THE OLD MEETING HOUSE

Trustees' Report for the year ended 31 December 2021

The trustees present their annual report together with the financial statements of The Old Meeting House (the charity) for the year ended 31 December 2021. The trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document, The Charities Act 2011 and the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

OBJECTIVES AND ACTIVITIES

Policies and objectives

In setting the objectives and planning for activities, the trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit.

The principal objective of the charity is religious worship by members of the Unitarian Church and fellowship within our religious doctrine.

Grant making policies

The charity makes grants and donations in accordance with its principal objectives. Funds received from E M Unitarians, The Woodhead Trust, Notts Historic Churches and various individuals are all of a general purpose.

ACHIEVEMENTS AND PERFORMANCE

Review of activities

The trustees consider that the performance of the charity has been satisfactory.

Religious services were conducted throughout the year together with the associated activities of weddings, christenings and funerals. Members of the Church also conducted fellowship activity and fundraising in support of funds.

Members of the congregation voluntarily support fundraising activities, Ministerial expenses being the major expense of the church. The trustees consider that the funds available to the Charity are sufficient for its continued operation and that it is solvent at this time. Reserves are available for income to provide finance for Chapel expenditure and for any proposal regarding the purchase of Freehold Property for Manse purposes.

FINANCIAL REVIEW

Reserves policy

The statement of financial activities shows the results for the year and this is represented by the investment portfolio and cash at bank.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution and method of appointment of trustees

The governing documents require trustees to monitor the finance and assets of the Unitarian Church within Mansfield, known as The Old Meeting House. Trustees are to be greater than two and appointment is at the discretion of the continuing trustees. In the event of difficulties with appointment, The East Midlands Unitarians shall act as custodian trustee.

This report was approved by the trustees on 1 September 2022 and signed on their behalf by

THE OLD MEETING HOUSE

Independent Examiner's Report to the Trustees of The Old Meeting House Unitarian Church for the year ended 31 December 2021

I report to the charity trustees on my examination of the financial statements of The Old Meeting House for the year ended 31 December 2021.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the charity you are responsible for the preparation of accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's trustees those matters that I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work or for this report.

THE OLD MEETING HOUSE

Notes to the Financial Statements for the year ended 31 December 2021

1. ACCOUNTING POLICIES

1.1 Basis of preparation of the financial statements

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) applicable from 1 January 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing financial statements in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) applicable from 1 January 2019 and Financial Reporting Standards applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Old Meeting House constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

The COVID-19 pandemic had a significant immediate impact on the charity's operations. Because of restrictions on meeting in public places during 2020 and early 2021, on-line services were used to keep the Chapel community together, but all fundraising activities were suspended. Changes in general economic conditions brought about by the uncertainty surrounding COVID-19 had a significant impact on the values of the charity's investments during the initial lockdown period but have recovered well since that time.

The trustees believe it is appropriate to adopt the going concern basis of preparation of the financial statements.

1.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for any other purposes.

1.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.5 Government grants

Grants of a revenue nature are recognised in the statement of financial activities in the same period as the related expenditure.

THE OLD MEETING HOUSE

Notes to the Financial Statements (continued) for the year ended 31 December 2021

1. ACCOUNTING POLICIES (continued)

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Charitable activities and governance costs are costs incurred on the charity's operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.7 Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value through the statement of comprehensive income if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

1.8 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income in other administrative expenses.

1.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of these amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1. ACCOUNTING POLICIES (continued)

1.11 Financial instruments

The charity only has basic financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
