There are times during the course of the year when the centre is busier than normal. These occasions are listed below:

(a) Friday: Friday is the holiest day of the week for Muslims and special prayers are offered around early afternoon on this day.

(b) Ramadhan: The month of Ramadhan is the period when members of the Muslim community are fasting during the day. The normal prayers are attended by above average numbers and special prayers are offered in the evenings. Food and light refreshments are provided for the attendees in the evening every night of Ramadhan. During the last ten days of Ramadhan the centre is open later than usual and there is a special iftar for Non Muslims and neighbours. The neighbours will be informed and appropriate parking measures and security is put in place to avoid parking problems.

(c) Eid: The Eid festival is celebrated twice every year by the Muslim community and once again the centre plays its full role in serving the need of the community. The first Eid is celebrated at the end of Ramadhan to mark the passing of the holy month and the second one is held approximately two and half months later to celebrate the end of the annual pilgrimage to Mecca, the Hajj. On Eid days due to the large numbers attending the centre for special morning prayers; we hold more than one prayers.

NOTES TO THE ACCOUNTS

For the year ended 30 September 2022

ACCOUNTING POLICIES

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with Recommended Accounting Practice 2015', (FRS 102 SORP), and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRSSSE SORP 2015 in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Accounting convention

The financial statements are prepared, on a going concern basis, under the historical cost convention. The charity is mainly dependent on continuing donations and as a consequence the going concern basis is also dependent on the continuing of donations.

Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Recognition of liabilities and expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fund raising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

All costs are allocated between the expenditure categories of Statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, and others are apportioned on an appropriate basis.
