TRUSTEES ANNUAL REPORT 2024

This report was agreed by the Board of Trustees at their meeting on 25 September 2024.

1. OBJECTIVES AND ACTIVITIES

The charitable objects as set out in the charity's governing document are:

To advance the education of the public in the history and development of railway locomotion by the preservation and maintenance in working order of historic railway equipment.

The main activities undertaken by the charity during the reporting period were:

- Ongoing restoration of historic steam locomotive Haulwen,
-
- Raising funds for the restoration of Taff Vale Railway locomotive 28 and continuing restoration work,
- Raising funds for the purchase and repair of several British Railways Mark 1 coaches,
- The restoration of 2 Victorian railway carriages,
- Distribution of grants for various projects, Raising funds for other development work at Abergwili Junction station.
- Raising funds for and construction of a storage shed and display facility for the Welsh Railway Trust's collection of historic rolling stock, and
- Funding restoration of historic railway good wagons.

The restoration of the two Victorian carriages will give the public the opportunity to experience genuine Victorian railway travel in south west Wales and provide an invaluable educational resource for schools.

The development of the storage and display facility (Dan Do Project) in conjunction with the Gwili Railway Company Ltd will provide undercover storage for some of the Welsh Railway Trust's historic rolling stock which is currently stored in less than ideal conditions outdoors. This will be a major step in conserving these items for the long-term helping to safeguard the items in the care of the Welsh Railway Trust. The facility will also allow for visitors to view the

historic rolling stock and for it to be properly interpreted for educational purposes. During the year construction of the shed was substantially completed.

Restoration of Taff Vale Railway 28, the only surviving mainline steam locomotive built in Wales took a significant step forward with the removal of the boiler from the locomotive to allow for work to be undertaken on the frames.

A new team dedicated to repair and restoration of goods wagons was established to further the WRT's aims to tell the history of railways in Wales.

The Trustees are mindful of their responsibilities under charity law and grants are made only:

- a) In respect of repair, maintenance, restoration or good stewardship of items in the care of the Welsh Railway Trust;
- b) For facilities, items and projects which further the aims of the Welsh Railway Trust. This may include expenditure on items not in the care of the Welsh Railway Trust where a clear benefit to the Trust or furtherance of its objectives can be shown.
- c) The Trustees may impose conditions on the award of a grant to ensure that the benefits conferred are in line with the charitable objects.

The role of volunteers is central to the work of the Welsh Railway Trust. All trustees and officers carry out their duties in a voluntary capacity, and Welsh Railway Trust projects are volunteer led. The aim of the Welsh Railway Trust is to support volunteers in furthering the Welsh Railway Trust's objectives, provide support, training, facilities, equipment and motivation to enable volunteers to fully participate in the Welsh Railway Trust's work.

The trustees have had regard to the Charity Commission's guidance on public benefit during their deliberations.

2. ACHIEVEMENTS AND PERFORMANCE

The Welsh Railway Trust was successful in raising over £75,000 in support of the various projects outlined in Section 1. This has enabled substantial progress to be made on a number of projects including;

- The restoration of steam locomotive Haulwen
- The restoration of 2 Victorian carriages
- The restoration of 2 historic British Railways coaches
- The repair and overhaul of diesel locomotive D2178
- Establishment of a team to restore goods wagons
- Initial discussions on the acquisition of additional locomotives and rolling stock
- Construction of the storage and display facility at Abergwili Junction (Dan Do Project), provision of services to Abergwili Junction and a new platform to improve accessibility

Progress was made in fundraising and preparation for the restoration of steam locomotive Taff Vale Railway No 28 including dismantling the locomotive, fundraising and publicity for the project. The stripping down of the locomotive prior to restoration has now begun.

The new storage shed at Abergwili Junction was substantially completed during the year and requires only finishing and tracks laid so that it can be used to securely store and display historic rolling stock.

3. FINANCIAL REVIEW

The year was financial successfully with a number of regular small donations and a number of significant donations via the Charities Aid Foundation The WRT also began taking card donations on site using a Donation station and claiming tax on the these donations under the Gift Aid Small Donations Scheme (GASDS).

Funding for the restoration of a British Railways Mark 1 coach was provided to the Gwili Railway company in the form of a loan. The interest from this loan has been used along with interest on bank deposits to pay for the day to day running costs of the WRT allowing all donations to be used for the WRT's objectives.

An agreement for a monthly use fee for diesel locomotive D2178 with the Gwili Railway Company came into effect.

The full financial statements are attached.

4. PLANS FOR FUTURE PERIODS

The Welsh Railway Trust will continue with a number of projects including the restoration of the locomotives Haulwen (which we aim to complete in 2025), 28 and the Ford locomotive, vintage carriages 216 and 220, raising funds for the repair of British Railways coaches, raising funds for fitting out the storage shed and display facility for the Welsh Railway Trust's collection of historic rolling stock, further developments at Abergwili Junction and a number of smaller projects in the next year.

In the longer term the Welsh Railway Trust intends to embark on a number of projects for which fundraising has already begun including the restoration of the HST power car and the British Railways Diesel Railcar, a large fundraising and outreach plan for the restoration of Taff Vale railway 28 as well as additional storage and display facilities at Abergwili Junction.

The Welsh railway Trust will also continue to work to acquire other locomotives, rolling stock and other items which further the aims and objectives of the charity.

The WRT will continue to pursue legacies and look at new sources of income as well as adopting various policies to guide the work of the charity and give security to volunteers, potential funders and other stakeholders that projects will be managed efficiently and effectively and that the WRT will operate to the recognised best practice in the sector.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
