

J R WHIPPET RESCUE

REPORT OF THE TRUSTEES

YEAR ENDED 31 DECEMBER 2023

The Trustees have had due regard, as required by the Charities Act 2011, to the Charity Commission's general guidance on public benefit when reviewing its aims and objectives and in planning its activities.

Objects of the Charity

The Charity's main purpose is to alleviate the suffering and distress caused to dogs, and in particular, the breed known as whippets, as a result of a significant change in their owner's circumstances, such as illness or death, or which have been ill-treated, abandoned or neglected.

This is achieved through the following arrangements:

- A Relinquishing Rehoming Coordinator and an Adoption Request Coordinator are employed by the Charity to work with and coordinate, a network of volunteers, covering England, Scotland and Wales.
- Whippets are relinquished into the Charity's care, assessed in foster homes and matched to prospective owners, before being transported to their new homes. A veterinary check is carried out prior to rehoming, along with neutering.
- A waiting list of potential homes is maintained.
- Life time support is ensured to every whippet rehomed through the Charity.

In the interests of the whippets' welfare, and at the Trustees' discretion, financial support by way of a Welfare fund, can be provided to owners who have adopted, but are usually limited to veterinary or behaviourist costs.

The Charity's website provides information about the Charity, how to relinquish and adopt, and details of rehoming successes.

The Charity runs a Membership scheme where interested whippet owners can subscribe to a Newsletter. The Newsletter is published twice yearly and delivered either via email or posted.

Activities undertaken to further public benefit

The Trustees confirm that they have complied with the requirements of Section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

In 2023 79 (2022: 52) whippets were successfully rehomed. The affect of the pandemic is seen to be reducing.

J R WHIPPET RESCUE

REPORT OF THE TRUSTEES

YEAR ENDED 31 DECEMBER 2023

The Trustees have had due regard, as required by the Charities Act 2011 to the Charity Commission's general guidance on public benefit when reviewing its aims and objectives and in planning its activities.

Objects of the charity

The charity's main purpose is to alleviate the suffering and distress caused to dogs, and in particular the breed known as whippets, as a result of a significant change in their owner's circumstances, such as illness or death, or which have been ill-treated, abandoned or neglected.

This is achieved through the following arrangements:

- A network of Area Representatives (volunteers) provides national support and contact points, liaising with the Rehoming Officer when necessary, to take in dogs identified as ill-treated, abandoned, neglected or where an owner's circumstances have changed.
- The Area Representatives or Rehoming Officer can if needed arrange temporary foster care, either with suitable individuals or kennels, while the dog is given any necessary veterinary attention and a new home is found.
- Waiting lists of potential owners are maintained to facilitate the task of identifying new homes for dogs needing rehoming.
- Administering and running a lost dog scheme through a Lost Dog Officer appointed by the Trustees, to enable owners to be quickly reunited with lost dogs.

In the interests of the dogs' welfare and at the Trustees' discretion, occasional financial support can be provided to all owners who have taken on our dogs but are of limited means and find themselves faced with significant veterinary bills.

The Charity's website provides information about the Charity and details of recent rehoming successes.

The Charity runs a membership scheme where interested whippet owners can subscribe to the newsletter which is produced several times per year and posted or emailed.

Activities undertaken to further public benefit

The Trustees confirm that they have complied with the requirements of Section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

In 2023 90 (2022: 52) whippets were successfully rehomed. The downward trend from 101 dogs rehomed in 2019 is attributed to the effects of the pandemic in 2020, 2021 and 2022.

J R WHIPPET RESCUE

REPORT OF THE TRUSTEES

YEAR ENDED 31 DECEMBER 2023

£40,142 (2022: £13,198) was expended in providing necessary veterinary attention and £15,337 (2022: £5,042) on providing foster care for dogs awaiting rehoming.

As the Charity is largely reliant on donations, as a fund-raising exercise it runs a stall selling quality whippet merchandise at suitable events, e.g. Crufts, and an online shop accessed through our website.

Financial review

At the end of 2023 the Charity's total funds amounted to £2,075,069 (2022: £1,833,448). Investments of £1,620,089 (2022: £1,498,051) are held by the charity, of which £1,528,644 (2022: £1,407,985) are managed by Evelyn Partners, adopting a medium risk policy to try and balance safety with achieving some capital gains. The Charity takes £20,000 income per year from this portfolio to support running costs and supplement the amounts raised through merchandise sales. An additional £75,000 was transferred into the portfolio in 2023. The remaining investments £91,445 (2022: £90,066) are managed by the Trustees and are held in longer term investments.

The Trustees aim to hold approximately 2 to 3 years expenditure in free reserves, this equates to approximately £302,000 – £452,000.

The Charity takes a regular quarterly income from its investment portfolio to support its work and also to provide financial support as detailed in the next paragraph.

It was decided to continue the policy of offering financial support to those who have rehomed one of the Charity's dogs but have a genuine need for help in meeting the costs of its care. This 'welfare' support is capped at £20,000 per year; in practice the amount spent has always been below this cap.

The Charity's free reserves are £453,418 (2022: £334,734), the majority of which are held in a Base Rate Tracker account, the balance of which at 31 December 2023 was £151,806 (2022: £150,374).

According to JRWR's Charitable Objects, the Trustees are looking into how they can offer financial support to other, whippet in particular, charities in order to alleviate suffering and distress caused to dogs. The Rescue is currently holding healthy investments, the Trustees feel this could be used to aid smaller whippet rescues who have suffered a severe loss of income during and post the Covid Pandemic. This is proposed to be via welfare payments paid directly to Veterinary Practices following the financial position of the receiving charity being fully investigated.

Structure, Governance and Management

J R Whippet Rescue is a registered charity and was established by Deed of Trust in 1983. It is run by a Board of Trustees, maximum of 8 as laid down in the Trust Deed.

If a vacancy arises, suitable candidates are approached and, if in agreement, elected to the Board. Collectively the existing Trustees have a wide experience of people within the

J R WHIPPET RESCUE

REPORT OF THE TRUSTEES

YEAR ENDED 31 DECEMBER 2023

whippet breed, their reliability, their knowledge of caring for whippets, background in administering breed clubs and canine activities and their personal and professional qualities. When any vacancy occurs, the Trustees draw up a short list of possible candidates in order of preference and approach them in that order.

Statement of trustees' responsibilities

The trustees are responsible for preparing the trustees' report and accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial period which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities Statement of Recommended Practice;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the accounts comply with the Charities Act 2011 along with the applicable regulations and the provisions of the Charity Commission Scheme. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By Order of the Board

J R WHIPPET RESCUE

INDEPENDENT EXAMINER'S REPORT

YEAR ENDED 31 DECEMBER 2023

Independent examiner's report to the trustees of J R Whippet Rescue

I report to the trustees on my examination of the accounts of J R Whippet Rescue (the Charity) for the year ended 31 December 2023.

Responsibilities and basis of report

As the charity trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

J R WHIPPET RESCUE

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

Accounting convention

The financial statements have been prepared in accordance with the historical cost convention (except where otherwise stated in the accounting policy note) and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The charity is a public benefit entity as defined under FRS102. The Trustees have considered the implications of the national cost of living crisis and consider that there are no material uncertainties affecting the ability of the charity to continue as a going concern.

Income

Income from donations is included in income when these are receivable, except as follows:

- I. When donors specify that donations given to the charity must be used in future accounting periods, the income is deferred until those periods;
- II. When donors impose conditions which have to be fulfilled before the charity becomes entitled to use such income, the income is deferred until the pre-conditions have been met.

Legacies are included on a receivable basis where charity is entitled to the income, it can be measured reliably and receipt is probable. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is not included in income but is treated as a contingent asset and disclosed if material.

Investment income is included on a receivable basis.

Donations in kind comprise donated services where the costs are measurable and the services would otherwise have to be paid for to maintain operational effectiveness.

Expenditure

Expenditure is recognised in the period in which it is incurred. Expenditure includes attributable VAT which cannot be recovered.

Raising funds

Raising funds expenditure include those costs incurred in seeking voluntary contributions, costs of goods sold and other costs which include the costs of running and participating in fundraising events and collections and cost of goods purchased for resale.

J R WHIPPET RESCUE

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2023

1 Accounting policies (*continued*)

Charitable Activities

Grants awarded are allocated to charitable activities. They are treated as expenditure and a liability in the accounts as soon as they become legal or constructive obligations. In the case of multi-year grant awards, the funding for all years is immediately recognised unless there are conditions which need to be met by the recipient to enable the release of subsequent years' funding.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including independent examination, strategic management and Trustee's meetings and reimbursed expenses. These are included within support costs.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Tangible fixed assets

Fixed assets are held at cost less accumulated depreciation. Depreciation is calculated so as to write off the cost of an asset, less its estimated ultimate residual value, over the expected useful economic life of that asset as follows:

Animal and miscellaneous equipment	- 10% reducing balance
Computer equipment	- 25% reducing balance

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in the market values during the year and credited or charged to the Statement of Financial Activities based on the market value at the year end.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

J R WHIPPET RESCUE

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2023

1 Accounting policies (continued)

Cash at bank and cash in hand

This includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund accounting

Unrestricted income funds are general funds that are available for use at the trustee's discretion in furtherance of the objectives of the charity.
