TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees present their annual report together with the financial statements of the Give a Child a Brighter Future Limited for the 1 January 2022 to 31 December 2022. The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

The company continued to rely on donations from various supporters, including institutions. Its only other income is bank interest. It is entirely run by unpaid volunteers. The directors donate the company's funds to organisations whose work is consistent with the company's principal objectives. These organisations include hospitals and other charities. The charity invites applications for funding of projects through various sources. The applications are reviewed by the trustees who ensure that they are in accordance with the charity's objectives.

Fundraising activities and income generation

Give a Child a Brighter Future Limited benefits from a large circle of generous benefactors, sponsors and friends who, year after year, support its many worthy projects. The charity was able to hold their annual event that was a huge success.

Financial review

During the year under review, the Charity's income was £308,719 (2021: £276,532). The trustees are grateful to all donors for their contribution received during the year and their continued support in the future.

The charity continued to provide financial support to organisations working in the Lebanon to help sick, disabled, poor, homeless or needy children. The total amount donated during the year was £150,080 (2021: £128,371).

The trustees wish to continue using the charity's resources in this way. However, the charity has no ongoing expenditure, and at 31 December 2022 there were no incomplete projects or future obligations.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

a. Reserves policy

The Charity's cash reserves at the balance sheet date were £496,039 (2021: £377,891).

The level of reserves is considered appropriate given the nature of the income. It will allow continued financial support to organisations working in the Lebanon in the short term and this will allow other forms of fund-raising to be considered.

In accordance with the Memorandum and Articles of Association the trustees have the power to invest in such assets as they see fit. The Foundation has a policy of keeping surplus liquid funds in short term deposits. This low risk investment policy provides the flexibility in making charitable grants and ensures the Foundation had adequate funds to meet ongoing grant commitments and administration costs in accordance with its reserves policy.

b. Reserves policy

The Trustees have adopted a policy that, where possible, a general fund cash reserve will be maintained.

Cash reserves for this year amounts to £496,039 which adequately covers the Charity's reserves policy criteria and provides a cushion for seasonal cash flow fluctuations that impact the organisation from time to time.

c. Investment policy

In accordance with the Memorandum and Articles of Association, the Trustees have the power to invest in such assets as they see fit. The Charity has a policy of keeping surplus liquid funds in short term deposits.
