TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees present their annual report together with the audited financial statements of the Charity for the 12 months from 1 September 2021 to 31 August 2022.

Objectives and activities

a. Policies and objectives

The Independence Appeals Fund (the 'Charity') was set up to support Wolverhampton Grammar School (the 'School') in its aims and to provide financial help wherever possible to children who would not otherwise have been able to attend the School.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

The agreed strategy has been to take advantage of the improving market conditions to increase the value of the investment portfolio with a view to providing support where practicable through income streams in future years, thereby allowing the capital of the Fund to remain at least at current levels and to meet the Reserves Policy agreed for the consolidated group (as detailed under Organisational Structure).

c. Activities undertaken to achieve objectives

In conjunction with its Investment Manager, the Charity has been focussing on increasing the value of its investment portfolio to enable increased support of the School in future years. The Charity supports a number of annual means tested scholarships from funds given specifically for this purpose along with a number of means tested hardship bursaries.

d. Grant-making policies

The Trustees' policy is to fund any specific bursary or scholarship at the School as required by the donor of those funds and to make general funds available to the School for bursaries and in support of other aims and objectives of the School as agreed with the Directors of the School.

e. Volunteers

Many parents, friends of the school and Old Wulfrunians help with fundraising, cultural and sporting activities providing many hours of voluntary service during the year. Much of this work involves raising awareness of the need to provide bursary support and promotion of the Independence Appeals Fund's role and support in this.

FOR THE YEAR ENDED 31 AUGUST 2022

Objectives and activities (continued)

f. Main activities undertaken to further the Charity's purposes for the public benefit

Being a former state funded Grammar School and subsequently heavily involved in the Government Assisted Places Scheme, Wolverhampton Grammar School is perceived by itself and the people of Wolverhampton, very much as a School with a duty to uphold its strong charitable links. This strength has been further developed since the advent of full independence in 1979, with great importance placed on maintaining the public benefit provided, not only in the delivery of a rounded education, but also through the provision of supported places to pupils otherwise unable to afford to attend the School. Wolverhampton Grammar School remains an academically selective, but not elitist School. It continues to remember its tradition of educating pupils from all sections of the community, with a significant number of bursaries being offered, to assist children of low income families in attending the school. The philosophy of the School is steeped in the educational tradition of providing public benefit, in both educational and community terms. Furthermore, the continuation of a policy of providing places to pupils who cannot afford to pay fees is one endorsed wholeheartedly by the School's Directors and staff alike. Whilst the main focus for bursarial support rightly concentrates on full fee awards, the School's Directors are also mindful of pupils who wish to attend the School, but do not qualify for full bursaries. With this in mind, there are a number of part funded places offered to families of moderate income, further widening the access to potential beneficiaries. In addition, the School provides a number of hardship bursaries to pupils in years 10 to 13 to allow them to complete their critical exam years.

Whilst the Charity has focussed on increasing its investment portfolio, the Trustees have agreed to provide up to £50,000 on an annual basis to support hardship funding to support the School in awarding means tested bursaries for pupils in critical exam years. This hardship funding is augmented by donations received specifically for this purpose. In addition, the Charity provides a number of means tested bursaries and scholarships, such as the Sports Scholarship and Ivy Jones Award from donations given specifically for such awards. During 2017/18 the Trustees also agreed to offer a means tested Foundation Bursary to a new entrant at Year 7 from September 2018. This decision was made to assist in the fundraising strategy of the School and encourage matching donations for Foundation Bursaries to be made.

In the furtherance of these aims, the Trustees have complied with the duty in section 4 of the Charities Act 2011 to have due regard to the Charity Commission's published and relevant sub sector guidance concerning the operation of the Public Benefit requirement under that Act.

Objectives and activities (continued)

Achievements and performance

a. Review of activities

The School continues to promote the Independence Appeals Fund for the receipt and management of donations and legacies for augmenting bursary funds. The fund received donations and legacies amounting to £58,421 (2021: £201,914) in the year.

As part of the School strategic plan, a Development Office was established in 2015/16 which was financially supported by the Fund until August 2018. A fundraising strategy has now been developed and adopted with a major focus of attracting significant donations to the Independence Appeals Fund allowing a greater number of bursaries to be awarded. The most recent donations have been for Foundation Bursaries and in addition to the Foundation Bursary committed to by the Trustees for September 2018, the new donations have allowed a second Foundation Bursary to be made for September 2018, two further Foundation Bursaries to be awarded for September 2019 and one Foundation Bursary to be awarded for September 2020, September 2021 and September 2022. These awards were made in addition to a number of hardship bursaries and specific awards such as the Sports Scholarships.

b. Investment policy and performance

The Trustees have appointed Investment Managers to manage the investment portfolio on a discretionary basis in accordance with the agreed strategy. The Trustees monitor the returns on a regular basis. The investment objectives for the General Appeals Fund and the Restricted Funds are:

- The creation of a sufficient financial return to enable the Charity to carry out its purposes effectively and without interruption;
- The maintenance and enhancement of the investment funds over the long term;
- To obtain a reasonable balance between capital growth and income so that the Charity can meet future as well as current needs;
- To avoid investments that are unduly risky.

The investment objectives for the Ivy Jones Endowed Fund are:

- To maximise the returns on investments;
- To avoid investments that are unduly risky.

The income for the year from the managed investment portfolio amounted to £85,759 (2021: £80,162). The total return achieved was 2.25% on the General Appeal Funds and 2.44% on the Restricted Funds as measured against the MSCI WMA Balanced Index, which rose by 2.26% during the year. The Ivy Jones Endowed Fund, which has an income orientated benchmark, returned 2.89% while the WMA Income Index gained 2.31%.

Financial review

a. Going concern

After making enquires, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Charity therefore continues to adopt the going concern basis in preparing its financial statements. The Trustees have also assessed the potential impact on the future operations of the Charity with regard to the Covid 19 outbreak. The Charity is considered to be well positioned given the current environment with no impact on the going concern basis of the financial statements.

b. Reserves policy

In the Trustees' view, the level of reserves held should provide the Charity with adequate financial stability and the means for it to meet its charitable objectives for the foreseeable future. The level of reserves is also considered in line with the consolidated group's Reserves Policy which aims to build up and maintain its unrestricted free reserves in order to accommodate longer term plans for capital investment and other strategic objectives as well as provide an emergency fund to manage the risks and uncertainties for an educational charity in the current political and economic climate. In addition The Directors and the Trustees recognise the need to increase the restricted and endowed reserves held to help fund future transformational bursaries.

At 31 August 2022 total funds amounted to £4,463,871 (2021: £4,794,094). Details are shown in note 14.

Structure, governance and management

a. Constitution

Wolverhampton Grammar School Independence Appeals Fund is a registered charity, number 507487, and is constituted under a Trust deed.

b. Methods of appointment or election of Trustees

The Charity's Trustees are appointed by Deed of Appointment by the current/outgoing Trustees who carefully consider the range of skills which are required by the Board of Trustees.

A minimum of four Trustees are required on the Board.

c. Policies adopted for the induction and training of Trustees

New Trustees are provided with an induction pack, which contains details of the trust deeds under which the Charity operates. Before taking up post, they meet with the Chairman of the Board of Directors of the School and the Head of the School.

Once appointed, a meeting with the Clerk to the Trustees is arranged, to provide more detailed information and to identify appropriate training courses for individuals to attend.

Structure, governance and management (continued)

d. Organisational structure and decision making

Wolverhampton Grammar School is a charity and company limited by guarantee, and is governed by its memorandum and articles of association. The associated Trusts, The Independence Appeals Fund and The 1958 Appeal Fund are administered in conformity with their Trust Deeds.

The consolidated accounts comprise Wolverhampton Grammar School Ltd (registered charity number 1125268), Wolverhampton Grammar School Foundation (registered charity number 529006), Wolverhampton Grammar School Independence Appeal Fund (registered charity number 507487) and Wolverhampton Grammar School 1958 Appeal Fund (registered charity number 1090885). The School was set up to run the operational and trading activities, the Foundation was set up to manage the specie endowed land and buildings and the two Appeal Funds were set up to support the School in its aims and to provide financial help wherever possible to students who would not otherwise have been able to attend Wolverhampton Grammar School.

The Trustees are responsible for the overall management of the Charity.

The Trustees meet at least twice times a year and are empowered to ensure that the policies of the Charity are carried out in line with the aims of the Charity.

The day to day management of the Fund is delegated to the Fund's Investment Managers and to Wolverhampton Grammar School management. The Head and the Bursar of the School (who also acts as Clerk to the Trustees) attend meetings of the Trustees.

e. Risk management

The Trustees examine the major risks each financial year with particular reference to their future plans. The Charity has developed systems to monitor and manage the major risks that could affect the Charity in the future.

Plans for future periods

During the next year, Trustees will continue to seek to establish additional opportunities for generating income streams, in order to continue to provide bursary support for pupils at the School and other financial support for the School as supported by the new Fundraising Strategy adopted by the School. The overall strategy of the Trustees will also seek to protect and grow the capital of the Fund.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

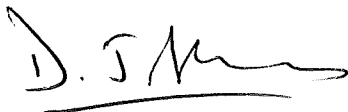

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, WR Partners, have indicated their willingness to continue in office. The Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

WOLVERHAMPTON GRAMMAR SCHOOL INDEPENDENCE APPEALS FUND

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF WOLVERHAMPTON GRAMMAR SCHOOL INDEPENDENCE APPEALS FUND

Opinion

We have audited the financial statements of Wolverhampton Grammar School Independence Appeals Fund (the 'charity') for the year ended 31 August 2022 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF WOLVERHAMPTON GRAMMAR SCHOOL INDEPENDENCE APPEALS FUND (CONTINUED)

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditors' report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

WOLVERHAMPTON GRAMMAR SCHOOL INDEPENDENCE APPEALS FUND

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF WOLVERHAMPTON GRAMMAR SCHOOL INDEPENDENCE APPEALS FUND (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We reviewed the susceptibility of the charities financial statements to material misstatement and identified the principal risks, implementing a series of testing procedures to provide us with sufficient comfort to issue our opinion.

We reviewed the charity's regulatory environment to ensure we could conclude that it had acted in accordance with the framework relevant to the charity and its environment and identify any instances of non-compliance.

We also assessed the charities internal control procedures to ensure we could appropriately scrutinise these controls and establish whether our understanding of the control environment was sufficient to supplement our additional testing procedures.

The engagement team consisted of a team that the engagement partner believes is equipped with the relevant level of technical and charity awareness to carry out our work to the required standard.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

WOLVERHAMPTON GRAMMAR SCHOOL INDEPENDENCE APPEALS FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. General information

Wolverhampton Grammar School Independence Appeals Fund is a Charity registered in England.

The address of the principal office is given in the charity information on page 1 of these financial statements.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the second edition Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (issued in October 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Wolverhampton Grammar School Independence Appeals Fund meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

After making enquires, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Charity therefore continues to adopt the going concern basis in preparing its financial statements.

WOLVERHAMPTON GRAMMAR SCHOOL INDEPENDENCE APPEALS FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the Charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the Charity, or the Charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services or facilities are recognised when the Charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the Charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised though the Trustees' report provides more information about their contribution.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the Charity which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset class and depreciated over the useful economic life in accordance with the Charity's accounting policies.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

WOLVERHAMPTON GRAMMAR SCHOOL INDEPENDENCE APPEALS FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

Investments held as fixed assets are shown at cost less provision for impairment.

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. There are no estimates or assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

15. Statement of funds (continued)

Endowment Funds

The Ivy Jones Endowed Fund is an endowed fund under the terms of the will of Professor Douglas Jones (Old Wulfrunian) for the express purpose of providing bursary assistance for able pupils whose parents could not otherwise afford to send their children to the School. Any bursary awarded is to be designated as an 'Ivy Jones Award' in honour of Prof Jones' late wife. Under the terms of the will, the capital of the legacy is required to be maintained unless certain circumstances arise whereby some or all of the capital may be spent.

Restricted Funds

The Martin Bequest:

The Martin Bequest is a restricted fund which has been set up to provide a bursary prize or prizes for students studying for or proceeding to Allied Medical Sciences or such other subjects as the governing body of the school shall at its discretion think fit.

The Old Wulfrunian Sports Scholarship Fund:

The Old Wulfrunian Sports Scholarship Fund is a restricted fund which has been donated to provide a means tested Sports Scholarship to a student (or students) living in the Wolverhampton postcode area who joins the school into the Sixth Form and who is able to demonstrate considerable sporting achievement.

Bursarial Funds:

These monies were raised by appeal when the school was given notice by local government of their intention to cease to maintain the school. The purposes of the appeal were to raise £180,000 for new buildings and the balance of sums raised to provide financial assistance for children who otherwise would be unable to attend Wolverhampton Grammar School.

During the previous year, an Emergency Appeals Fund was launched in order to support families in short term financial difficulties as a result of Covid-19.

Ivy Jones Award Fund:

Income generated from the Ivy Jones Endowed Fund is credited to the Ivy Jones Award Fund, a restricted fund, which is used for bursary assistance.

Foundation Bursary Fund:

These monies were raised as part of the current fundraising strategy to provide 100% bursaries to students in financial need entering Year 7, making provision for a full 7 years of education at Wolverhampton Grammar School if required.

17. Related party transactions

Owing to the nature of the relationship between the IAF and Wolverhampton Grammar School's operations and the composition of the Board of Directors being drawn from local public and private sector organisations, transactions may take place with organisations in which a member of the board has an interest. All transactions involved such organisations are conducted at arm's length and in accordance with the School's financial regulations and normal procurement procedures.

During the year, donations totalling £42,000 (2021: £NIL) were received into the Bursarial Support Fund from R D G Cooper, a Trustee.

18. Controlling party

The parent undertaking and ultimate controlling party is considered to be Wolverhampton Grammar School Limited.

Wolverhampton Grammar School Limited is a charitable company limited by guarantee (company number 6610261, charity number 1125268).

The Fund has taken advantage of the exemption within FRS102 from disclosing related party transactions with Wolverhampton Grammar School Limited and Wolverhampton Grammar School 1958 Appeal Fund on the grounds that the consolidated accounts for the limited company, which are publicly available from the Charity Commission, include the Wolverhampton Grammar School Independence Appeals Fund and Wolverhampton Grammar School 1958 Appeals Fund. They are also available from the Registrar of Companies.
