## THE URSULA KEYES TRUST

### TRUSTEES' REPORT

31 December 2024

The Trustees present their report along with the financial statements of the Charity for the year ended 31 December 2024. The financial statements have been prepared in accordance with the accounting policies set out on pages 10 to 11 of the accounts and comply with the Charity's Trust Deed, the Charities Act 2011 and Accounting and Reporting by Charities: Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2019).

#### **Structure, governance and management**

The Trust is an unincorporated trust, constituted under a trust deed dated 11 December 1985 as amended on 27 January 2023 and is a registered Charity, number 517200. The Trust was established by Ursula Keyes prior to her death in 1989.

The Trustees are recruited in accordance with the Trust Deed which states that the Trustee body will be no more than 8 with at least 2 Trustees being medical practitioners. The Trustees meet quarterly to decide on the grant applications, review the investment portfolio and keep up to date on all policy decisions which are minuted. All grant requests falling in the correct geographical area are considered by the Trustees. The Trust assesses related party and conflict of interest issues annually by the completion of a related party form by each Trustee.

A list of Trustees who have served during the year are set out on page 1. New Trustees are proposed through recommendations from any of the Trustee body. The induction process for new Trustees involves meeting the Chair and one or two other Trustees to discuss investments, the grant making process and the responsibilities of a Trustee Board. Trustees attend training courses as appropriate.

There are no employees. The Trustees have appointed agents to collect rents due on the Trust's behalf and administrators who look after all the administrative and financial management requirements of the Trust.

#### **Objectives of the Trust**

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year. The objectives are:

- (i) Primarily (but not exclusively) for the benefit of the inhabitants of the area administered by CWAC.
- (ii) The dissemination and improvement of medical knowledge, skills and the care or treatment of patients whether in public or private hospitals or nursing homes (including hospices) or in their own homes.

#### **Review of Activities and Achievements**

During the year ended 31 December 2024 the Trust has supported a wide range of deserving causes in pursuit of its charitable objectives as summarised in Note 2 to the accounts. Grants were only made in response to a specific application either for a specific purpose or venture, for the general purposes of a charitable applicant and for emergency situations in the case of individuals. Grants of £5,000 or less can be agreed by a sub-committee consisting of the chairman and two other Trustees.

**THE URSULA KEYES TRUST**

**TRUSTEES' REPORT**

**31 December 2024**

**(continued)**

**Financial Review**

The Financial Activities for the year to 31 December 2024 can be summarised as follows:-

	<b>2024</b>	<b>2023</b>
	<b>£'000</b>	<b>£'000</b>
Income from rents and interest	399	429
Less: Property and other costs	(84)	(167)
Governance costs	(16)	(15)
	299	247
Net income available for grants	(164)	(167)
	135	80
Net increase in resources for the year	(102)	10
Add: Gains/ (losses) on investments	33	90
Net movement in funds for the year	33	90

Income for the year consisted of gross rents receivable on freehold investment properties of £388,015 (2023: £423,245) and interest of £10,918 (2023: £6,145). Expenditure comprised property costs of £83,745 (2023: £166,662). Movement in the bad debt provision in the year was £Nil (2023: £Nil), governance costs £15,975 (2023: £15,214) and other costs £393 (2023: £908). The total cost relating to Charitable grants for the year was £163,586 (2023: £166,793).

Following consultation with the Trust's property advisor, the property market portfolio at 31 December 2024 has been revalued with a decrease in the portfolio value of £102,000 (2023: increase of £10,000). As a result, the property portfolio valuation at 31 December 2024 is £4,338,000 (2023: £4,440,000)

At the year end the net assets comprise freehold investment properties at a valuation of £4,338,000 (2023: £4,440,000) and bank balances and debtors of £777,850 (2023: £649,847) less sundry creditors and accruals of £79,694 (2023: £86,925).

**Reserves policy**

The Trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets or otherwise committed. They consider free reserves of £250,000 to be appropriate. At the balance sheet date, the Trust had £698,156 (2023: £562,922) of free reserves. The trustees have held back reserves above the appropriate target of £250,000 with the main purpose being the aim to acquire new investment property in the near future, as well as:

- to provide larger charitable grants to important projects as and when required
- to protect its assets against fluctuations in the market
- to cover administration and property costs.

**THE URSULA KEYES TRUST****TRUSTEES' REPORT****31 December 2024****(continued)****Risk review**

The Trustees have examined the major risks to which the Charity is exposed and systems have been established to mitigate those risks. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects. External risks to funding had led to an investment portfolio which generates both income and capital growth over a number of years.

**Future plans**

The Trustees intend to continue providing grants in a similar way and they intend to continue looking for appropriate investment opportunities.

**Trustees' responsibilities in relation to the financial statements**

The law applicable to charities in England and Wales requires the Charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf by:

**By order of the Trustees**

**Mr J D Brimelow**

Date: 10<sup>th</sup> October 2025

**THE URSULA KEYES TRUST  
AUDITORS' REPORT**

**Independent Auditors' Report to the Trustees of The Ursula Keyes Trust**

**Opinion**

We have audited the financial statements of The Ursula Keyes Trust ('the trust') for the year ended 31 December 2024 which comprise the statement of financial activities, the balance sheet and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 December 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of The Trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Trustee report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the Trustee report. Our opinion on the financial statements does not cover the other information and, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**THE URSULA KEYES TRUST  
AUDITORS' REPORT**

**Independent Auditors' Report to the Trustees of The Ursula Keyes Trust (continued)**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of Trustees**

As explained more fully in the statement of Trustees' Responsibilities, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing The Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditors under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below:

**Extent to which the audit is considered capable of detecting irregularities, including fraud**

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit

**Audit procedures**

We determine significant applicable laws and regulations through discussion with those charged with governance and our own knowledge of the sector and design audit procedures to help identify instances of non-compliance with those laws and regulations that may have a material effect on the financial statements.

We consider the applicable laws and regulations to be the financial reporting framework - the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102), the Charities Act 2011 and relevant tax regulations.

**THE URSULA KEYES TRUST  
AUDITORS' REPORT**

**Independent Auditors' Report to the Trustees of The Ursula Keyes Trust (continued)**

We consider the control environment and the procedures in place to address identified risks, including management override, non-compliance with laws and regulations and to prevent and detect fraud or irregularity. Our procedures are designed to provide reasonable assurance that the financial statements are free from material misstatement or error and include: enquiries of individuals in key compliance functions; review of minutes of meetings of those charged with governance; review and testing of manual journals and significant transactions outside the normal course of business; review of financial statement disclosures and testing to supporting documentation; performance of analytical procedures.

We are not responsible for preventing non-compliance and due to the inherent limitations of an audit, as described above, the audit cannot be relied upon to detect all instances of non-compliance with laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report

**Use of our report**

This report is made solely to the Charity's Trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**THE URSULA KEYES TRUST****NOTES TO THE ACCOUNTS****31 December 2024****1 Accounting policies****Charity information**

The Ursula Keyes Trust is a charity registered in England and Wales by the Charity Commission (charity number 517200). Details of the principal address are given on the information page of the financial statements. The charity's operations and principal activities are described in the Trustees' Report.

**Basis of accounting**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2019) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following Accounting and Reporting by Charities, preparing their accounts in accordance with the Financial Reporting standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the entity and rounded to the nearest £.

The trust constitutes a public benefit entity as defined by FRS 102.

**Going Concern**

The Trustees have considered the likely level of income and expenditure for the foreseeable future. The Trustees are satisfied that the Charity can meet its obligations as and when they fall due. Accordingly, the going concern basis of preparation is appropriate for these financial statements.

**Incoming Resources**

All incoming resources are included in the Statement of Financial Activities (SOFA) when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Investment income and bank interest is included when receivable.
- Rental income is included in full in the Statement of Financial Activities in the period in which the Trust is entitled to the receipt.

**Direct charitable expenditure**

Expenditure is accounted for on an accruals basis.

Costs of generating funds are those costs incurred in maintaining the property portfolio.

Charitable activities include expenditure associated with the running of the Charity and include both the direct costs and support costs relating to those activities.

**THE URSULA KEYES TRUST**

**NOTES TO THE ACCOUNTS**

**31 December 2024**

**1 Accounting policies (continued)**

Grants payable are payments made to third parties in furtherance of the Charity's objects under the terms of the trust deed. Grants that are approved by the Trustees and authorised for payment are accrued in the financial statements. Grants approved but not authorised for payment are not accrued as expenditure. Governance costs comprise the costs of running the charitable trust, including strategic planning for its future development, audit and legal fees and all the costs of complying with constitutional and statutory requirements, such as any costs of Trustee meetings, of preparing statutory accounts and satisfying public accountability.

**Taxation**

The Trust is a registered charity and generally exempt from taxation.

**Freehold investment properties**

Freehold investment properties are initially recognised at their transaction value and subsequently measured at their market value as at the balance sheet date. The investment properties were formally valued at 28 January 2015 by Mr R Heyes FRICS, Chartered Surveyor on behalf of Bolton Birch Chartered Surveyors. On an annual basis the Trustees update the valuation following consultation with the Trust's property adviser if there has been a significant change in market values.

**Debtors**

Debtors are measured on initial recognition at settlement amount. Subsequently they are measured at the cash or other consideration expected to be received.

**Creditors**

The Trust has creditors which are measured at settlement amounts less any discounts.

**Irrecoverable VAT**

Irrecoverable VAT is charged as a cost to the SOFA.

**Fund Accounting**

General Funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside for specific purposes where there are commitments of substantial amounts by the charity to third parties. The aim and use of each designated fund is set out in the notes to the financial statements.
