Trustees' Report

The Trustees present their Annual Report together with the financial statements and Independent Examiner's Report of the charity for the year ended 31 December 2021.

The charity's principal activity is the provision of Village Hall facilities for the benefit of the entire community in or around Fairfield. Activities include specific groups for the young and the old, the Parish Church, Women's Institute, and various local events.

Structure, Governance and Management

The Charity was created by a Trust Deed dated 30 December 1922.

Details of the Trustees who served throughout the year except as noted are included in the Reference and Administrative Details on page 2.

Objectives and Activities

Objects and Aims

The principal objects and aims of the charity are the operation of a successful, thriving village hall, for the public benefit, for the residents of Fairfield and surrounding areas.

Objectives and Activities

The Trustees oversee the management and activities held at the village hall and seek to ensure that the village hall provides a real benefit to the inhabitants of Fairfield and surrounding areas. The village hall is used by a broad cross section of residents ranging from the young attending Pre School to older residents attending regular social events such as bingo, various forms of dancing, martial arts classes, various club and society events and the local Women's Institute meetings. The hall also provides cinema facilities screening a broad range of films on a regular basis to suit the whole community.

Public Benefit

The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Charity Commission in defining the operational activities of the village hall. The activities by the charity to achieve public benefit are set out above.

Achievements and Performance

The further national lockdown measures imposed in response to the Covid-19 pandemic brought activities at the Hall either to a stop or to limited activity under the various restricted measures, in the early part of the year. The Trustees continued to maintain all necessary measures required by Government guidance on signage, sanitation, social distancing, and all appropriate protocols to allow for the continued use of the facilities where appropriate under strict Covid-Secure Guidelines.

Expenditure was reduced to essential matters only and budgets and forecasts revised to reflect the reduced income levels and ensure financial stability. The availability of support grants from the Local Authority, together with the measures taken as identified above and a steady return of hirers from the middle of the year, have left the Hall finances in an acceptable position to face the challenges that 2022 may bring.

Financial Position

The charity held bank balances 31 December 2021 of £29179 compared with £23,887 the previous year.

Reserves Policy

The Trustees review the reserve levels of the charity annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

The Trustees have determined that the appropriate level of free reserves should be approximately £10,000. This is based on sufficient working capital to cover delays between spending and receipts.
