## HELP INTERNATIONAL

### REPORT OF THE TRUSTEES for the year ended 31 March 2022

#### ACHIEVEMENT AND PERFORMANCE

##### Review of progress and Achievements

In order to pursue its objectives through many nations, Help International has principally worked with its established partners and charitable causes in India, Sri Lanka, Zimbabwe, Zambia, the Philippines and South Africa in the period up to March 2022.

Help International has focused its attention where primary recipients receive onward care and aid support. The projects are administrated by competent people who are trustworthy and transparent in the use of any monies raised by Help International on their behalf.

The charity has been able to continue to chart its course over the past year even through the difficult financial environment we find ourselves in due to the global pandemic, with more donors reconsidering the donations they make.

The following report of individual nations has not adjusted in its work from previous years and displays a continuing commitment to work towards these nations and peoples.

##### India

Help International has directed its financial and practical support through Rays of Joy Ministries in the development of their children's homes in India. Help International has continued its commitment in assisting in the provision of houses for children. Help International has great confidence in partnering in India with Rays of Joy and their continuing impact into the nation. This support continues to progress very well with all the resources being used for the benefit of the children in need. Some children have completed their sponsorship and a final Trust fund payment was sent for them, from the Hope Fund

##### Sri Lanka

We have continued to make significant contributions to Rainbow House Children's Home in Colombo. Our partners on the ground caring for Rainbow House are Dr. Lalith and Hiranthi Mendis and the team at Gospel Ministries.

##### Zimbabwe

We have supported children through their education in Zimbabwe, the nation has been through a very difficult year and all support has been gratefully received.

##### Philippines

Sponsorship of children on the Island of Mindano has continued this year and is distributed through our trusted colleague on the ground there.

##### Hope Fund / Child Sponsorship

This fund continues to provide financial support for the education of children in India, Zimbabwe and The Philippines.

##### South Africa

We were able to support a College in Gordons Bay South Africa. This college aims to train and teach people in both spiritual and practical skills which will in turn uplift the communities of those who attend. The college has an international draw and hopes to have a broad impact. We continued to support widows through The Widows Pot fund assisting those who have suffered bereavement, finding themselves devoid of any support.

### REPORT OF THE TRUSTEES for the year ended 31 March 2022

#### ACHIEVEMENT AND PERFORMANCE

##### Future developments

###### General

The Trustees plan for the charity to continue to provide support for existing projects over the coming period and are considering what steps might be taken to strengthen the funding base.

###### India

We will continue to co-operate with sustainable projects involving the betterment of the lives of children in Agra and Bangalore in India, working mainly through the Rays of Joy ministry there.

###### Sri Lanka

It is our desire to continue to support Lalith and Hiranthi Mendis in all their humanitarian work for Sri Lanka. We will continue to contribute to the support of Rainbow House Children's home working from Colombo.

###### Child Sponsorship

We have and will maintain our ongoing commitments to the children in various nations who rely on our sponsorship, keeping the sponsors informed as much as is possible with their sponsored child's progress.

###### South Africa

We hope to continue to support a College training base in South Africa which will assist in the up-lift of communities and training.

#### FINANCIAL REVIEW

##### Review of financial affairs and activities

Full details of the financial transactions are contained in the attached accounts and the total incoming resources for the year were £44,028 (2021 - £14,312) and after deducting resources expended of £45,272 (2021 - £9,499) the net outgoing resources were £1,243 as compared with net incoming resources of £4,813 in the previous period. The net assets of the charity at the 31st March 2022 were £17,766 (2021 - £19,009).

The Trustees have reviewed the charity's needs for reserves in line with guidance issued by the Charity Commission and consider it prudent that unrestricted reserves need only be sufficient to meet running costs.

The Trustees are confident that future income will enable the charity to meet its foreseeable needs, on the basis of planned activity.

##### Risk management

Directors and Trustees actively review the risks which may affect its continuation or the smooth running of its services on a regular basis. The Trustees also examine other operational and business risks faced by the charity and this helps mitigate and significant risks which may arise.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

##### Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.
