3. Accounting policies *(continued)*

#### Incoming resources *(continued)*

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

#### Resources expended

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure.

Charitable activities are made up of grants to institutions.

Expenditure also includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates.

Governance costs are included on an accruals basis and are recognised when there is a legal or constructive obligation to pay for expenditure.

#### Investment property

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure.

Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in profit or loss.

#### Investments in joint property syndicates

This represents capital introduced by the company into the syndicates plus accrued surpluses less deficiencies but without revaluing the syndicate properties.

Some of the syndicates in which the company is a participator have borrowings which are secured on the syndicate properties.

The company accounts for its syndicate investments under the 'equity accounting' basis and thus the company's share of such borrowings are not included in these accounts.

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

# Stanley Charitable Trust

## Notes to the Financial Statements *(continued)*

### Year ended 31 March 2022

---

#### 3. Accounting policies *(continued)*

##### Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

#### 4. Investment income

	Unrestricted Funds £	<b>Total Funds 2022 £</b>	Unrestricted Funds £	Total Funds 2021 £
Income from investment properties	54,601	<b>54,601</b>	62,794	62,794
