The charity is administered by a Board of up to nine Trustees, who meet monthly.

Trustees retire every three years and may stand for re-election. Election of trustees is determined by the membership. The majority of Trustees are volunteers, contributing significantly to the charity's activities in addition to fulfilling their trustee responsibilities.

Within the Board of Trustees there is a wide range of expertise and experience. The Trustees follow an induction programme to familiarise themselves with the charity and their role when they join the organisation and receive regular training.

Volunteer Support

In common with many organisations in the voluntary sector, Lyndale receives much valuable support from its volunteers. We again gratefully acknowledge the support and continued contribution of our volunteers with their wide-ranging input to our work.

The charity is very reliant on the contribution and dedication of its volunteers, and their involvement at all levels continue to be a particular strength of the charity.

Investment Policy

The company's Memorandum and Articles of Association sets out its powers of investment. The Trustees consider regularly the charity's funding position, placing short term surplus funds in cash deposit investment accounts with the charity's bankers, and the Trustees are satisfied with the return from that investment strategy.

Funding

The Trustees remain satisfied that the charity's assets attributable to each of its individual funds are available and adequate to fulfil its obligations in relation to those funds.

**“LYNDALE” KNOWSLEY CANCER SUPPORT CENTRE LIMITED

TRUSTEES' REPORT

Reserves policy

It is the policy of the charity to hold reserves in its unrestricted funds in order to establish an appropriate level of working capital and to protect the future operations of the charity from the effects of any unforeseen and material variations in its income streams, as part of a policy of good financial management practice.

The Trustees have targeted a cash reserves minimum of £70,000 which currently equates approximately to 12 months' operating expenditure. At the year-end cash reserves covering all funds amounted to £94,661 including amounts held on short term deposit (2022: £103,379).

Company Status

The company is a registered charity, number 519725 and a company limited by guarantee. The liability of the individual members in the event that the company is wound up is limited to a maximum of £1.

Trustees' responsibilities for the financial statements

The Trustees (who are also directors of "Lyndale Knowsley Cancer Support Centre Limited for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently
- observe the methods and principles in the Charities SORP (FRS 102)
- make judgments and accounting estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**“LYNDALE” KNOWSLEY CANCER SUPPORT CENTRE LIMITED
ACCOUNTS FOR THE YEAR ENDED 31 OCTOBER 2023**

NOTES TO THE ACCOUNTS

Expenditure

Expenditure is allocated between:

- Charitable expenditure incurred directly to the fulfilment of the charity's services
- Expenditure incurred in the management and administration of the charity (Governance costs)
- Fund raising and publicity costs.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into.

A financial liability exists where there is a contractual obligation to deliver cash or another asset to another entity, or to exchange financial assets or financial liabilities under potential unfavourable conditions. In addition, contracts which result in the entity delivering a variable number of its own equity instruments are financial liabilities.

Finance costs and gains or losses relating to financial liabilities are included in the income and expenditure account. The carrying amount of the liability is increased by the finance cost and reduced by payments made in respect of that liability. Finance costs are calculated so as to provide a constant rate of charge on the outstanding liability. Debt issue costs are offset against the and amortised over the term of the loan.

Significant adjustments and key areas of estimation uncertainty

The trustees consider there to be no items in the financial statements where they have had to make significant judgements in the process of applying the Charity's accounting policies or key source of estimation uncertainty.

Provisions

Provisions for future liabilities are recognised when the Charity has a legal or constructive financial obligation that can be reliably estimated and for which there is an expectation that payment will be made.

Going concern

At the time of approving the accounts, the trustees have reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts.
