THE SUPERINTENDENT MINISTER'S TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Objectives and aims

The charity is the United Kingdom denominational headquarters of The Free Methodist Church in the United Kingdom (FMCUK) which is part of the Free Methodist Church of North America, and the object of the charity is to further the religious and charitable work of FMCUK in accordance with the doctrines, policies and procedures of the church as set out in the latest Book of Discipline (2019). There are thirty eight churches in the UK Annual Conference, including three affiliated churches, and six in Northern Ireland.

Public benefit

We have served both the local and worldwide community in both direct provision of teaching for the personal and spiritual development and wellbeing of any individuals who seek it, and in facilitating our member churches to similarly provide that community benefit. We have provided significant funds for overseas development, the relief of poverty, and in generally improving the health and wellbeing of those seeking our help. Our member churches are also encouraged to send funds to suitable overseas projects. Our office operates as a hub, sharing information about needs within the communities our churches serve and helping to support the individual churches provide for those needs.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

THE SUPERINTENDENT MINISTER'S TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

Achievement and performance

Charitable activities

The Trustees are assisted in their management of the Charity by a Board of Administration who are appointed by the members at the Annual Meeting, made up of clergy and lay members, who generally meet quarterly. The following individuals have been members of the Board of Administration through the period covered by these accounts, and none receive remuneration in respect of this work except for John Townley who is employed by the Charity as a National Leader:

Rev John Townley (Chair)
Rev Donovan Lurrie
Mr John Carter
Mr Robert Tomkins
Mrs Sam Baker
Rev Pete Godfrey
Mr Dan Broughton
Rev Dan Cronin
Mrs S Whybrew (Secretary)

The Board of Trustees, which includes the National Leadership Team, meet twice per year. In addition, John Townley chairs the Ministerial, Education and Guidance Board overseeing the recruitment and training of new pastors, and the Trustees and Board of Administration.

The charity has supported ministers and churches through the central provision of services, including negotiation of Death in Service, and Private Health Insurance, guidance and support to all member churches in the day to day operation and extension of their outreach and service ministries. Grants are made available to church plants to assist them in their growth in the early stages of development. We have facilitated members of the churches in FMCUK in their charitable activities through training, mentoring and guidance to their staff and many volunteers through one to one support and national conferences.

The charity facilitates both overseas and UK mission work, and the alleviation of national and international poverty by directly raising funds for onward transmission to other charities and missionaries. Amongst others, we have supported projects for international childcare, an overseas Missionary hospital in Rwanda, a Bishop's Fund crisis appeal for the victims of disaster, and the formation of new churches in the UK.

In addition, the structural review performed in prior years continues to be implemented, improving the strategic direction of the organisation and its efficient functioning, enabling the charity to meet its charitable objectives.

Financial review

Principal funding sources

Income is mostly derived from free will gifts made to the church by church members and other interested individuals, together with contributions by member churches, some of which is designated to specific causes.

The trustees delegate day to day financial controls to the Board of Administration who operate within an agreed budget.

The board, by virtue of the regular board meetings, constantly scrutinise the finances, make judgements and estimates relating to available funds and appropriate allocation of these funds. The charity had an overall gain of £369K. The trustees, through the Treasurer, keep appropriate records which fully satisfy the legal requirements placed on trustees.

The attached accounts show the current state of the finances, which the trustees consider to be sound. Overall income for the charity was £608K with expenditure of £249K. The gain is largely due to the gifting of two buildings. The expenditure not budgeted for has been met from general reserves. The trustees are satisfied that the assets of the charity are available and adequate to fulfil the obligations of the charity.

THE SUPERINTENDENT MINISTER'S TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

Financial review

Reserves policy

In accordance with the guidelines issued by the Charity Commissioners, the level of reserves is considered and reviewed at regular intervals. The trustees have adopted a policy to ensure sufficient reserves are maintained and that there are adequate funds to ensure that the charity is able to meet all current and known future liabilities within Charity Commission guidelines.

Free reserves held at the year end are £534,395 (2020 - £174,501).

Funds in deficit

No funds are in deficit.

Structure, governance and management

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

This charity's governing instrument is a Charity Commission Scheme dated 9 January 1984, and amended by the Trustees on 15 October 2009 with the consent of the Charity Commissioners.

The governing instrument does not impose any specific restrictions on the way the charity can operate and bestows full powers on the trustees in relation to investments insofar as they do not contravene the Trustee Act 2000 with regards to investment powers.

Recruitment and appointment of new trustees

The trustees must in number be six or more. They are appointed by the members of the charity at the annual meeting by a majority resolution of the members present. The trustees should comprise half clergy and half lay members. New trustees will be judged whether or not they are suitable candidates by the members. An existing trustee will immediately cease to act in that capacity if he/she is deemed bankrupt or makes an arrangement with creditors, ceases to qualify as a trustee or indicates in writing that he/she wishes to resign.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees have considered the particular risks of fraud, the need to ensure compliance with legislation, being sued by an outside body, and the integrity of the computer system and taken appropriate steps to control these risks and mitigate impact. The charity is aware of Safeguarding issues and also advises member churches.

Financial and Budgetary control is pursued by the preparation and monitoring of the budget and studying the quarterly financial statements prepared by the Treasurer. The charity's cash deposits are now held between NatWest, HSBC, Charities Aid Foundation and Cambridge & Counties Bank.

The charity makes wide use of computers for its activities, with anti-virus protection and regular cloud back-ups to maintain data security. The accounting information is backed up to three different computers, and the General Office computer systems are backed up to the cloud and are password protected.

The Charity has protected the Trustees by way of Indemnity Insurance, and takes regular guidance from its legal advisers. There have been no 'serious incidents' requiring report to the Charity Commission during the year.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE SUPERINTENDENT MINISTER'S TRUST**

Independent examiner's report to the trustees of The Superintendent Minister's Trust

I report to the charity trustees on my examination of the accounts of The Superintendent Minister's Trust (the Trust) for the year ended 31 December 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of Association of Chartered Certified Accountants which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
