Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The primary aim of the charity is to provide financial support for the accommodation, sustenance, education, training, and overall development of Tamil orphans in Sri Lanka. In addition, the charity provides essential equipment to schools and offers emergency relief support, including funding for families with children affected by natural disasters such as flooding.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity undertook a range of activities in Sri Lanka in furtherance of its objectives for the public benefit.

These activities provided clear public benefit by supporting vulnerable and disadvantaged individuals, including orphaned children and families affected by natural disasters, by improving access to basic necessities, education, and essential relief.

The trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit when planning and carrying out these activities.

You **may choose** to include further statements, where relevant, about:

Summary of the main achievements of the charity during the year

During the year, the charity undertook a range of activities in furtherance of its objectives for the public benefit. This included the provision of educational equipment, books, and food supplies to schools and orphanages in Sri Lanka, supporting the welfare and development of disadvantaged children.

In response to severe flooding in November 2024, the charity provided emergency relief in the form of food packages to over 200 affected families with children, helping to meet their immediate needs during a period of hardship. In addition, donated clothing was sent from the UK to Sri Lanka for distribution to those impacted by the floods.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity's policy is to maintain minimal reserves, as funds are generally applied directly towards its charitable activities. During the year, a comparatively large donation resulted in a large surplus, which the trustees intend to utilise in furtherance of the charity's objectives, while retaining a reserve for unforeseen expenditure and short-term commitments.
