TRUSTEES REPORT

We are glad to report that this charity continues to move forward in challenging times to maintaining its objectives. With the loss of many members since the pandemic, we are determined to work together to protect our interest in reaching our local community and many of our associates internationally. The results of our ongoing efforts are echoed by much feedback received from regular and new people we assist.

Having our base at the heart of many desperate people in the West Midlands there is a demand for growth and expansion. Having additional help from Rev. Barry Law and a few other new people has been a blessing indeed. We have been seeing a growth in our weekly attendance and hope to see this continues in the coming weeks and months ahead. A huge blessing to also see a gradual return of some previous church members. It was great to reach out and assist a new work in South Africa with hope to build a strong base and connection with many that are in Africa.

Funds are important to enable us to do much among very needy people and we are grateful to The Catholic Apostolic Trust who help tremendously with this.

God willing, we plan to do much more than the previous year's considering how the pandemic has affected people worldwide. Our desire is to continue as God would have us and move forward fulfilling our given task. We desire to continue to impact our communities locally and to also support our partners abroad which is our biblical obligation. Our plans now and in the future are to continue being a blessing to all people according to the Charity Vision and purpose which coincides with The Great Commission of Our Lord and Saviour Jesus Christ. Thank you and God bless!

Yours in Christ,

Rev. Brian Kuppan
