### **Achievements and performance**

During the year to 31 October 2020, like most organisations the Recreation Ground was affected by periods of reduced activity following the events enforced by the coronavirus pandemic.

The plans for the future surround the expansion of future events, in addition to further promoting the grounds and facilities for sporting events to benefit the village of Oughtibridge and surrounding areas.

### **Financial Review and Results for the Year**

The trading activities of the Recreation Ground and the resident sports teams, resulted in a small trading loss, but only after depreciation, without the need of charitable and local donations

### **Reserves policy**

The Board has considered the Trust's need for reserves in the light of the main risks facing the charity. In the present financial situation, they recognise that it is important for the trust to work towards a position where it holds unrestricted cash reserves equivalent to an agreed number of months of operating costs, ideally at least six months.

### **Accounting and Reporting Responsibilities**

The Charities Act 2011 requires the trustees to prepare accounts for each financial year which give true and fair view of its financial activities during the year and of its financial position at the end of the year. In preparing the accounts the trustees should follow best practice and:

- Make judgements and estimates that are reasonable and prudent
- Follow applicable accounting standards and the Charities SORP, disclosing and explaining any departures in the accounts
- Prepare the accounts on a going concern basis unless it is inappropriate to assume that the Charity will continue in operation.

The trustees are responsible for keeping accounting records which are such as to be disclosed, with reasonable accuracy, the financial position of the Charity at any time, and to enable them as trustees to ensure that the accounts comply with charity law. The trustees are also responsible for safeguarding the Charity's assets and ensuring their proper application in accordance with Charity Law, and hence for taking reasonable steps for the prevention and detections of error, fraud and other irregularities.

## Notes forming part of the financial statements for the year ended 31 Oct 2020

### 1. Accounting Policies

#### *Basis of preparation*

The financial statements have been prepared under the Charities Act 2011 and the historical cost convention. The financial statements have been prepared in accordance with the Charities SORP (FRS102).

The Statement of financial activities (SOFA) and balance sheet consolidate the financial statements of the charity and its subsidiary undertaking, Trust Fund for the Oughtibridge War Memorial Recreation Ground. The results of the subsidiary are consolidated on a line-by-line basis.

#### *Fund accounting*

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds is charged against the specific fund, the aim and use of each restricted fund is set out in the notes to the financial statements.

Designated funds are funds, which have been designated by the trustees for a particular purpose as described in note 8. These form part of unrestricted funds, as the donors of these funds stipulated no particular purpose for their uses.

#### *Incoming resources*

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. The following specific points are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and legacies and is included in full in the Statement of Financial Activities when received. Grants of a revenue nature are credited to income so as to match them with the expenditure to which they relate. Donations for purposes restricted by the wishes of the donor are taken to restricted funds where these wishes are legally binding on the trustees.
- Investment Income is included when receivable and represents interest received on the company's cash deposits.
- Fees and similar income for services and the use of premises are accounted for in the period in which the service is provided.
- Donated facilities and services are included at the value to the charity where this can be quantified and a third party is bearing a cost. No amounts are included in the financial services donated by volunteers

### *Resources expended*

All expenditure is accounted for on an accruals basis and as a liability is incurred. It is reported as part of the expenditure to which it relates:

- Cost of generating funds comprise the costs associated with attracting voluntary income, and those incurred in trading activities that raise funds.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them, including staffing and other overhead costs.
- Governance costs include costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

### *Tangible fixed assets and depreciation*

Tangible fixed assets are capitalised and included at cost including any incidental expenses of acquisition.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost on a straight-line basis over their expected useful economic lives as follows:

Land and buildings	2% straight line
Plant and machinery	10% straight line
Furniture, fixtures and equipment	25% straight line

### *Investments*

Investments are stated at market value at the balance sheet date.
