STRUCTURE, GOVERNANCE AND MANAGEMENT

The District's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and the Policy Organisation and Rules of the Scout Association.

The District is managed by the District Trustee Board, the members of which are the "Charity Trustees" of the Scout District which is an educational charity. As Charity Trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Trustee Board consists of the Chair, Treasurer and 8 Trustees (including 2 Ex-Officio Trustees) and meets every 3 months. Members of the Trustee Board complete 'Being a Scouts Trustee' learning within the first 6 months of joining the Board.

The District Trustee Board exists to make sure the Charity is well managed, risks are assessed and mitigated, equipment is in good working order and everyone follows legal requirements and the organisation's policies and rules. Their support helps other volunteers run a high quality and safe programme that gives young people skills for life.

Members of the Trustee Board must act collectively as Charity Trustees of the Scout District and in the best interests of its members in accordance with the Policy Organisation and Rules of the Scout Association.

The District Trustees have identified the major risks to which they believe the District is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas for concern that have been identified are: the District primarily reliant upon income from the District levy. The District does hold a reserve to ensure the continuity of activities should there be a major reduction in income. Otherwise, the Trustee Board would have to raise the value of the District levy to increase the income to the District on an ongoing basis, either temporarily or permanently.

Injury to leaders, helpers, supporters and members. The District through the membership fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

The District has in place systems of internal controls that are designated to provide reasonable assurance against material mismanagement of loss, these include 2 signatures for all payments and a comprehensive insurance policy to ensure that insurable risks are covered.

OBJECTIVES and ACTIVITIES

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal developments, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values.

Integrity - We act with integrity, we are honest, trustworthy and loyal
Respect - We have self-respect and respect for others.
Care - We support others and take care of the world in which we live.
Belief - We explore our faiths, beliefs and attitudes.
Co-operation - We make a positive difference; we cooperate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise
-

Public Benefit Statement

The District meets the Charity Commissioner's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

FINANCIAL REVIEW

The accounts are presented in a Receipts and Payments format recommended by the Charity Statement of Recommended practice (SORP), which forms part of The Scout Association Policy Organisation & Rules (POR)

The District Income and Expenditure is very small and therefore does not have sufficient funds to invest in long-term investments such as stock and shares. The District has therefore adopted a low-risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or those who are registered with the FCA and covered by the FSCS.

The District Trustee Board regularly monitors the level of bank balances and the interest rates received to ensure the District obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the District Trustee Board considers the cash flow requirements.

The District policy on reserves is to hold sufficient resources to continue the charitable activities of the District Scout Council should income and fundraising activities fall short.
The District Trustee Board considers the District should hold a sum equivalent to 12 months running costs circa £15,000 The District held reserves of approximately £65,000 Against this at year end.

District Finance Report 2025-2026

Overview

As has already been mentioned elsewhere in this report, our young members and their leaders are at the heart of what we do. In a year of incredible change to our governance, organisation and administration practices, our volunteers have continued to deliver quality scouting activities and opportunities for their groups.

The District Council exists to support you, the local groups, but we need to be sure that you are organised and administered appropriately. Sometimes, that can come across as being an extra burden to the “couple of hours a week” club, but it genuinely is appropriate given our role in the community. Your continued support in making these changes to your organisations running is gratefully acknowledged.

District Finances

The accounts are prepared on the receipts and payments (cash) basis and is consistent with previous years.

Income for the year 2025-26 was £37,652, £5,851 up on the previous financial year, primarily because of the grant received for the HQ fence (installed in previous year). Most of this income, however, is spent on the membership (capitation) fees to the Scout Association (£24,343). District HQ usage donations showed a modest increase, however, the costs of running the HQ have again increased and these donations will have to be reviewed in September 2026. Interest earned from the deposit account with CAF has shown a small decrease in line with reduced interest rates throughout the year.

As the refurbishment projects for the HQ have now been completed, there is a marked decrease in overall related costs in the year. We also had less spent on administrative expenses.

Overall, the District reported a surplus of funds of £1,942 for the first time in a few years.

During the year, we took the decision to change bank accounts. We opened a new account with Lloyds, which gives us internet banking at last. We hope to be able to close all the Royal Bank of Scotland accounts during this financial year. We will open a Lloyds savings account for the International funds because of this change, but the shop account will cease to exist entirely.

District shop

Sadly, the continuing decline in shop usage has again resulted in a drop in revenue contributed to the district funds. Sales were £2,733 for 2025-26 although there was a gross profit reported in the year, it was still not enough to cover the till maintenance and card fees incurred. Overall, the deficit was £67 for the year compared to £567 deficit last year.

We do need to consider the shops future. Everyone understands that online shopping is more convenient, enabling delivery to your door rather than having to visit the shop on a Thursday. However, as a District, we do get preferential rates that allows us to make a modest contribution on our sales. That can then be used for the benefit of this District as opposed to others. We need more footfall!

As already mentioned, the district shop bank account will close and be merged into the main Lloyds account during 2026-27 financial year. I will continue to keep a separate record of the shop's performance.

International Fund

During the year, the fund received donations from the local Masons Lodges of £1,300. This was very much welcome, and we thank them for their continued generosity.

As 2027 is a Jamboree year, the fund paid for the deposits for our selected participants. £3,750 was sent to Greater Manchester West to be distributed to the three Units that will have Lilford members involved.

As well as the young members lucky enough to be going to Poland next year, we also have one of our District volunteers attending as Contingent Leader. As a result, £1,000 was donated to support her attendance.

Originally, this fund was setup to support the District participants for the 2011 Jamboree in Sweden. It's great to see it still being used to support these fantastic international opportunities for our young (and older!) members.

District matters

The accounts have been examined by David Hampson. David has scrutinised the books of account as presented here and his report is attached. I would like to thank David for his time again and propose that District re-appoint him for the 2026-27 financial year.

May I take this opportunity to remind you all that your Group's account statements are to be sent for my attention as soon as they are signed off by your trustees. Your trustees (and sections) are responsible to account for every single penny that you collect and spend. This is not a request but a mandatory requirement from POR and the charities commission, irrespective of whether your group is separately registered as a charity.

In closing, thank you all once again for all your help and support this year. And another big thank you for all you do in your groups, for your young members.

John Paul Yates FCMA
District Treasurer

Independent examiner's report to the trustees of Lilford District Scout Council

I report to the trustees on my examination of the accounts of the Lilford District Scout Council (the Trust) for the year ended 31st March 2026.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
