## TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

---

The trustees present their annual report together with the financial statements of the The Mutley Foundation for the year ended 31 December 2024.

### **Objectives and activities**

#### **a. Policies and objectives**

The Foundation primarily supports other UK Charities by making grants to enable those organisations to fulfil their charitable objectives.

Whilst a number of smaller contributions are made to "general funds" the Foundation considers applications for funding in respect of specific projects received in accordance with the Foundation's Grant Making Policy dated 31 January 2018.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

#### **b. Strategies for achieving objectives**

The Foundation does not welcome unsolicited applications as it feels it can best achieve its objectives by supporting charities known to the trustees.

#### **c. Activities undertaken to achieve objectives**

Making grants to Charitable Organisations mainly for specific projects.

As stated in the Grant Making Policy where appropriate the Foundation will consider making applications to support individuals or in supporting non-charitable organisations to provide a public benefit.

#### **d. Main activities undertaken to further the Charity's purposes for the public benefit**

The trustees primarily support other UK Charities but consider the guidance contained in the Charity Commission's general guidance on public benefit when considering applications for funding.

Whilst the Foundation considers requests for funding for projects out of the UK projects this is invariably funded via UK Charities who are responsible for ensuring compliance. The majority of such projects are based in Israel where the trustees have regularly visited over many years.

Exceptions may be made where the trustees have sufficient personal knowledge to satisfy themselves as to compliance with UK principles of public benefit.

**Achievements and performance**

**a. Review of activities**

At the present time the trustees do not feel there is going to be a major change in the types of organisations supported bearing in mind their desire to deal with organisations with which they have personal knowledge/experience.

The charities are supported either by direct grant from the Foundation or via Charities such as Smart Giving and Achisomoch, particularly for smaller non-project related donations.

For the year under review, there was an excess of income over expenditure of £162,869 (2023: £12,907 deficit). This ignores a net gain of £415 (2023: net loss £20,058) on revaluation of investments where the values fluctuate. Whilst the Trustees recognise the distinction between income and capital growth, they also have a policy of "total return" where capital growth may be used to fund an income shortfall / reserves for future years.

**b. Investment policy and performance**

To ensure the best outcome for the Foundation and the charities it donates to, the capital is invested within investment portfolios. The performance of the investment portfolio is managed by professional advisors and monitored regularly by the trustees.

**Financial review**

**a. Going concern**

After making appropriate enquiries, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

**b. Principal funding**

The Foundation received in previous years, substantial capital funds from which it derives an income. In addition, donations are received both from the trustees and a company controlled by them. Occasionally, other donations are received but, in general, such donations are not solicited.

During the year under review the Foundation received from Family members substantial donations. Accordingly, the Trustees have allocated £125,000 as a restricted fund to be treated as capital available to be allocated for investment

**Structure, governance and management**

**a. Constitution**

The Mutley Foundation is a registered charity, number 326303, and is constituted under a Trust deed.

**b. Methods of appointment or election of Trustees**

The management of the Charity is the responsibility of the trustees who are elected and co-opted under the terms of the Trust deed.

FOR THE YEAR ENDED 31 DECEMBER 2024

---

**Structure, governance and management (continued)**

**c. Organisational structure and decision-making policies**

The organisational structure of the Foundation is that of 5 trustees. All charitable donations made by the Foundation are assessed on a case by case basis and approval is required by a majority of the trustees.

However, and as set out in the Grant Making Policy, grants may be made by the Settlers without reference to the other trustees.

**d. Policies adopted for the induction and training of Trustees**

The trustees have all been in post for some time being family members of the Settlers. Appropriate training is given when required.

**e. Pay policy for key management personnel**

There are no paid employees.

**f. Financial risk management**

The trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

**Plans for future periods**

The Foundation anticipate continuing making grants in line with its policy. Whilst multi year projects will be considered, this is not normally more than 5 years. Where appropriate, the Foundation will give larger donations paid immediately to the Charity on the basis that they are restricted from making further applications for a stated period unless requested to do so by the trustees.

**Statement of Trustees' responsibilities**

The trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of trustees and signed on their behalf by:

INDEPENDENT EXAMINER'S REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2024

---

**Independent Examiner's Report to the Trustees of The Mutley Foundation ('the Charity')**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2024.

**Responsibilities and Basis of Report**

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiner's Statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024

---

**1. General information**

The Mutley Foundation is an unincorporated charity that was registered in England and Wales on 16th February 1983

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Mutley Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Income**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

**2.3 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled or the payment date in the offer becomes due. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024

**2. Accounting policies (continued)**

**2.4 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

Investments held as fixed assets are shown at cost less provision for impairment.

**2.5 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.6 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.7 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**2.8 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2. Accounting policies (continued)**

**2.9 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

As stated it is not the Foundation's policy to disclose individual grants but in accordance with good practice and the Charities SORP, it is appropriate to disclose material donations.

In considering donations falling within this category, the trustees regard as material any donations which exceed £4,500 in the year under review and/or where there is a connected party.

Only material donations in the current year are included in the information below even where a material donation has been made to the same institution in the previous year.

The Charity has made the following material grants to institutions during the year:
