HARVEST CITY CHURCH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 SEPTEMBER 2020

The trustees present their report with the financial statements of the charity for the year ended 30 September 2020. The trustees have adopted the provisions of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", the Charities Act 2011 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the Fellowship as laid down in the Declaration of Trust dated 27 March 1987 are:

1. The advancement of the Christian Faith in accordance with the doctrines set out in the underwritten Fourth Schedule and the worship of God in the said County and elsewhere by any means whatsoever including (but not by way of limitation) the preaching and proclamation of the Christian Gospel and the teaching of the Christian doctrine and principles and the pastoral care of the Christian people and the printing and distribution of the Bible and Christian literature.
2. The relief of persons who are in conditions of need, hardship, distress or who are aged or sick.
3. The advancement of education on the basis of Christian principles and without prejudice to the generality of the provision of such education in any educational establishment and if the trustees so decide, the provision of one or more charitable educational establishments for the general education of children or adults on the basis of such Christian principles.

The trustees have had due regard to the guidance published by the Charity Commission on public benefit as required by the Charities (Accounts and Reports) Regulations 2008.

Significant activities

The Church is involved in many programmes for the local community - with children and youth groups, and regular groups running activities for single mothers and older people. The Church also has members coming from many different cultural backgrounds and is recognised as a Church promoting multicultural understanding.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

General Church Activities

The Church normally meets every Sunday morning in person for two services to accommodate the congregation numbers. Our congregation includes people from all over the world reflecting the diversity of our city.

There is also a meeting every Tuesday evening for the purpose of Bible teaching but also increasingly additional smaller group teaching for those involved in singing and music, foundational Christian belief teaching and meetings for new people wishing to join the Church or get baptised. Our partnership classes' this year have resulted in twenty new members.

We also hold sessions from time to time for those who run businesses to teach about ethical principles involved in running and building your own business. This is run by one of our trustees who has an expertise in this area.

A nine-month intern programme also continues each year for any Church members who wish to study the Bible in greater depth and is useful for developing people's skills in writing and presenting topics and projects. This is run by one of our trustees and elders Ian Mann.

Small groups called 'Harvest Groups' meet once a month to enable people to develop closer friendships, to help those in need of practical help and support and encourage each other with prayer. These groups always include up to 20 people of different ages and cultural backgrounds and are a good opportunity to develop friendships with people from very different backgrounds. There are 17 of these groups in total meeting in various homes all over the city.

During the pandemic all our meetings and small group activities have been rearranged in line with government and local guidelines. Since March 2020 most meetings have been either streamed online or arranged via zoom with some limited opportunities to meet face to face during the summer months in 2020. Our Sunday services and Tuesday evening meetings are all available on YouTube and have made our meetings accessible to a wider audience. Our leaders and tech teams continue to work very hard behind the scenes to make sure these meetings run smoothly.

Children and youth work

This is the largest department in the work of the Church.

A parent and toddler group has met every week in our Church premises and enjoyed a varied programme of informal meetings and outings, called Cafe Mama.

All children up to the age of 11 usually attend Junior Church on Sunday mornings and Tuesday evenings. There are over one hundred children in this age group divided into 5 groups according to age. They enjoy a varied programme of games, music and Bible teaching. This group includes children with special needs who are assigned special helpers. The teachers meet together regularly to review policies and child safeguarding. The head of the children's work is Mrs Sarah Woods who is herself a special needs teacher.

The youth work includes young people from aged 11-30 and is divided into 2 groups. It is open to the wider community and the 11-15 age group, called Ignite, now have their own special evening on Friday's and are expanding in numbers, currently up to 30 children in attendance. The older group aged 16-30, called The Pulse, continue to meet on Saturday evenings and attract over 50 young people. Both groups have a programme of music and worship, games and Bible teaching.

During the pandemic, all these meetings and group activities have continued but have transferred to online and zoom with the help of our Junior Church, Ignite and The Pulse leadership.

HARVEST CITY CHURCH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 SEPTEMBER 2020

Other groups

The men meet in a group called 'Excel'. They get together bi-monthly for Bible teaching, meals together or other activities such as bowling. The ladies have their own group called 'Shine' that meets once a month for relevant Bible teaching and sometimes other activities like shopping trips or theatre outings.

There is also a group for people who have progressed on from the youth groups or are in the right age bracket. This is called 'Dare' and caters to the 30-40s age groups. They meet monthly for meals out together.

Our senior and retired members have an active group called 'New Horizons' which meets every few weeks and has a varied programme of outings, meals, movies, skittles etc.

During the pandemic most of the above groups have continued meeting via video conferencing. Outside activities have had to cease and our leaders have been supporting many of our older and more vulnerable members with regular phone calls and food deliveries.

The Church also runs a group for NHS staff, especially junior medical staff and medical students, which is called 'Medics Corner'. This is mainly supportive in nature and includes discussions on ethics and other topics of relevance as well as sharing up to date medical information. It is run by two GP's.

Since the pandemic the Church has been engaged in supporting our NHS and care workers with regular supportive phone calls and food deliveries.

The Church attracts a number of students attending Leicester's universities and colleges. This group has a weekly invitation to a home for Sunday lunch. This has temporarily ceased since March 2020 due to the pandemic.

Relationships within the community

Every August Bank Holiday Sunday we hold an annual summer fayre at Judgemeanow Community College. This includes many activities for children and is free to the local community. It has become an increasingly popular event and attracts families from all cultures and faiths.

Every autumn we organise an 'Out of Africa and Beyond' event also at Judgemeanow Community College. This is a truly multicultural event that celebrates the many cultures represented by our Church, around thirty different nations, and many visitors enjoy the programme of music, dancing, Biblical message and the variety of different foods.

For the last two years we have held a Christmas market at our own premises and have had the privilege of working with our local Asda supermarket charity worker to arrange prizes etc. Members of the local community have come in to run stalls.

Our many groups and activities are open to all of the community and attract regular visitors, especially our youth work. We have an 'Acts of Kindness' initiative to encourage people to donate food to be given to those in need especially during the Christmas period.

During the pandemic this has become a much larger part of the work that the Church does and so we have partnered with charities in Leicester to help with giving out food weekly to many people that are in need.

HARVEST CITY CHURCH

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 SEPTEMBER 2020

Other care for the sick and elderly in the congregation and outside is carried out informally by harvest groups and their members alongside other small groups also.

Our 'Potspoon Cafe' is open every Wednesday, Thursday and Friday and is popular with local Leicester College staff and people visiting the city centre. It is also used as a relaxing place to meet and support people needing advice and counselling. The site is not currently open due to the COVID-19 pandemic.

Relationships with other churches

Harvest City Church is part of a worldwide group of Churches called 'Ministers Fellowship Global' (MFG). Our senior Pastors, Chip and Sarah Kawalsingh, are on the leadership team for MFG and regularly visit other Churches in many countries including Canada, the USA, the West Indies, Netherlands and Japan to encourage and help their Pastors and Churches.

Other Church members including members of our youth group also accompany our Pastors on their ministry trips and benefit from that experience. MFG holds regional meetings in the UK twice a year attended by all our leaders and also an international conference once a year. Unfortunately, due to the pandemic the yearly conference, travelling itinerary and other regional conferences and meetings have been cancelled since March 2020. However there have been virtual conferences done online via webinars and smaller regional leaders meetings have continued via that method also.

Our senior Pastors have continued to support other Church leaders more remotely via phone and video conferencing.

Our Church has continued to support the work of an orphanage in Hyderabad India.

Our Pastor has written a number of books and materials for Church teaching. These include 'God, a Mocha and Me', 'An Extra Shot', 'Fruits of The Spirit', 'Battle For The Mind', 'Hope' prayer cards, 'Giants Will Fall', 'Partnership Guide', 'Leadership Guide' and 'Introduction to Systematic Theology'. He is currently writing a series of booklets on essentials of the Christian faith which are in the process of being published. Many of these materials are also in use in Churches around the UK and internationally.

Our Church supports various Christian ministries as mentioned above. These gifts are always discussed with the trustees and approved by them. The recipient organisations are mainly associated with MFG or Portland Bible College. This is the college where Pastors Chip and Sarah Kawalsingh received their theological and musical training degrees.

Recipient organisations include:

- Ministers Fellowship Global.
- Ministers Fellowship West Indies.
(These organisations support Churches and charitable work in Eastern Europe, Africa, India, and the West Indies etc.)
- Light of Life Full Gospel Church (an MFG Church in Toronto).
- Northside City Church.
- Freedom Fellowship Church.
- Shine, our ladies fellowship, charitable donation to Leicester City
(Charitable organisations working with the homeless.)

FINANCIAL REVIEW

Overview of finances

The Church remains in a healthy financial state. However due to the ongoing pandemic, with the additional lockdown issues in Leicester, the Church has spent the months from March 2020 with only limited opportunities for face to face meetings. For many of our members this remains an ongoing difficult time in terms of employment and finances which has had an inevitable impact on our Church income with donations having dropped during this financial year.

We own our own Church premises in St Johns St Leicester and up until March 2020 also hired an additional meeting hall at Judgemeanow College on Sunday mornings and Tuesday evenings in order to accommodate increasing congregation numbers.

We currently have over £500,000 in our current bank account in order to save towards the future purchase of a larger premises to house our present congregation and plan for future growth.

We continue to actively look at possible suitable properties.

Reserves policy

It is the policy of the trustees to maintain the unrestricted fund not committed or invested in fixed assets less related borrowing, at a level which equates with a range of between three to twelve months unrestricted expenditure, in order to provide sufficient funds to finance expenditure on charitable activities and governance costs.

At 30 September 2020 the total funds held are £1,385,870. This includes £409,249 in tangible fixed assets and £1,430 in restricted funds.

As mentioned above the charity has continued to build its reserves in order to fund a future purchase of a larger premises.

FUTURE PLANS

The charity looks forward to further achieving its charitable objectives during the forthcoming year. It is anticipated that the income and activities of the charity will continue to expand.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a Trust Deed dated 27 March 1987 and was formally registered as a charity on 13 May 1987. The charity was formerly known as Beaumont Christian Fellowship.

Organisational structure

Overall responsibility for the Fellowship lies with the trustees of whom there are seven, with an elder responsible for overseeing the Church. These two bodies, the trustees and eldership, while having distinct roles have common members and between them are responsible for the formulating and implementation of policies designed to further the objectives of the Fellowship.

New trustees are appointed under the authority of the existing body of trustees.

The induction and training of new trustees is provided by the existing trustees as appropriate to the charity's objectives. The Declaration of Trust provides for a minimum of three trustees with no maximum limit. The trustees meet on a regular basis and are responsible for the overall policy for running the charity and advising on all matters relating to staffing and finance.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 SEPTEMBER 2020

STRUCTURE, GOVERNANCE AND MANAGEMENT

Probity and overview

The policies and activities of the Church are currently formulated by a group of 7 trustees. Trustee Mr Peter Moyo left our organisation in October 2019 and resigned as a trustee. The chairman of the trustees and Church Senior Pastor is Mr Andy Paul Chip Kawalsingh.

The trustees have regular minuted meetings and all financial decisions including donations and salaries are discussed and agreed upon prior to implementation. The trustees meet every year to discuss and decide the salaries of our leaders Pastor Chip (Andy) and Sarah Kawalsingh - the decision is made by the other trustees and is based on the work they do and the increase in their responsibilities. It is also influenced by the increase in membership and finances. It is noted that they donate around 20% of their salaries back to the Church in gifts and offerings. Three trustees (Chip Kawalsingh, Ian Mann and Tatenda Kandi) are also employed by the Church but trustees themselves receive no remuneration for being trustees.

The trustees also review the accounts and check all policies are up to date and implemented - this has included the data protection act, all health and safety policies and making sure all Junior Church staff are up to date in child protection training. One of our trustees Ian Mann is in charge of all the health and safety protocols in the Church and these are reviewed by the trustees every year. These include fire risk assessment, health and safety policy, safeguarding, data protection, employee complaints policy.

The Church treasurer is trustee Mrs Tanya Goffin and the Church secretary is now trustee Mr Jim Johnston.

Day to day running of the Church is carried out by Pastor Chip Kawalsingh with the particular help of Mr Ian Mann (trustee employed by the Church) and other trustees as needed. They are assisted by 6 office staff - 5 full time and 1 part time.

The music and worship team are led by Mrs Sarah Kawalsingh who is employed full time by the Church. She oversees the training of new musicians especially from the younger age groups. The ignite and pulse groups have their own music bands. Members of the worship team have written new songs over the last few years and the Church has produced two music CD's 'Salvation is Here' and 'Unveil My Eyes'.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All incoming resources including donations, gifts and grants are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Donations, gifts and grants have been included as income from incoming resources from charitable activities where these relate to specific expenditure to be incurred, but as voluntary income where they have been given with greater freedom of use. Income receivable under gift aid includes the related income tax recoverable. Investment income comprising interest receivable is included when receivable by the charity.

Expenditure

Expenditure is accounted for on an accruals basis inclusive of the attributable VAT which cannot be recovered and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Costs of charitable activities include those costs incurred in respect of the charity's main activities and providing services for its beneficiaries. Grants payable are accounted for at the earlier of when they are paid or become legally enforceable. Governance costs include those costs incurred in meeting the constitutional and statutory requirements of the charity.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost excluding land
Furniture and equipment	- 20% on reducing balance

All tangible fixed assets are capitalised and included at cost.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

HARVEST CITY CHURCH

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 30 SEPTEMBER 2020

1. ACCOUNTING POLICIES - continued

Fund accounting

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charity contributes to a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

Creditors

Short term trade creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

Going Concern and Impact of COVID-19

From late March 2020 the COVID-19 pandemic had a significant impact on the charity's operations. After reviewing the charity's forecasts and projections, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.
