TRUSTEES REPORT

This was another great year that the charity continues moving forward even when faced with various challenges. Our clear view still remains in focus as we aim to maintain the charities' objectives. With the sad loss of few members many others have joined in carrying our charity objectives. We are still reaching out to help our local community and many of our associates in other parts of the world. The results of our ongoing efforts are echoed by much feedback received from regular and new people we assist.

Having our base at the heart of many desperate people in the West Midlands there is a demand for taking care of the poor and developing our feeding scheme. We have been seeing a growth in our weekly attendance and hope to see this continue in the coming year ahead. It is a huge blessing to also see the involvement of some of our returning church members. It was great to reach out and assist our new work in South Africa which is growing steadily.

Funds are important to enable us to do much among very needy people and once again we are grateful to The Catholic Apostolic Trust who help much with this.

God willing, our plan is to do more with the very poor and destitute people than the previous year's as various catastrophic factors affect the lives of people worldwide. Our desire is to continue as God would have us and move forward fulfilling our given task. We desire to continue to impact our communities locally and to also support our partners abroad which is our biblical obligation. Our plans now and in the future are to continue being a blessing to all people according to the Charity Vision and purpose which coincides with The Great Commission of Our Lord and Saviour Jesus Christ. Thank you and God bless!

Yours in Christ,

Rev. Brian Kuppan
