STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Word of Life is a charity registered on 22 January 1990. The charity was established under a constitution dated 8 December 1989.

Recruitment and appointment of trustees

Under the requirements of the Constitution, the trustees are elected at the Annual General Meeting. All trustees are members of the charity.

In 2025 Word of Life received resignations from Shadi Fatehi and Anwar Berhe. The Board thanked them for their service and wished them well in the next chapter of their life.

Trustee induction and training

All trustees are familiar with the practical work of the charity and are encouraged to be involved with the on-going work of the charity. They actively engage with its activities and are familiar with the context within which it operates, including:

- The obligations of trustees
- The main documents which set out the operational framework for the charity including the Constitution
- Resourcing and the current financial position
- Future plans and objectives

Organisational structure

The trustees meet at least four times a year (quarterly) and are responsible for the strategic direction and policy of the charity. At the end of 2025 there are four trustees from a variety of backgrounds all relevant to the work of the charity, with plans to appoint more Board members in 2026. Towards the end of 2025 the Board began to appoint an advisory group to be known as the Council. These independent advisors will offer additional expertise to the Board and the staff team.

A scheme of delegation is in place. A Directors team consisting of Director (Tim Green) and three Associate Directors (David Watson, Soroush Sadeghzadeh, Jennifer Fenton) lead the staff team. They each hold different responsibilities such as operations oversight, pastoral leadership, track leadership. Developing new leaders is part of the Board's succession plan for the future. The Chair and Treasurer continue working closely with them all.

The charity has a group of project managers known as track leaders, specifically: Curriculum Manager, Training and Translations Manager, Operations Manager, Joining the Family co-leads, Hikma lead. Some are directly employed by the charity and others are on a seconded basis. These function as a leadership team. The leadership team work closely with groups of staff and volunteers on a regular basis, within the different projects of the charity.

Financial review

With the aid and support of supporters, volunteers and grants, the Charity raised £333,148 (2024: £325,556) for the year, of which £256,161 was restricted for particular projects. Gift Aid was applied for regularly.

The Charity's expenditure during 2025 financial year was £350,040 (2024: £201,578). This was spent on the development of our projects, salaries, governance, and administration overheads, and included £316,138 of restricted funds.

The net movement for the year was -£16,892 (2024: £123,978).

Both income and expenditure increased compared to 2024. We carried forward from 2024 several significant grants comprising restricted funds designated for project work which were mostly spent through 2025. In 2025 our major project expenditure included:

- Hosting a Panel looking at challenges of parenting in various contexts
- Continuing to partner with others to translate and publish our first course in different languages
- Developing two new courses, with writing teams from around the world
- Publishing two new research books, with a pipeline of others in place
- Hosting two large international conferences in Thailand, supported by our staff teams
- Consulting with various groups on resource contextualisation and additional study materials needed
- Developing our systems and digital spaces

As of 31 December 2025, the Charity held assets as cash in bank of £179,125 (31 December 2024: £200,109) which consisted of £43,081 restricted project funds and £136,044 unrestricted funds.

The trustees intend to continue to support the charity's projects, working in development of resources, training, and research in the following financial year.

Principal funding sources

Funding sources are primarily grants and gifts from supporters. In addition, in 2025 some income was received from sales of books and from delegates attending our events.

Investment Policy

All the charity's funds are to be applied in the short term and no funds are held for long term investment. Some are in a current account and others are in a higher rate savings account. In 2026 the trustees intend to transfer the reserves into a higher interest account, but still with instant access should they be needed.

Reserves Policy

Word of Life holds a reserve in its bank account which will allow it to operate for a three-month period in the event of future financial difficulty. The Reserves Policy was revised in 2021 and is regularly checked by the Associate Director and Treasurer. As of 31 December 2025, the charity held free reserves of £136,044 (31 December 2024: £90,602). The trustees are confident that the current reserves position will allow the charity to continue operating its current activities over the next financial year.

Plans for future periods

The charity will continue to seek for grants and support through donations, in order to advance the Christian faith in accordance with its objects.

The Directors team and Operations team continue to work on widening the donor base, including applying to new grant-making bodies and developing relationships with different churches and partners who support work in our field of ministry.

Responsibilities of the trustees

Charity Law requires the trustees to prepare financial statements for each financial period which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its income resources and application of resources, including income and expenditure, for the financial period. In preparing those financial statements, the trustees follow best practice and:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis, unless it is not appropriate to assume that the charity will continue that basis.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with Charity Law.

The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

OUR AIMS AND OBJECTIVES

Purpose and aims

The charity's purposes, as set out in the objects in the Constitution, are the advancement of the Christian faith in such ways as the charity trustees may from time to time decide.

The trustees do not consider that any detriment or harm would arise from this charity's charitable purposes.

Ensuring work delivers our aims

We review our aims, objectives and activities annually. These plans are drawn up by the leadership team and shared with the Board and with the staff teams. This review considers what has been achieved over the previous year, and how the charity has fulfilled its aims, while reflecting on the challenges and any disappointments. It helps the trustees to ensure that our aims, objectives and activities remain focussed on our stated purposes. This review also sets vision and targets for the following year, with reference to the guidance contained in the Charity Commission's general guidance on public benefit.

The focus of our work

Our main objective for the period was to advance the Christian faith.

The charity develops and publishes Christian materials, in different languages, for use by new Christians in order to develop their knowledge and understanding of the Christian faith. It seeks to train people in the use of these materials and is engaged in research concerning these peoples who are new to the Christian faith.

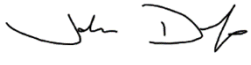

How our activities deliver public benefit

The beneficiaries of our work have been both leaders and members of churches in the UK, Europe and around the world who have received our materials and been trained in using them. The materials we produce have been translated into a number of different languages enabling their use by people from a variety of places including South East Asia, Africa, the Middle East and Europe.

This report is signed for and on behalf of the trustees:
