Report of the Trustees

Structure, Governance and Management

Type of governing document	Rules adopted 15 January 1971 as amended 10 May 1993, and 13 May 2019.
Constitution of the charity	Association.
Trustee Selection Methods	Elected by the membership.

Objectives and Activities

Objectives of the charity	a) to advance public education and to promote the appreciation and study of the work of Thomas Chippendale Senior and Junior. (b) to acquire and maintain examples of their art, and of related material, for the benefit of the nation;
Main activities undertaken for the public benefit in relation to the objectives	Apart from running its usual programme of activities and events, including study visits to historic houses and their collections, the Society completed the high resolution scanning of all four versions of Chippendale's *Director*, with a view to making them freely available online. It is hoped that this project will be completed in 2025.

Achievements and Performance

Main achievements during the year	The Society's finances continue to be sound and investment income from Building Society accounts has added materially to the Society's funds. To ensure financial security for the future and in anticipation of higher running costs, the committee voted for a rise in the membership subscription rate which will take effect from 1 January 2026. Towards the end of the year the Society made a significant addition to its collection – a bill of 1766 signed by Thomas Chippendale Junior.
