The Dandelion Trust

Charity Registration Number 328292

Annual Report 2025/26

Address: 12 Melander Close, York YO26 5RP

Financial Year ending: 5 April 2026

The Dandelion Trust is a charitable trust governed by a trust deed dated 9 March 1989. The appointment of new trustees is at the discretion of the current trustees.

During 2025/26 the trust continued its normal activities, which are to receive donations and distribute these to other charitable causes as the trustees see fit. A large one-off donation was received which topped up the funds available for distribution. The trust is used as a vehicle for reclaiming tax paid on Gift Aid donations. The charitable causes supported are chosen by agreement of the majority of the trustees. The charitable causes during the year were similar to last year, and are detailed in the accounts attached below.

The largest charitable cause during the year was Wycliffe Bible Translators (WBT), where regular monthly support is provided to a number of WBT members as they work towards developing literacy and Bible translation around the world. Other causes this year were:

- York Christian Youth Holidays (YCYH)
- York Schools Youth Trust (YOYO)
- TEAR fund
- Christians Against Poverty (CAP).

The trust remains in a healthy financial condition, with a balance of £39,777 at the end of the financial year. Reserves are currently held at a level which would reasonably allow the trustees to respond to financial situations which urgently require funding at short notice, whilst retaining the ability to continue longer term funding where appropriate.

The trustees of The Dandelion Trust have paid due regard to the guidance on public benefit by ensuring that grants/donations are made to other registered charities which themselves meet the public benefit requirements.

There were no serious incidents to report to the Charity Commission.
