Trustees Report February 2021 to January 2022

We have managed during the last year, with help from East Riding Council and the Village Hall Association and grants for Covid. Without this we would have had a lot more problems with finance than we actually have, as most of our income comes from letting the rooms to various clubs and groups, not to mention bookings from the local school, who do not have a large enough room for some of their activities. The trustees remain the same as before Covid took over the country and continue to do their jobs in the same way they always have.

Gill Kendall

Treasurer
