Governance and Management

ABCA is governed by a Constitution, dated 20th May 1997.

Membership of ABCA is in three categories.

- Individual members are those people over the age of 18 who live in the Parish of Acton Bridge, and all those under the age of 18, who are termed junior member. Junior members do not have the right to vote.
- Group members are the subsections of ABCA. These are groups formed for the furtherance of a common activity. At present, such subsections are Bowls, and Tennis. They have full autonomy for their day-to-day running, with their own elected officers.
- Associate members are those people who are well wishers of ABCA and its stated objectives, they do not have the right to vote.

A management committee manages the affairs and day-to-day operation of ABCA. This committee consists of an honorary officer who is the chairperson of Acton Bridge Parish Council, representatives of full members, representatives of the sub sections, and up to two representatives of junior members. The committee retires annually but shall be eligible for re-election.

The AGM appoints officers to run ABCA, these are: chairperson, treasurer, secretary, and any other officer that the management committee see as necessary for ABCA's effective operation.

Each year an AGM is held to receive the annual accounts and reports, to appoint officers, accept resignations, elect representatives, appoint an independent examiner, and to discuss any business as notified to the management committee three weeks prior to the meeting.

The constitution specifies rules and procedures for the management and maintenance of the charity's funds to conform to the Charity Commission's recommended practice and guidelines.

Objectives and Activities

The objectives of ABCA shall be to

- Promote the improvement of the condition of life for the inhabitants of the civil parish of Acton Bridge, and its neighbourhood by associating with other voluntary associations in a common effort to advance education, and to provide facilities for recreation and leisure time occupation.
- Establish and to secure the establishment of a parish community centre and to maintain and manage this centre to be used for activities promoted by ABCA and its constituent sub sections.
- Participate in and support any activities in the area of benefit as shall be decided by ABCA. It has active Tennis and Bowls sections, and there are also specific user groups, i.e., Play Group, Scottish Dancing, WI, Arts Societies, and TaeKwondo. The funds raised from their room letting covers most of the maintenance needs of the Parish Rooms.

The Bowls and Tennis groups are self-sufficient through their membership and maintain their own facilities.

Achievements and Performance

CHAIR'S REPORT 2020-2021

What a strange year this has been for us all. Without the help and support of the committee and its members we would not be where we are today, looking forward to a positive year ahead.

This year has been incredibly challenging due to the restraints of the Pandemic. This time last year we were in the early stages and we soon realised that it was not going away.

Trustees and members of the committee have worked well together to put procedures in place to make the Parish rooms and the facilities safe from covid. This took a great deal of time and effort and I would like to thank Peter Hurst, Bob Holt, Bob Heaton, Veronica Oliver and Gill Spanton. A special thank you also to Caroline Hand who has made sure that the cleaning procedures were maintained.

Trevor & Sam Brocklebank and their volunteers continued with their work keeping the village WHATSAPP going for the vulnerable and the elderly people of the village. Thank you to all involved. I am sure all residents were very appreciative.

Our income from the user groups and room hire almost dried up with the exception of pre-school as this was permitted. Fundraising was limited to the 300 club; this involved a different format with direct payments. We did not sell as many shares but under the circumstances we were pleased with the outcome. Thank you to Bob and Margaret Holt for continuing to run the 300 club. We also obtained Government's business support grants which helped us to pay our bills and maintain the property.

While the rooms have been closed Bob Heaton has continued to make his through weekly checks and has supervised any contractual works carried out such as a new boiler and electrical supply to the bowls pavilion and he has kept the grounds in good order. We really are grateful to Bob for his time and his diligence.

We are sorry to say goodbye to our Vice Chair Jane Evans who has moved to Oxfordshire to be nearer to her daughter and her family. Jane been totally committed to ABCA since she moved into the village, Jane was Chair before I took over, just one of her many roles. We will all miss her greatly. As a thank you a presentation took place at the village rooms socially distanced. I am sure that she will be soon get involved in her new community we wish her well.

Kiera Edgerton continues to edit and publish our informative newsletter. keeping us all up to date with the goings on in the village! Thank you all who are involved with content and delivery it is much appreciated.

Keira has also taken on the role as administrator for the Acton Bridge website and is continuing to develop the site. Veronica Oliver looks after the contents for Acton Bridge Village Facebook, also a good way of keeping the village informed. Thank you both.

As a village we have been unable to enjoy our usual programme of social events, However Tim Fowler managed to source a Christmas tree, it was decorated and a distanced light switch on brought some festive cheer to the village.

This pandemic has put many obstacles in our way. We have been unable to hold our regular committee meetings in the hall and have used Zoom. Our IT skills have greatly improved! Some of the user groups have not returned due to the restricted numbers. Hopefully once the restrictions are lifted in June 2021 they will resume. The user groups that did return were limited in numbers and had to follow strict cleaning schedules. It was great to see the rooms, Tennis courts and bowls pavilion brought back to life.

Our Community has certainly pulled together during this Covid pandemic, I feel very privileged to be part of Acton Bridge Community Association but without the help of the other committee members giving up their time and sharing their knowledge it would make my job exceedingly difficult indeed. So, a big thank you all for your friendship and support.

Selina Rooney
Chair

Annual Report of Acton Bridge Tennis Club

The past year has clearly been severely disrupted by the Covid outbreak and National lockdowns starting in March 2020.

For much of the past season the courts have been locked and no play has been allowed in accordance with Government guidelines. While we were able to open the courts for restricted play during some summer months the season has in effect been non-existent with it affecting all elements, membership, league matches and coaching.

After discussion with ABCA board it was agreed that the tennis club should not provide its usual annual contribution to ABCA funds and this was greatly appreciated. This gesture has allowed the tennis club to announce to all its existing members that no fees will be charged for the 21/22 season which has been very favourably received.

The courts remain in good condition and we are now promoting the Club looking for new members as we emerge from Covid and play is again allowed.

Two of the committee tendered their resignations last season due to relocation and we urgently require new committee members to assist with the work of the committee and to inject new impetus into an ageing group.

I would like to thank my fellow committee members for their efforts and support in keeping the club operating and providing excellent facilities for our members.

Peter Richards
Chair

Annual Report of Acton Bridge Bowling Club

2020 proved to be a difficult year for Acton Bridge Bowling Club. With the number of lockdowns, and not being able to play for a number of months. Some members who have been isolating unable to play for over 12 months and are looking forward to return in the near future.

In spite of the difficulties we have faced, the club has grown, with several new members joining us. As a club we are very excited about the forthcoming 2021 summer season which promises to deliver some great competitions and bowling in Acton Bridge Bowling Club.

With the new Club house and electricity fully working we have a great asset that will help in open days, fun days, competitions, when the current restrictions are lifted, we will then be able to enjoy the facilities.

There has been a lot of work done through the year to tidy around the club, especially hedges and trees. We would like to thank ABCA and Bob Heaton who made some of this happen, with Bob cutting the conifers lower to allow light and stop the trees affecting the green. The green and area are looking very good, and we thank all those members who put in the time to make this happen.

With membership looking strong, and now able to play again, we are looking forward to the competitions being able to happen this year with many members already putting their names down it looks like a great year in prospect.

We are always looking forward to new members joining us all standards are welcome. Our website has been good for new members finding us. Even if people have never played there are always members willing to show new members how to play.

Steve Sharpe
Chairman

Treasures Report and Financial review

From a financial viewpoint, the year has been like no other. The restrictions forced on us by the COVID pandemic, and the closure of the Parish Room significantly impacted our income streams. User group income collapsed to 15% of last years, there were no social events organized by ABCA. Proceeds from Private room hire dried up. The 300 Club was re-organized on a revised model, allowing for direct purchase of shares and payments and the need to minimize personal contact. It raised £950, only £80 down on last year. In the circumstances an excellent result.

Only the Pre-school maintained its operations when it was permitted to. They were the main source of rental income in 2020.

Fortunately, however, ABCA has benefited from generous government COVID business support grants. In the year, six allocations have been made amounting to more than £18000. These have more than contributed to the loss of income, and we have finished the year with a surplus of £14,670, in contrast to last years' loss of £2219. With the lifting of restrictions on the use of the Parish Rooms and the return to 'normality', this surplus will be used to promote hire and usage of the parish rooms as well as promoting community events within Acton Bridge. ABCA has waived the annual contributions from Bowls and the Tennis sections to provide some relief in financing their activities.

We spent over £6550 on capital items, most notably the provision of a power supply to the Bowls pavilion, we were assisted in this by Sport England which awarded us a grant of £2000. In December, our second CH gas boiler failed and had to be replaced, costing over £2000. There remains outstanding the replacement of dilapidated roof cladding to be completed in the second quarter of 2021, this will be part financed by a CWAC grant and a contribution from our Parish Council.

So, ABCA's Bank and cash balances as at end year amount to £66413, an increase of £15,172, compared to a decrease of £2219 on the year. This is an exceptional amount. Of these funds £20,000 are held on deposit with Cambridge and Counties bank on favorable terms. The interest received last year amounted to £345.

Our consolidated funds amount to £81,258. Of these, £42961 is in ABCA unrestricted general funds, and the amounts in restricted funds are: Tennis £24,154, and Bowls £11,143. This year both the Tennis section and the Bowls Section were in surplus, and both were significantly impacted by COVID restrictions. Their accounts are shown separately in this report.

Regarding Expenditure, much of the expenditure relates to the cost of utilities, cleaning, ad hoc maintenance, repairs, and insurance, and for each item, the spend is slightly lower than last year, reflecting the lack of use of the Parish Rooms. COVID related expenses amounted to £1235.

Day to day expenditure to maintain the upkeep of the Parish Rooms amounted to just under £7000, capital works as stated above to just over £6500, together they amount in 2020/2021 to £13519, only 7% less than last year's outturn of £14572. This rate of annual expenditure falls comfortably within our reserves policy of holding funds to represent 1 year's expenditure.

Mr. David Hall ACIS has independently examined the accounts. His statement is included as an integral part of these accounts.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 /03/2021.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.*

- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.*
