OBJECTS, ORGANISATION AND ACTIVITIES

The Charity was established in 1974 with the objective of providing for the theoretical and practical training of people involved in the construction industry.

The Charity is an unincorporated association registered under the Charities Act 1960 and is governed by the Rules of Association.

The Charity operated from its registered office and organises meetings and training courses for its members.

REVIEW OF FINANCIAL ACTIVITIES AND AFFAIRS

The Charity receives most of its income in the form of grants. The use of its grants is unrestricted. The Charity also receives subscriptions from its members and bank interest and members contributions to some courses.

RESPONSIBILITIES OF THE TRUSTEES

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the financial activities of the charity during the year and of its state of affairs at the end of the year. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent;
and
- prepare the financial statement on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

RESERVES POLICY

It is the policy of the Trustees that reserves should adequately cover the cost of activities in which the charity has engaged, but which have not yet materialised.

Our current reserves cover any of this expenditure, and in addition provide us with the comfort that our programme for 2021 will be adequately funded.
