**King's Church, Wirral****Trustees' Report for the year ended 31st March, 2023**

The trustees present their annual report and the financial statements for the year ended 31st March, 2023.

**Reference and administrative details**

The details are set out on page 2.

**Trustees**

The trustees who served during the year are as stated below:

M. A. McGrath  
C. Orr  
Ms S. P. Pearson  
I. S. Roberts  
G Duffield

**Structure, Governance and Management****Governing document**

The charity is an unincorporated charity governed by its Declaration of Trust dated 28th April, 1982, as amended on 17th June, 1991. It is registered as a charity with the Charity Commission.

**Appointment of trustees**

The trustees of the charity, under the charity's trust Deed, are known as the trustees. Under the requirements of the Trust Deed, the Trustees are eligible to appoint additional trustees from amongst the Church's membership.

**Trustee induction and training**

New trustees meet with the existing trustees to brief them on their legal obligations under charity law, the content of the Trust Deed, the trustees and decision making processes, the business plan and recent financial performance of the charity. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

**Organisation**

The board of trustees, which must have a minimum of 3 members, administers the charity. The board meets regularly through the year to review strategy, performance, operating plans, budgets and building matters.

**Risk management**

The trustees have a risk management strategy which includes:

- an annual review of the risks the charity may face;
- the establishment of systems and procedures to mitigate those risks identified in the plan; and
- the implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.
- implementation and annual review of the child protection policy and guidelines;
- ongoing review of compliance with Disability Discrimination Act;
- development and implementation of other risk management procedures including health and safety and fire safety;
- a financial reserves policy;
- an investment policy.

**Objective and activities**

The objects of the charity are:

- the advancement of the Christian faith and the worship of God.
- the relief of persons who are in conditions of need, hardship or distress, or who are aged and sick.
- the advancement of education on the basis of Christian principles and the worship of God.

**King's Church, Wirral****Trustees' Report for the year ended 31st March, 2023 (continued)****Objective and activities (continued)**

When planning our activities for the year, the trustees gave consideration to the Charity Commission's guidance on public benefit and, in particular, the specific guidance to charities concerned with the advancement of religion.

The activities undertaken by the Church to further its objectives were:

- conducting meetings
- running community projects
- organising activities and groups
- working closely with other Christian organisations.

**Volunteers**

The charity is grateful for the commitment of its volunteers who are involved in all aspects of the charity's operations.

**Achievements and performance during the year**

As a church we are situated in one of the most socially deprived areas of the country. We have been intentionally developing a local community hub that will serve the neighbourhood.

In addition to our ongoing and very successful 'Tots' group and café, we have been having regular drop ins from local community representatives and sign-posting to support and help for individuals and families.

We have established a very good relationship with the local supported-housing officer and together have organised local events for the whole community.

We have been continuing to attract various groups who rent parts of our building for regular groups such as weekly Children's Centre, Diabetes Prevention Group, Training Sessions around such things as mental health, providing education with recognised qualifications.

Our refurbishment work is progressing. We have started a project with received funding for new toilets and small kitchen in the creche area. This will mainly be used as a sensory area for our community tots group.

**Financial Review****Results for the year**

The results for the year are set out on page 7.

**Grant making policy**

The trustees make payments on a case by case basis .

**Investment powers and policy**

Under the Trust Deed, the charity has the power to invest in any way the trustees wish.

**Reserves policy**

The trustees have established the level of reserves (that is those funds that are freely available) that the charity ought to have, which is equal to twelve months' of normal unrestricted expenditure. Reserves are needed to even out any short term funding gaps between spending and the related income. The trustees therefore consider that the ideal level of reserves as at 31st March 2023 would be £110,000 (2022: £113,000).

**King's Church, Wirral****Trustees' Report for the year ended 31st March, 2023 (continued)****Reserves policy (continued)**

The actual reserves at 31st March 2023 were £13,996 (2022: £23,602), which is £96,004 (2022: £89,398) short of our target figure of £110,000 (2022: £113,000). In calculating reserves, the trustees have excluded from total funds, restricted income funds (£1,962) and tangible fixed assets (£79,717). We, therefore, will be examining ways to increase the level of reserves in the coming year.

**Plans for future periods**

Our plans for the coming year are very community focussed. We will continue organising more community fun days, using our premises for groups and charities that are directed towards helping people in the locality with various practical and mental health needs.

We remain open to new initiatives in our ongoing mission to share the good news of Jesus Christ in our locality, strengthen and grow the church and continue supporting ministries and charities both home and abroad.

We aim to keep on with improvements to the building and it will be necessary for us this year to install a new heating system throughout.

**Trustees' responsibilities in relation to the financial statements**

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its surplus or deficit for that year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards and Statements of Recommended Practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Board of Trustees on 2nd September 2023 and signed on its behalf by:

C. Orr  
Chairman

**Independent Examiner's Report to the Trustees of  
King's Church, Wirral**

I report to the trustees on my examination of the accounts of the Trust for the year ended 31st March, 2023 which are set out on pages 7 to 15.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's Statement**

I have completed my examination. I can confirm that no material matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes on pages 9 to 15 form part of these accounts.

**King's Church, Wirral****Notes to the Financial Statements  
for the year ended 31st March, 2023****1 Accounting policies**

The financial statements have been prepared under the historical cost convention except for the valuation of investment assets, which are shown at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice - Accounting and Reporting by Charities (SORP 2015 FRS 102) and applicable UK Accounting Standards.

**Funds**

General funds represent the funds of the charity that are not subject to any restrictions regarding their use and are available for application on the general purposes of the charity. Funds designated for a particular purpose by the trustees are also unrestricted.

Restricted funds are funds subject to specific conditions imposed by the donors or through the terms of an appeal.

Transfers of funds are made to recognise the release of restricted funds or to meet expenditure not covered by restricted income.

The accounts include all transactions, assets and liabilities for which the charity is held responsible in law. They do not include the accounts of groups that owe their main affiliation to another body.

**Income****Donations and legacies**

Voluntary income received by way of grants, donations and gifts is included in the Statement of Financial Activities in the year in which it is received by or on behalf of the charity. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

The charity received substantial amounts of voluntary help from its supporters, but no attempt is made to place a financial value on these services and they have not been included.

**Grants receivable**

Grants are credited to the Statement of Financial Activities in the year in which they are receivable.

**Other income**

Rental income from the letting of the charity's premises is recognised when the rental is due.

**Income from investments**

Dividends and interest are accounted for when due and payable. Interest entitlements are accounted for as they accrue. Tax recoverable on such income is recognised in the same accounting period.

**Gains and losses on investments**

Realised gains or losses are recognised when investments are sold. Unrealised gains or losses are accounted for on revaluation of investments at 31st March.

**Volunteers**

No amounts are included in the financial statements for services donated by volunteers.

## King's Church, Wirral

**Notes to the Financial Statements  
for the year ended 31st March, 2023 (continued)**

**1 Accounting policies (cont.)****Expenditure****Grants**

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the charity.

**Raising funds**

All expenses relating to fundraising, publicity, public relations and investment management charges are charged to this heading.

**Charitable activities**

Charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both the costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

**Irrecoverable VAT**

All resources expended are classified under activity headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

**Tangible fixed assets and depreciation**

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Freehold leasehold land and buildings	-	2% on cost (or valuation)
Fixtures & fittings	-	20% reducing balance
Musical equipment	-	20% reducing balance

All equipment, fixtures and fittings with an original cost of less than £500, are written off in the year in which the expenditure was incurred on the basis that due to the nature of the charity's activities, there is no expectation that the cost of the assets will be recovered in the way of future revenues.

**Investments**

Investments are valued at market value at 31st March. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

**Current Assets**

Amounts owing to the charity at 31st March in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectible.

Short-term deposits include cash held on deposit at the bank.

**Operating Leases**

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to the income and expenditure account as incurred.

**Contingent Liabilities and Provisions**

In accordance with the SORP, a contingent liability is disclosed for those grants, which do not represent liabilities, where the possible obligation, which arises from past events, will only be confirmed by the occurrence of one or more uncertain future events not wholly within the trustees' control. Provisions are recognised for those grants where there is uncertainty as to the timing or amount, and any uncertainty regarding the amount is more than one of determining a basis for reasonable estimation of the liability arising from that constructive obligation.
